PRIVATE TUITIONS BANNED

MADRAS GOVT'S ORDER

MADRAS, July 15.
The Government of Madras have come to the conclusion that private tuition undertaken by teachers in Secondary Schools, as a private arrangement, must cease and that, in future it should be given only to pupils in need of it in the school itself outside school hours.

A press Note issued by the Government in this connection says:

"In view of the various complaints about private tuition undertaken by teachers in secondary schools, the Government have considered the question as to how it should be regulated so as to minimise the evils of the present system, and have decided that private tuition as it exists now as a private arrangement between students or parents and the teachers must cease.

"The Government have directed that, in future private tuition should be given to pupils who are really in need of it in the school itself outside school hours and the Headmaster of each school should prepare a scheme for private tuition in consultation with the staff and obtain the necessary general permission from the Management."

IMMEDIATE.

Secretary, E. & P.H.

Under the present circumstances, this order may be kept in abeyance. The D.P.I. may be asked to consult, in the meantime, Teachers' Organizations over this reform in the matter of private tuition.
