CHAIRMAN,
YOUTH WELFARE COUNCIL.

REPORT OF THE YOUTH WELFARE COUNCIL.

1. Constitution and Personnel - In G.O.Ms.No.650 dated th 26th April 1945, the Government of Madras, constituted a Youth Welfare Council consisting of the following gentlemen:-

1. Sir A.Lakshmanaswami Mudaliar (Chairman)
2. The Hon.Mr.Justice K.P.Lakshmana Rao
3. Sir Robert Denniston
4. Sri R.Suryanarayana Rao
5. Lt.-Col.Edward Walker of the Salvation Army
6. Mr.G.Solomon, Y.M.C.A.
7. The Rev.Dr.M.S.Adiseshiah, Madras Christian College
8. The Rev.Jerome D'Souza, S.J., Principal, Loyola College.
9. Mr.S.Govind Swaminadhan, Bar.-at-Law.
10. Sri Rao Bahadur S.K.Yegnanarayana Ayyar
11. Dr.George S.Arundale
12. Sri Rao Bahadur K.V.Krishnaswami Ayyar
13. Mr.K.Kuruvila Jacob, Headmaster, Christian College High Schoo
14. The Commissioner of Labour or his Deputy
15. The Commissioner, Corporation of Madras.
16. Mr.T.P.Santanakrishna Naidu, District Educational Officer,Madr (Secretary).

2. Terms of reference - As stated in the Government Order on the subject, a problem has been created by the steady influx of population from the rural areas to urban areas, of whom a considerable number is of the age-group 12 to 19, who are in some cases employed either full-time or part-time, while in others unemployed, with or without any settled homes or normal family life and living under conditions and surroundings which are not conducive to their physical, mental and moral growth. This Council was constituted to consider the problem of providing an organization to look after the youths and to devise measures for providing them with opportunities for a healthy social life and recreational ~~facilities~~ activities, with particular reference to the City of Madras.

3. Meetings - The Council met on three occasions, 7th May 1945, 25th July 1945 and 27th November 1945 in the University Buildings, Chepauk, Madras. The first meeting was rather exploratory, a copy of the report on Youth Welfare prepared by a sub-Committee of the New India Planning Group forwarded by Mr.R.Suryanarayana Rao was considered, and it was resolved that information be collected from the various Social Service Organizations in the City about the activities condicted by them with particular reference to the questions referred to the Council. The Secretary collected information from the various organizations, and the information so gathered and a Note by Mr.G.Solomon about the requirements of a Youth Welfare Centre were considered at the two succeeding meetings.

After considering all aspects of the question, the Council submits the following report to Government:-

4. Report - (i) The Council is convinced that in the City of Madras there are a large number of youths between the age-groups specified in the Government Order, with or without homes, either unemployed or employed part-time or full-time living under surroundings which are not congenial to their social, moral and cultural well-being, and that the setting up of an organization for looking after the interests of such youths and providing them with recreational and social facilities was an urgent necessity. For this purpose, there was need for setting up a large number of Youth Welfare Centres in the City of Madras, so that the social and psychological atmosphere in these centres would have an elevating effect on them. The Council also considered in this connection whether these centres should confine themselves to social and recreational activities, or whether the problem of fitting the boys for a career should not also be taken into consideration, and it was agreed that while the main object of the centre should be to provide them with social contacts and recreational facilities, it was possible that through the organization at these centres, the lads may have an opportunity of getting employed or sent for some vocational training, and that at these centres or nearabouts these centres some vocational training may be set up, to which such boys as might be suitable may be drafted, provided they are willing.

(ii) Organization - The Council felt that these centres might be run and be attached to Colleges, Y.M.C.A., Y.M.I.A., and such other organised Bodies, which are interested in this type of work. The Council, realising that the vital factor for the success of such an organisation is the missionary spirit and interest evinced by persons and Bodies in social service work, is definitely of opinion that the organisation to be set up for the purpose should be State-aided and not State-managed, and that the following machinery should be set up for the purpose. A permanent Youth Welfare Council, consisting of representatives of certain well-known institutions and associations very much on the lines on which Government have constituted the present Council, should be

---

constituted, which will function as an affiliating and advisory Body coordinating the activities of the various centres and al reporting to Government from time to time. The functions of Council would be --

A

(a) to affiliate organizations, central and local, which in the opinion of the Council fulfil the objects in view;

(b) to receive reports from different centres and review their work from time to time;

(c) to recommend grants to these centres on the basis of the wor that is being carried on;

(d) to arrange for the training of proper persons to be attached to the various centres, and to arrange for periodical refresh courses;

(e) To arrange for the disbursement of grants to the centres.

This Council should have a full-time Officer in charge, who will act as Secretary of the Council, and who will be responsible for periodical visits to the various centres and to report on the working of these centres. The Government should place at the disposal of the Council sufficient funds for --

B

(a) the payment of the staff of the Council and for carrying on the work of the Council,

(b) payment of grants to the various centres, and

(c) for making arrangements for the training of workers for these centres and for arranging periodical refresher courses.

These grants will be administered by the Council, the District Educational Officer, Madras, who should be appointed a member of the Council, being the disbursing officer of the Council. It is understood that a similar procedure obtains with reference to disbursement of grants in regard to public libraries by the Inspector General of Panchayats. Such a Council may be constituted for a period of three years.

The grants are fixed by Govt

(iv) Staff - The success of the scheme depends largely upon the persons in charge of these centres. Suitable personnel should therefore be selected and trained for the purpose. The Council considers that such persons should receive training for a period of three months, and that for this purpose the Y.M.C.A., in conjunction with the Y.M.C.A. College of Physical Education would appear to be the best organization for taking up the training of workers for these various centres to be established in the City. The workers to be trained should have at least School Final qualification and should be selected for their interest in, and for their physical, mental and social qualifications for this type of work. While the staff at the centres might be so trained at the Y.M.C.A., the directing staff for the organisation may be trained abroad preferably, or at the Tata School of Sociology if that were not possible. The persons deputed should have had, besides administrative experience, experience of social work of a like nature, and be capable of mixing well with the under-privileged boys, with a flair for physical activities.

(v) Centres and their requirements, activities etc -

(a) Accommodation - The minimum accommodation required for a centre is a good open space where the boys could play some group games and a small sheltered place where the equipment can be kept and boys meet in case of inclement weather. But wherever possible, the open space should be large enough to play football and the sheltered place should be a good sized hall to accommodate about 50 to 100 boys. A thatched shed should be sufficient for the purpose, and it is recommended that each centre should have accommodation in the shape of a shed or building provided for the exclusive use of the centre, but wherever possible the playgrounds of the Corporation, if they are available, may be used. In a few centres, it is desirable to have separate playing fields also together with accommodation for such games as Volley Ball, Ring tennis, and other Indian games.

(b) Location of centres - The centres should be located particularly in industrial areas, and the following places would appear suitable for the location of centres:-

Royapuram
Tondiarpet
Perambur
Choolai
Narasingapuram (Chintadripet)
A place between Mylapore and Triplicane,
  somewhere near the east end of Lloyd
  Road for the benefit of fishermen, &c.

Besides the above, it would be open for Colleges ~~and~~ or other Associations to organise centres and have particular areas round about their centre earmarked for their activities.

(c) Membership - The Council would suggest that the membership be open to boys upto the age of 21, while the minimum age would remain

at 12. It is of opinion that it would be advisable in the earl stages at any rate to confine the scope of the centres to those boys between the ages mentioned above, who are employed either whole-time or part-time, while it would be open to any particular centre to admit any boys who are unemployed if they are otherwi satisfactory. There should be a small membership fee, say an or so per month, but in a few cases where a boy desires to join and cannot pay, the person in charge of the centre must be in a position to pay the membership fee on his behalf, a membership card being issued to each of them. Membership should be irrespective of caste, creed or occupation, the only criterion being ag The idea of a small membership fee is recommended so that the boys may be enabled to have a sense of pride of belonging to an organization, and this will have a good moral effect in making the boys feel that the centre is their own. This would result in the responsibility for the routine duties of the centre devolving on the boys themselves. Thus it would be possible to train the boys in democratic ways of electing their office-bearers.

(d) Equipment - The centres may be furnished very simply, the minimum being some mats, a few benches, tables and chairs, a book shelf and a cupboard. Other articles will include one or two lamps, musical instruments, few wall pictures, a notice board, a clock or a time-piece, a handbell or a gong, a water pot and a few brass tumblers, books, newspapers and journals, cleaning materials, a waste-paper basket, a dust-bin and a drum for storing water for washing purposes. In addition, some educational equipment such as a blackboard and educational pictures may be useful. A radio set, when it becomes cheap, will be most desirable. Among recreational equipment, football, carrom board and some other games' accessories may be provided.

(e) Staff - As a temporary measure part-time workers may be appointed, but each centre should have in due course a full-time paid worker properly trained, whose business will be to organise and supervise the working of the centre, and who should be made responsible to the agency that is running it, and ultimately to the Council. Such full-time worker should have no other employment as it is important that he should be fresh physically and mentally

12

when he meets the boys. Trained workers and part-time workers should undergo periodical refresher course. In addition to the full-time worker, every centre should have a team of honorary workers who may be trained from that community around the centre, whose tastes and training are in consonance with the objects of the centre.

(f) Programme - The centres should be open throughout the day. The usual daily programme will be commenced in the evening after the boys return from work. Such programme will give a large place to recreation, but where there is a demand, an educational programme should also be organised, which would include not only literacy, but the imparting of general knowledge. The recreational programme will consist of games, indoor and outdoor, musical entertainments, debates and discussions. Special events should be arranged periodically to celebrate festivals. On those occasions light refreshments should be provided as far as possible. Holiday programme like excursion, picnic and camp, should also form part of the programme. Participation in the annual camp should be something which the boys would earn for the regularity of attendance and proficiency in the classes.

(g) Finance - The following recurring and non-recurring expenditure should be provided for each centre:-

Non-recurring (capital) expenditure -

Equipment -	Musical instrument..	..	Rs.100/-
	Furniture.	..	Rs.100/-
	Other equipment.	..	Rs.100/-
	When a centre has to put up its own shed, the initial cost may be	..	Rs.1000/-
			Rs.1300/- × 2

Recurring The main part of the recurring expenditure will be the pay of the worker which would range from Rs.50/- to Rs.75/-. Other recurring expenses will be rent, lighting and other contingent charges including excursions and a monthly contribution in view of the camp. The total monthly expenditure could be put down at a round sum of Rs.100/-

The Council desires to thank Mr.R.Suryanarayana Rao ~~for~~ for the copy of the report on Youth Welfare prepared by a Sub-Committee of the New India Planning Group, forwarded by him, and Mr.G.Solomon, Secretary of the Y.M.C.A. for his very helpful

Ref: Memo.No.54464-A-4 Edn dated 7-1-1946 forward-ing the report of the Youth Welfare Council for remarks.

The following remarks are offered on the report of the Youth' Welfare Council:-

2. The Scheme suggested by the Committee may be approved as an experimental measure in one or at the most two localities in Madras, as Choolai or Perambur to start with to be selected by it. If the experiment promises to be successful, other Centres may be opened. The Committee should necessarily guard against these centres becoming inferior clubs for the congregation of the undersirables. A subscription should be collected from the start.

3. For the proper upkeep and running of a centre, a full time worker, selected carefully for the purpose is desirable. If he successful in organising and conducting it, he may be utilised for the organisation of other centres taken up in future and finally he may be appointed as the Secretary for the organisation. He should be paid an adequate salary. It is likely that a person who worked under the rural security scheme will prove more useful than others wh are new. In the meanwhile, one or two selected persons may be sent t

the

: 2 :

the Tata School of Sociology at Bombay for Training.

4. The scheme, as the Committee suggests, should be state-aided and not state-managed. The aid should cover the whole expenditure at first, except for those items for which special subscriptions should be collected. The Committee should have freedom to budget. Considering the personnel, there is no reason to think that it will not be very conservative and economical.

5. The question of distributing grants will not arise just yet.

With reference to the above Memorandum, I have the honour to state as follows:-

The District Educational Officer, Madras has in consultation with the Commissioner of Madras Corporation submitted at my request the following proposals:-

C

P

1) The original Youth Welfare Council constituted in G.O. No. 650 Edn., dated 26.4.45 may be continued to function with powers to co-opt subject to the following modifications:- The Original Youth Welfare Council constituted by Government in G.O. No. Ms.650 Edn., dated 26.4.1945 consisted of 16 members. Of these, two have fallen vacant owing to the demise of Dr. G.S. Arundale and (2) the resignation of Colonel Walker of the Salvation Army and which are to be filled in. The District Educational Officer also suggests that the following persons may be appointed to the Council.

1) Mr. K.O. Antony, M.L.C., Superintendent, Welfare Department of the B & C Mills.
2) Dr. G.F. Andrews, Chief Inspector of Physical Educati
3) Janab S.M. Fossil [illegible] Bahadur.
4) Janab B.M. Basheer Ahmed Syed Bahadur.

2) The permanent council to be constituted may be empowered to co-opt some of the Presidents or Secretaries of the Social institutic who are enthusiastic in this kind of work. In this connection, the objects and activities of the associations at Choolai and Perambur areas may be taken into consideration from the annual reports of the associations. The associations viz. (1) City Youth's Union, Choola (2) The Arundhathya Mahasabha, Perambur and (3) The Natesa Nagar Harijan Welfare Committee, are as ~~soon~~ seen from their reports doing social service. The Council may make use of the services of these associations. The term of membership may be fixed at 3 years.

(3) The two experimental centres in the city of Madras may be establish~~ment~~ed at Choolai and Perambur which form the industrial and backward areas. These centres may be tried for some time with the cooperation of local associations before other permanent centre are formed. After watching the work at the two centres and gainin experience, the question of expansion may be considered. The Commissioner, Madras Corporation, is agreeable to organise Youth Welfare centres at the above two localities, as an experimental measure.

COPY OF MY LETTER D.O.3815- E2/46 dated 10-10-46 to Sir A. Lakshmanaswamy Mudaliar, Vice-Chancellore, University of Madras.

My Dear Sir Lakshmanaswamy Mudaliar,

May I invite your attention to G.Q. No. Mis. No.650 Edn. dated 26th April 1945 constituting a Youth Welfare Council for the City of Madras, with yourself as the Chairman.

At its meeting held on the 17th December 1945, it made some important proposals to Government. As a result of correspondence between the Government and the Director, Government have now asked me to submit detailed proposals for constituting a permanent Youth Welfare Council for establishing two experimental centres in the City of Madras. The District Educational Officer, Madras has in consultation with the Commissioner of Madras Corporation submitted at my request certain proposals. But before submitting the same to Government I would like to have them discussed by the Youth Welfare Council as the body best fitted to offer its opinion on the question. I shall be thankful to you if you will be so kind as to have a meeting convened and let me have its views and detailed proposals.

I am sending herewith copy of my letter to Government and of the District Educational Officers Proposals for the information of yourself and the Council.

The District Educational Officer also suggests that the following may be appointed to the Council.

Mr. K.O. Antony, M.L.C., Supdt. Welfare Dept. of the B & C Mills.
Dr. G.F. Andrews, Chief Inspector of Physical Education.
Janab S.M. Fossil Bahadur.
Janab B.M. Basheer Ahmed Syed Bahadur.

Kindly let me know if you agree to their appointment.

OF LETTER received from Sir A.L. Mudaliar dated 17th October 1946.

Dear Doctor Savoor,

15 27

I am in receipt of your letter of the 10th October 1946. The position is a little complicated. After the submission of the report, the Council appointed by Government in G.O. No.Mis.650 dated the 25th April 1945 was dissolved and is therefore functus officio at present. The members of the Committee were:

1. Sir A. Lakshmanaswami Mudaliar (Chairman).
2. The Hon'ble Mr. Justice K.P. Lakshmana Rao.
3. Sir Robert Denniston.
4. Sri R. Suryanarayana Rao
5. Lt. Col. Edward Walker, The Salvation Army. X
6. Mr. G. Solomon, Y.M.C.A.
7. The Rev. Dr. M.S. Adiseshaiah.
8. The Rev. Jerome D'Souza, S.J.
9. Mr. S. Govind Swaminadhan.
10. Rao Bahadur S.K. Yegnanarayana Ayyar.
11. Dr. George S. Arundale. X
12. Rao Bahadur K.V. Krishnaswami Ayyar.
13. Mr. K. Kuruvila Jacob.
14. The Commissioner of Labour of his deputy.
15. The Commissioner, Corporation of Madras.
16. The D.E.O., Madras (also to act as Secretary)

I am not therefore in a position now, as the Council has been dissolved to summon a meeting of the Council. I would therefore suggest that you may consult a few of the members who served on the Council and I am sure they would gladly respond to your request, in which case the other names suggested by you may also be included in the list of invitees.

REF:- Government Memorandum No.54464-B.2/47-7 dated 1st March 1947.

I have the honour to submit below an estimate of expenditure for each youth Welfare Centre which is to be constituted by Government:

(1) Staff:	Cost in 1947-48 (taking that the centre is started from 1st June 47)	Ultimate cost per year.
	Rs.	Rs.
1 Lower Division Clerk Rs.45 x 9	405	810

The centres should be open throughout the day. The usual daily programme will be commenced in the evening after the boys return from work. Such programme will give a large place to recreation, but where there is a demand, an educational programme should also be organised, which would include not only literacy, but the imparting of general knowledge. The recreational programme will consist of games, in-door and out-door, musical entertainments, debated and discussions. Special events should be arranged periodically to celebrate festivals. On those occasions light refreshments should be provided as far as possible. Holiday programme like excursion, picnic and camp, should also form part of the programme. Participation in the annual camp should be something which the boys would earn for the regularity of attendance and proficiency in the classes.

This Department may recommend that necessary provision may be included in the Budget Estimate as indicated in the summary above. The Standing Finance Committee which considered the proposals has expressed the view that the proposal may be treated as a Part II scheme for 1948-49.

In April 1945, the Government constituted a Council for the city of Madras to advise them on the question of providing an organisation with recreational and social facilities in the City to look after ~~the~~ youths between ages 12 to 19 who have no settled homes and normal family life. The report of the Council was received in December 1945 and the remarks of the Director were called for on the report. The Director's reply is on pp.19-20 c.f.

2. The Council emphasises the necessity for establishing Youth Welfare Centres (six for the present) in the City, with a permanent Youth Welfare Council, for co-ordinating the activities of the various centres and reporting to Government ~~the~~ progress ~~of [illegible]~~ from time to time. The Council considers that part-time ~~p 11 c.f.~~ or full-time workers for these centres should be trained at the Y.M.C.A. and appointed after training on a salary ranging ~~rengin~~ between Rs.50/- to 75/- while the directing staff of the organisation should be trained either abroad or at the Tata School of Sociology, Bombay . The Council is of the definite opinion that the Youth Welfare Centres should be State-aided but the management of the centres should be vested in private bodies.

para 2, p 19 cf

para 3, p 19 cf

3. The D.P.I. recommends the establishment of these Centres at one or at the most in two localities in the City (Choolai or Perambur) as an experimental measure. He considers that the question of opening other centres may be examined if the experimental centres prove successful. His recommendation may be accepted. As regards the appointment of full-time workers, the D.P.I. considers that a person who has worked in the rural security scheme will prove more useful than others who are new. The Director supports the proposal to depute one or two selected persons for

training

- 2 -

training at the Tata School of Sociology at Bombay. But he has not furnished an estimate of the cost involved. He has not also submitted proposals for the ~~constitue of~~ constitution of ~~the~~ a permanent Youth Welfare Council.

4. The cost of ~~maintance~~ maintenance of a Youth Welfare Centre as estimated by the Council is at p.12.c.f. The Director has not offered any remarks on this; apparently he considers the estimate a modest one.

5. If the proposal is generally approved, the Director may be asked to send detailed proposals for constituting a permanent Youth Welfare Council and for establishing two experimental centres.

This may be done? A

This is not put down in the Five-Year Plan; nevertheless as it is a modest scheme which it is desirable to try as an experiment before any expansion is made later, it may, I think, be taken up as proposed above.

[Issued as Memo No. 54464 B2/45-6 Edn. d/ 9--4--46]

From the D.P.I. 3815 E/45 dated 13--2--1947.

The D.P.I. has submitted proposals in regard to organisation Youth Welfare CentreSin the city. They are as follows:-

(1) Constitution of a permanent Youth Welfare Council

(2) Opening of 2 experimental centres in the city, one at Choolai and the ~~other~~ at Perambur.

4

(3) Training of staff for Youth Welfare Centres.

above: The Director suggests that the Council originally ormed for the purpose of drafting a report to Govt. may be onstituted on a permanent basis. Of the 16 members of the ld council two are not available now. The Director suggests e addition of 4 more members to the council thus making a tal of 18 members. Such a large number is likely to make e council unwieldy. For orders whether the Dir.'s roposal will be approved ~~and~~ or he will be asked to suggest a maller ~~uitable~~ body.

p 25 CF
He has also suggested that power may be given to co-opt.
/Not too unwieldy for the purpose, I think.
/May be approved.

2) above: The cost of running the two centres has been estimaed at Rs. 5,000 (Rs. 2,400 recurring and Rs. 2,600 non-recurring). The major portion of the recurring charges is for the employment of a worker in each centre. The ~~Director has observed that the~~ proposed pay of a worker ~~may be~~ is ~~from~~ between Rs. 50-75 per month. It s not known what the general educational qualifications and he attainment of the worker should be to earn this pay. Perhaps the expenditure may be accepted provisionally.

pp 12 CF + 25 CF

do

3) above: The D.P.I. suggests that the question of training orkers for Youth Welfare centres should be left to the permaent council to be constituted. The expenditure that may have o be incurred in this item is not known. The Dir.'s suggestion ay be accepted.

p 25 CF
R

: It is not known whether any expenditure by way of T.A. or sitting fee for the members and for the staff and stationery for the office of the council will be necessary. //For orders whether information on ~~this~~ these points should first be called for from the D.P.I.

(Previous note of Finance on p 2 above)

In G.O. 650 Edn d 26.4.45, the Govt. constituted a temporary Youth Welfare Council to consider the problem of providing an organisation to look after the youths and to devise the measures for providing them with opportunities for a healthy social life and recreational activities with particular reference to the City of Madras. The report of the above Council is on pp 7 - 13 CF. The remarks

pp 49-50 CF of (C)

of the Director on the report are on pp 19-20 CF.

2. In memo. S.4464 B2/45-6 d 9.4.46 the D.P.I was asked to submit detailed proposals for constituting a permanent Youth Council and for establishing two experimental youth centres in the city of Madras. Please see the proposals of the D.P.I on pp 25-26 CF and 31-32 CF. page 21 CF

3. Permanent Youth Welfare Council:

The D.P.I proposes that the members of the Council constituted in G.O 650 Edn d 26.4.45 ~~should~~ may be continued in the permanent Council as modified by 'P' on p 28 CF. No expenditure on account of T.A. or sitting fee is to be incurred for the members as they are mostly well-to-do people. One Lower Division clerk and one peon is proposed to be employed in the office of the Council. The expenditure on the Council will be as follows: pp. 49-50 CF of © P. 32 CF P. 31 CF

Recurring		
Staff	Rs 1600 roundly p.a.	p 32 CF ⊗
Stationery & Postage	300 " "

Non-recurring: Equipment	500.

18.0
7.0 } L.D. clerk
20.8
16.0
5.0 } peon
134.3
12
1611.6

The proposal may be agreed to in this depth.

4. Youth Welfare Centres: The D.P.I proposes the establishment of two experimental Youth welfare centres one at Choolai and another at Perambur. Each centre will have a trained worker whose pay will ~~ranges~~ range from 50 to 75. The cost of each centre as estimated by the Youth Welfare Council ~~as follows:~~ is adopted by D.P.I as a working basis. Pages 12 & 25 CF

Recurring: Pay of worker, ~~light~~ rent etc Rs 1200 p.a p 12 CF

Non-recurring:		
Equipment	300	details are in p 12 CF
Shed	1,000	
	1,300	

The cost for two centres will be Rs 2400 p.a. recurring and Rs 2600 non-recurring.

There is no information as to the general educational qualifications of the worker. The post is presumably to be filled by an outsider & the pay ~~as~~ suggested viz 50 to 75 is the pay that will be needed to secure the services of a competent man. Page 12 CF

The worker will presumably be paid a consolidated pay but no dearness allowance.

The other items of expenditure may be agreed to. ibid

The DPI has not given an idea of the cost involved in the training of staff at the two experimental centres. This training is to be left to the permanent council to be constituted. DPI will no doubt get the cost of training workers at the two experimental centres in due course. 'R' on p 4 above

5 The proposal involves a recurring expenditure of Rs 5700 ~~p.a.~~ and Rs ~~2600~~ 3100 non recurring. As the expenditure is on a specific new object & as the recurring cost is over Rs 2500 p.a the proposal is on a new service. The proposal has to be referred to the Standing Finance Committee and the Cabinet before orders are issued.

[The question of opening more centres is to be considered after the experimental centres prove a success]. X on p 25 CF.

1 The constitution of Youth Welfare Council was suggested by the Education Sub-Committee as a measure of post-war educational development and it would be appropriate to debit the expr. on the Councils to '37 Education'. The expenditure on the permanent council to be constituted for the Madras City may be debited to a new sub-head of account 'Post War Reconstruction - Youth Welfare'.

The youth welfare council constituted in G.O. 650 Edn 26.4.45 recommended that youth welfare centres to be started in Madras city might be "attached to Colleges, YMCA and YWCA and such other organised bodies as are interested in that type of work". It is not clear from the DPI's letter on pages 25-26 c.f. whether the above recommendation is to be given effect to, and if not what arrangements are to be made for the supervision of the centres. The proposals in this case were initiated during the sec. 93 [illegible], and have not been seen by ~~[illegible]~~ the Hon'ble Minister for Education. As this is a matter of Educational policy, it is presumed that the case will be circulated to HM (Edn) and HM (Fin) before the proposals are referred to the Standing Finance Committee.

The proposals in this file are:
1) The constitution of a permanent youth welfare council with an office and establishment. and
2) Opening of the two experimental centres in the city, one at Choolai and the other at Perambur.

1) above:- The cost on account of the provision of an office and establishment for the council has been estimated at Rs 3,250/- recurring and Rs 500/- non-recurring. No expenditure by way of T.A. etc to members is involved. The Finance dept agrees to the proposal.

2) above:- The cost of running the two centres has been estimated at Rs 5000/-. (Rs 2400/- recurring and Rs 2600/- non-recurring) The Finance dept suggest that the cost of the maintenance of the centres ~~will~~ may be borne by the Corporation. That body ~~is~~ has to be consulted in the matter. It is not known whether it will agree.

2. The file may be circulated to HM (Edn) and HM (Finance) for orders on the proposals. Orders of Govt may also be obtained, whether the proposal should be placed before the Standing Finance Committee as suggested by Finance at page 8 ante.

P
The present idea is that the Corporation will organise & run the centres & that Govt must help it financially by giving the grants. We may press for the case proceeding on that footing.

Youth ~~Youk~~ Welfare Council. Though the Council constituted in G.O.650 Edn dated 26-4-45 recommended that a permanent Youth Welfare Council should be constituted and ~~into~~ a full time officer in charge and presumably some staff also, x the D.P.I's recommendation does not refer to any staff for the Council - vide paras 1 and 2 of his letter on p.25 C.F. The D.P.I has suggested that no sitting fee or t.a. need be paid to the members for the reason that most of the members are well to do people. It may not however be ~~fax~~ fair to prevent the official* members in the Council from drawing T.A. under the M.T.A.Rules for their sittings in the Council. Finance may suggest that there need be no restriction regarding the drawal of T.A so far as official members are concerned. The expenditure on T.A may be debited to a new sub-head of account 'Post-war Reconstruction- Youth Welfare Council' under '37.Education V. General - Miscellaneous Non-European' with the concurrence of the A.G. as already pointed out by this Department in para 7 on pp.7-8 above. The cost involved on account of T.A to officials may not however be much ~~and it need not be shown in the draft note~~.

This will be taken up separately because the members are presumably in the city & the meetings are likely to be held in city only.

Youth Welfare Centres. The recommendation of the Council which went through the question was that each of the centres shall be in the ~~hcarge~~ charge of a worker with a pay ranging from Rs 50-75. The D.P.I. has however proposed the employment of a L.D clerk on Rs 45-90 and a peon for each centre. The other non-recurring and recurring cost for each centre has been given by him on p.32 C.F. The centres will be run by the Corporation and the Govt. will be paying them a grant not exceeding the expenditure estimated by the D.P.I. on pp.31-32 C.F.
