REF:Petition dated 31-3-47 of Sri A.P.S.Chelladurai,Officiating Typist for confirmation in a reserved vacancy in the office for reasons stated

Submitted to the Divisional Inspector of Schools,Coimbatore & recommended
2.The petitioner's case is a hard one deserving consideration. He has been a typist in the Office of the District Educational Officer,Salem,from 10-7-1939 continuously since the post of typist was sanctioned to this office after the abolition of the District Educational Councils. Though the post became permanent from 1-6-1944 he could not be confirmed due to reservation of all vacancies after 1943 to persons who have rendered war service. As per rules the only vacant post of a Typist has to be reserved. Since the rules do not permit the substantive appointment of the petitioner in the post in which he has been officiating he was confirmed as an Attender in one of the Deputy Inspectors offices at Krishnagiri which post was vacant from 1-11-43. It is recommended that the relaxation of statutory rules contemplated in para 2 of G.O.No.2615 P.S.dated 31-10-45 may be made on behalf of the petitioner and that he may be recommended to be appointed substantively in the post in which he had been officiating since 10-7-1939

His work and conduct have been uniformly good.

To
The Director of Public Instruction,

Through
Proper Channel,

Sir,

I beg to bring the following few lines for your favourable consideration and early orders.

I am a candidate selected by the Madras Public Service Commission for appointment as Typist in the Madras Ministerial Service in Memorandum No.2614, dated 19-12-38. I was first appointed as a typist for 1 month and 17 days (vide service Book enclosed) from 17-4-1939 to 3-6-1939 A.N. in the Public Works Department at Mettur and was ousted on 4-6-1939 for want of vacancy; afterwhich period I was appointed as Typist in the District Educational Office (Please vide Copy of R.o.c.No.392/1939, dated 7-7-1939 of the District Educational Officer, Salem)enclosed) from 10-7-1939 to date continuously (more than 7 years). I have satisfactorily completed my period of probation on 22-5-41 (please vide page 4 in my service book). I have not yet been confirmed in my present post.

Soon after the abolition of the District Educational Council in 1939 the posts of a clerk and a typist were merged with the District Educational Officer's Office (please vide copy of R.o.c.No. 41/A/38 of the Director of Public Instruction, enclosed). Ever since its abolition I am working as a Typist in the District Educational Officer's Office from 10-7-1939. I have passed Typewriting Higher Grade held in April 1938. My register No. is 4010.

The post in which I am working was temporary from 1939 to 1944 and the post was made permanent only in June 1944. (Vide copy of G.O.Ms.440-Edn, dated 20-3-44). Because the post was made permanent only in June 1944 though it was in existence from 1939 it may not be considered that the post was vacant only from 1-4-43 substantively for purposes of G.O.No.100 Public (Services), dated 11-1-45 (please vide copy enclosed) and my case for confirmation deferred. If this view is held to be incorrect, I request that I may kindly be confirmed atleast under G.O.No.2615-P.S. dated 31-10-45 (copy enclosed) wherein it is stated that exceptional cases of hardship can be met by relaxation of statutory rules, considering my long and faithful service of over 7 years. I have been confirmed in Attender's post in R.o.c.No.271/46, dated 26-3-47 (copy enclosed) by the District Educational officer, Salem.

In the circumstances, detailed above, I humbly request you to kindly confirm me as typist as a Special case.

Salem.

Sir,
Your most obedient servant.

Read:G.O.No.2543, Public (Services), dated 26-8-1944
G.O.No.3166, Public (Services), dated 30-10-1944

Order--No.100, Public (services), dated 11th January 1945.

In partial modification of paragraph 3 of G.O.No.2543, Public (Services), dated 26-8-1944, His Excellency the Governor of Madras directs that no vacancy which has been reserved to be filled by war service candidates and which occurred on or after 1st April 1943, shall, until further orders, be filled up by the appointment of approved probationers already in service. Further orders will be issued after consideration of the returns called for in G.O.No.3166, Public (Services), dated 30th October 1944.

(By order of His Excellency the Governor).

Copy of G.O.No.2615, 31st October 1945.

Sub: Public services recruitment--Madras Civil Supp Services (War Service personnel) Recruitment rules--Ban on filling reserved vacancies occurring on or after 1st April 1943--confirmed--confirmation of direct recruits in vacancies reserved for promotees or transferees and concession regarding confirmation to probationers who were not permitted to undertake military service--orders passed.

Order--No.2615, Public (Services), dated 31-10-1945.

In G.O.No.100, Public (Services) dated 11-1-1945, the Government directed that no vacancy which had been reserved to be filled by war service candidates and which occurred on or after 1st April 1943 should until further orders, be filled up by the appointment of approved probationers already in service. His Excellency the Governor now directs that the ban imposed by the above Govt. order be confirmed.

2. With a view to giving some relief to persons recruited direct whose prospects of confirmation have been prejudiced by the reservation of vacancies for war service candidates, a suggestion has been made to the effect that some of the vacancies which may, under the rules, be filled by promotion or transfer be made available to direct recruits. The Govt. do not consider it desirable to make any change in the proportion of vacancies that should be filled by promotion or transfer and thus shift the burden from direct recruits to men already in service who are much older and have earned promotion by good service or have been recruited by transfer for some special reason. They consider that exceptional cases of hardship can be met by relaxation of statutory rules. The Govt. do not also consider it necessary to give any special protection in the matter of confirmation to probationers in service who applied for military service but whose applications were withheld in the interest of civil administration.

Copy of R.O.C.No.271/46, dated 26-3-47 of the District Educational Officer, Salem.

The following confirmations are ordered.

1. Sri R.M. Manickam, Officiating clerk of the office of the District Educational Officer, Salem, is confirmed as clerk in the office of the District Educational Officer, Salem, with effect from 1-6-1944.

2. Sri A.P. Samuel Chelladurai, Officiating Typist of the office of the District Educational Officer, Salem, is confirmed as attender, Office of the Deputy Inspector of schools, Krishnagiri with effect from 1-11-1943 without prejudice to his officiating appointment as Typist, Office of the District Educational Officer, Salem. The confirmation is subject to the production of medical fitness certificate.

Sri A.P. Samuel Chelladorai is a candidate selected by the Madras Public Service Commission for appointment as typist in the Madras ministerial service, and has been and is working as typist ever since 10-7-1939. Since the District Educational Officer's action in having confirmed Sri Samuel Chelladorai in the post of attender, a Lower post was irregular, he (the District Educational Officer) was asked to cancel his orders, confirming him as attender. In this connection the District Educational Officer and the Headclerk were also warned against a recurrence of such irregularities in future. And the District Educational Officer has accordingly cancelled his orders of confirmation of Sri Chelladorai as attender.

has been reserved for a war service candidate. From

From Appendix II to G.O. 821, Public (Services), dated 15-3-1947 it is observed that in offices where ^{only} one vacancy was reserved for a war service candidate, it has been de-reserved for a civilian candidate. Applying the same criterion in the present case, the one substantive vacancy of typist in the office of the D.E.O., Salem reserved for a war service candidate may be de-reserved for a civilian candidate and the petitioner may be confirmed in it in accordance with General Rule 25(a) and rule 37(b) of the Madras Ministerial Service Rules.

Subject to orders the file may be returned to E. & P.H.

It is not clear whether in addition to the vacancy in question there exist vacancies reserved for war service candidates in other offices in the district under the administrative control of the D.E.O. If so they should be pooled together and the ratio of 2:1 ^{not} applied to the total. The E. & P.H. Dept. may first be requested to ^{obtain} ~~ascertain~~ this information.

On p. 2 c.f. It is stated that the petitioner was confirmed as Attender in a vacancy which arose on 1-11-43. E & P.H. may be requested to ascertain whether the vacancy in question is one de-reserved and allotted to civilian under G.O. No. 821, Pub (Ser), 15.3.47 and, if not, how it came to be filled substantively by a civilian.

C. No. 86777 A/47 From the D.P.D No 1622 C6/47 d 30.10.47.

Please see the D.P.D's reply on p. 13 CF to the Dept's Memo on pp 9.10 CF. It is seen that the ^{vacancy} post of attender in which Sri Samuel Chelladurai was originally confirmed ^{de-reserved} was is one ~~de-reserved~~ and allotted to civilians under G.O. No 821 P.S d 15.3.47 and that the orders confirming him in the post of attender, a lower post have since been cancelled being irregular. It is also reported that there is only one permanent vacancy of typist in the office under the administrative control of the D.E.O., Salem. The file may be sent to P.H. (Ser) w.r.t to their note on p. 2 ante.

Public (Ser) Department

Previous note of this department and the E & P.H. department's further note at pp. 2-3 ante may be perused. It is seen that there is ^{in the post of} only one permanent vacancy of typist in the office under the administrative control of the D.E.O., Salem. The principle followed in drawing up the appendices to G.O. No. 821 (Pub (Ser) dated 15-3-47) was that single vacancies, wherever available, should be de-reserved and allotted to civilians.

In consonance with this principle there seems to be no objection to the vacancy in the post of typist under reference being de-reserved so as to enable the confirmation of the petitioner in accordance with rule 25. The file may be returned to E & P.H.
