CL. No. 35/48, Dated the 10th of May, 1948.

Sir,

Subject:- Madras Educational Service - Sri V. Kalyanaraman -
Return from study leave - Posting - Proposal.

IN submitting herewith a copy of the letter dated 15-4-1948 from Sri V. Kalyanaraman, permanent Hydraulic Laboratory Assistant, College of Engineering, Guindy, now on study leave overseas, addressed to the Principal, College of Engineering, Guindy, I have the honour to submit the following proposal for his posting on his return to India.

2. Sri V. Kalyanaraman is a permanent Hydraulic Laboratory Assistant in the Madras Educational Subordinate Service and an "Approver Probationer" in the post of Instructor in Surveying & Drawing in the Madras Educational Service. There are at present two vacancies in the post of Professor of Civil Engineering, one at the College of Engineering, Cocanada and the other at the Arthur Hope College of Technology, which have been filled temporarily, under emergency provisions, by the appointment of Messrs. N.R. Sitapathi and P.R. Ramaswami, respectively. There is every likelihood of a new post of Professor of Civil Engineering being sanctioned for the Anantapur College of Engineering with effect from the ensuing academic year. Ordinarily, Sri V. Kalyanaraman is eligible for promotion as Professor of Civil Engineering. In view of the fact that a new post of Professor of Civil Engineering is likely to be sanctioned, it is not desirable to discharge either of the two outsiders (Mr. N.R. Sitapathi or Mr. P.R. Ramaswami) for the sake of promoting Sri V. Kalyanaraman. Pending examination of his overseas qualifications and experience and pending sanction of the new post of Professor for the Anantapur College of Engineering,

2.

I recommend that Sri V. Kalayanaraman may be posted to officiate as Instructor.

3. As to the exact place to which he should be posted, I may point out that the following posts of Instructors in Civil Engineering Branch are either vacant or have been filled temporarily by Assistant Engineerings from the Public Works Department.

(1) Instructor in Surveying & Drawing, College of Engineering, Guindy. Vacant. from 10-1-1948.

(In G.O. Ms. No. 349 Edn., dated 24-2-48, Mr. J.P. Moorjani, a Sind refugee, has been appointed emergency powers. The candidate has not yet joined duty).

(2) Instructor in Civil Engineering, Anantapur College of Engineering, at Guindy. Vacant. (Newly sanctioned post).

(In G.O. Ms. No. 349 Edn., dated 24-2-48, Mr. R.M. Advani, a Sind refugee, has been appointed under emergency powers. The candidate has not yet joined duty).

(3) Instructor in Civil Engineering: A.H. College of Technology, Coimbatore. Mr. M.S. Gopalakrishnan, a P.W.D. Asst. Engineer is officiating temporarily.

(4) Instructor in Surveying & Drawing, -Do.- Mr. N. Muthukrishnan, a P.W.D. Asst. Engineer is officiating temporarily.

(5) Instructor in Civil Engineering, College of Engineering, Cocanada. Mr. N. Subba Rao: a P.W.D. Asst. Engineer is officiating, temporarily.

In view of the fact that Messrs. J.P. Moorjani and R.M. Advani, did not join duty before the commencement of the summer vacation and no intimation has been received about their willingness or otherwise to join duty, I have ~~xxxxxx~~ informed them that they need not join duty now, as the Colleges are closed for vacation, but intimate their intentions.--Vide copy of Proceedings R.C.No.865 C.1/48, dated 15-4-48. No reply has yet been received from either of the candidates. As the services of the P.W.D. Assistant Engineers now serving in the Education Department will be required, it is not desirable to revert any of them. In the above circumstances I recommend that the temporary appointment of Sri J.P. Moorjani ordered in G.O. Ms.No.349 Edn.

3.

dated 24-2-1948 may be cancelled and that Sri V. Kalayanaraman may be re-appointed to officiate as Instructor in Surveying and Drawing, College of Engineering, Guindy, ~~from the present~~.

4. I solicit the favour of urgent orders.

I have the honour to be,

Sir,

Your most obedient servant,

NB/9-5.

For DIRECTOR OF PUBLIC INSTRUCTION.

Enclosure:

Copy of Director's Proceedings R.C.No.865 C.1/48, dated 15-4-48.

Subject:- Madras Educational Service - Instructors in Civil Engineering and in Surveying & Drawing - Messrs. R.M. Advani and J.S. Prem Singh Moorjani - Appointment.

Read Again:- Director's Procs. Rc. No.865 C.1/48, dated 29-2-48 communicating G.O. Ms.No.349 Edn., dated 24-2-1948.

Messrs. Rupchand Mansingh Advani and Jiwansingh Prem Singh Moorjani are informed that the Colleges of Engineering at Guindy, have been closed for the summer vacation and they will re-open only in July 1948. They need not, therefore, join duty as officiating Instructors now. They are requested to report to the Director immediately, the reasons for their not joining duty so far, and also whether they intend to join duty in the posts to which they have been appointed in the orders read above. The question whether they should join duty after the summer vacation will be considered on receipt of their replies to these Proceedings. If no reply is received from them on or before the 15th May 1948, orders of their appointment in the Madras Educational Service will be recommended to Government for cancellation.

TELEPHONE MESSAGE BY POST DATED 22-5-1948.

From The Director of Public Instruction, Madras.

To The Assistant Secretary to Government,
Education and Public Health Department.

Ref: Your telephone message by post to the Deputy
Director of Public Instruction dated 19-5-48
regarding posting of Sri V. Kalyanaraman.

Sri V. Kalyanaraman was not reverted from the post of Instructor in Surveying and Drawing in the Madras Educational Service to the post of Hydraulic Laboratory Assistant in the Madras Edl. Subordinate Service before he proceeded to America on study leave in July 1946. In view of the fact that the posting of Sri V. Kalyanaraman as Instructor involved the cancellation of one of the temporary appointments ordered in G.O.Ms.No.349 Edn., dated 24-2-1948, the Government were addressed in my letter Cl.No.35/48 dated 10-5-1948. As Sri V. Kalyanaraman has already arrived in Madras and is awaiting orders of posting, I am posting him to officiate as Instructor in Civil Engineering, Anantapur College of Engineering, Guindy, in anticipation of general approval of Government. I also request that the temporary appointment of Messrs. Rupchand Mansingh Advani and Jiwansingh Prem Singh Moorjani ordered in G.O.Ms. No.349 Edn., dated 24-2-48 may be cancelled. I have not heard anything from Mr. R.M. Advani in spite of registered reminder, while Mr. J.P. Moorjani has written saying that he has accepted a job in the Delhi Polytechnic and is therefore unable to accept the appointment in the Madras Educational Service. As it has been represented that there is a lot of work to be done in Anantapur and it is desirable to post Sri Kalyanaraman to the Anantapur College of Engineering, I am posting him to that College instead of as Instructor in Surveying and Drawing in the College of Engineering, at Guindy, as proposed in my letter cited above.

R.CZ. No. 20000-1/48, Dated the 6th of August, 1948.

Sir,

Subject:- Madras Educational Service - Post of Professor
of Civil Engineering - Filling of the vacancy
in the - Proposals submitting.

Reference:- G.O. No. 1726 Edn., dated 9th July 1948.

IN their orders referred to above the Government have sanctioned the employment of a Professor of Civil Engineering for the College of Engineering, Anantapur, with effect from the current academic year. As Major B.H. Marley, Officiating Professor of Civil Engineering, College of Engineering, Guindy, has been placed in additional charge of the duties of the post of Principal of the Anantapur College of Engineering and that College has since been shifted to Anantapur, Major Marley cannot continue to be the Professor at the College of Engineering at Guindy. I have, therefore, issued formal orders transferring him as Officiating Professor of Civil Engineering, College of Engineering, Anantapur, with effect from 5th July 1948. The resultant vacancy in the post of Professor of Civil Engineering at the College of Engineering, Guindy, has to be filled.

2. Sri V. Kalyanaraman, Officiating Instructor in Civil Engineering, College of Engineering, Anantapur, is an approved probationer ~~is~~ in the category of Instructors and as such is eligible for regular promotion as Professor. But he does not literally satisfy the qualifications prescribed for the post of Professor of ~~Professor~~ of Civil Engineering. Details about his qualifications, practical experience and teaching experience have been submitted with my Telephonic Message (By Post), dated 4th August 1948. I consider that he is very suitable for appointment to the post of Professor of Civil Engineering. Pending further examination of his qualifications, I request that the Government may be pleased to appoint Sri V. Kalyanaraman to officiate as Professor of Civil Engineering, College of Engineering, Guindy, temporarily under Rule 31(a) of the General Rules for the Madras Provincial and Subordinate Services.

Yours faithfully,

For DIRECTOR OF PUBLIC INSTRUCTION.

From the D.P.I., No. 35/48, d/- 10-5-1948.

M.E.S. --- Sri V. Kalyanaraman, officer returning from overseas - Posting.

Sri V. Kalyanaraman, Hydraulic Lab. Asst. in the M.E.S.S., and offg. Instr. in Surveying and Drawing in the M.E.S., was deputed by Govt. to U.S.A. for higher studies in 1946. He ~~is due to return to India shortly~~ ^{has returned}, and a posting has to be given to him ~~at once~~.

Being an approved probationer in the category of Instructors, Sri Kalyanaraman is eligible for promotion as Professor of Civil Engg., the next higher post. There are ^{also} two vacancies of Professors - one in the Coimbatore Engg. College and the other in the Coimbatore Engg. College - and they are now being occupied by non-deptl. men, Sri N.R. Sitapati and Sri P.R. Ramswami, who were apptd. under the emergency provisions. Hence, Sri Kalyanaraman should be apptd. as Professor, ousting either of the 'outsiders' from service.

But, the D.P.I. says that, as a new post of Prof. is likely to be sanctd. for the Anantapur College of Engg. from the ensuing academic year and as, when that post is sanctd., the services of an 'outsider' will again become neccy., it is not desirable to oust either Sri Ramswami or Sri Sitapati now, by promoting Sri Kalyanaraman. He recommends that Sri Kalyanaraman may be re-appointed to a post of Instructor itself - cancelling the appt. as Instructor, ordered recently, of one Sri J.P. Moorjani, a Pakistan-refugee, who has not taken charge of the appt. yet.

The Dir.'s recommendation does not seem quite acceptable. It will not be fair to deny Sri Kalyanaraman, though for a short period, a higher appt. to which he is entitled. His claims for the Professorship have become greater by virtue of his overseas experience. An outsider apptd. temporarily cannot be given preference over him, a regular deptl. man. The former, ~~can~~ instead, can be provided with an Instructor's post, if he is willing to take it up, until such time as a new Professor's post is sanctd. Even if he is not willing and if he is ousted now, it will not, it seems, be very difficult to get another candidate ^{for} from the next

I do not have before me the qualifications of Mr. Sitapathi or P.R.Ramasami. I understand that P.R.Ramasami has gone for foreign education and is very well qualified. But I would like to know whether that qualification is superior to what Kalyanaraman is already having and also the respective qualifications of these three persons arranged by order of merit before coming to any definite conclusion in the matter.

The information desired by H.M. has been called for from Be & S.I. But, pending its receipt, it may be subd. for H.M.'s reconsideration that the Dir.'s proposal in the file, as supported above by the dept., does not disturb either Sri N.R.Sitapati from his present post of Professor at Cocanada or Sri P.R.Ramaswami from his post of Professor at Coimbatore, but would only place Sri V.Kalyanaraman as Instructor in the Guindy College for the present. Sri Kalyanaraman shd. be given a posting immediately - and, as he is already an approved probationer in the category of Instructors, his appt. as Dist. now is only a re-appointment. ^{is unobjectionable} His promotion as Professor in the Anantapur College may be considered later on.
