EDUCATION DEPARTMENT.

From

D.S. REDDI, Esq., M.A.(Oxon.),
Director of Public Instruction,
Madras.

The Secretary to Government,
Education and Public Health Department,
Madras.

R.Cl.No. 65/48, Dated 4th August, 1948.

Sir,

Subject:- Madras Educational Service - Posts of Professors
of Mechanical Engineering, Colleges of Engineering
Guindy and Anantapur.

Reference:- G.O. No. 1561 Edn., dated 15-6-1948; and
G.O. No. 1726 Edn., dated 9-7-48.

CONSEQUENT ON the appointment of Lt. Col. S. Paul as

Officiating Principal, the post of Professor of Mechanical Engineering, College of Engineering, Guindy, is vacant with effect from 15th June 1948. In G.O. No. 1726 Edn., dated 9th July 1948

a new post of Professor of Mechanical Engineering for the Anantapur College of Engineering, has been sanctioned with effect from the current academic year. The above two posts of Professors have to be filled. There is no candidate in the department at present,

who is eligible and qualified for regular promotion as Professor of Mechanical Engineering in any one of the above vacancies. It is, therefore, necessary to fill these two posts temporarily, under emergency provisions. In this connection the claims of the following Instructors for temporary promotion as Professors have to be considered.--

- (1) Sri S. Anantakrishnan, B.A., B.E.,
Permanent Senior Workshop Instructor &
Officiating Instructor in Mechanical Engineering,
College of Engineering, Anantapur.
- (2) Mr. S.P. Vores, B.E.,
Officiating Instructor in Mechanical Engineering,
(under emergency provisions),
College of Engineering, Guindy.
- (2) Sri K. Achutan Nair, B.E.,
Officiating Instructor in Mechanical Engineering
(under emergency provisions),
Arthur Hope College of Technology, Coimbatore.

2.

2. Of the three, Sri S. Anantakrishnan, the senior-most Instructor, is a permanent Senior Workshop Instructor in the Madras Educational Service. He is now drawing a pay of Rs. 460 per mensem. Even in 1946 when there was a vacancy in the post of Professor of Mechanical Engineering, the name of Sri Anantakrishnan was considered along with that of Sri R. Natesan, an Officer junior to Sri Anantakrishnan in the Madras Educational Service. Sri R. Natesan was appointed as Professor in preference to Sri S. Anantakrishnan.--Vide G.O. No. Ms. 1942 Edn., dated 10th October 1946. Later on Sri S. Anantakrishnan was promoted as Instructor in Mechanical Engineering and it was ordered in that connection that his appointment as Instructor was one "on probation" for one year in the first instance. The Director was also requested to send a report in October 1947 about Sri Anantakrishnan's work as Instructor with special reference to his capacity for lecturing. Accordingly a report that his work had been satisfactory was submitted in my letter R.GL.No.63/46, dated 16-2-1948, with reference to which the Government in their Memorandum No. 1446 A.2, dated 25th March 1948 ordered that the appointment of Sri Anantakrishnan as Instructor be continued beyond one year. Since his work is satisfactory and he has capacity for lecturing I consider him suitable for temporary appointment as Professor of Mechanical Engineering. I, therefore, recommend that the Government may be pleased to appoint Sri S. Anantakrishnan, Officiating Instructor in Mechanical Engineering, College of Engineering, Anantapur, as Professor of Mechanical Engineering, in the same College, under Rule 31(a) of the General Rules for the Madras Provincial and Subordinate Services.

3. As regards the filling of the vacancy in the College of Engineering, Guindy, I recommend that Mr. S.P. Vores, Officiating Instructor in Mechanical Engineering, College of Engineering, Guindy may be appointed as Professor of Mechanical Engineering in the same College, under Rule 31(a) of the General Rules for the Madras Provincial and Subordinate Services. Mr. S.P. Vores is a permanent Junior Workshop Instructor in the Subordinate Educational Service. He is

3.

is officiating as Instructor in Mechanical Engineering under Rule 9(a)(i) of the General Rules for the Madras Provincial and Subordinate Services, with effect from 22-11-1946. The question of regularization of his temporary appointment as Instructor is under the consideration of the Madras Public Service Commission. He is a good lecturer in the subjects relating to Mechanical Engineering and I consider him suitable for temporary promotion as Professor under emergency provisions. In this connection I invite the attention of Government to their Memorandum No. 60143 A.4, dated 14th November 1947 wherein he (Mr. Vores) has been informed that his claims for appointment as Professor would be considered if and when vacancies arise. If the Government decide to promote Mr. S.P. Vores as Professor as recommended above, there is no need to consider the claims of Mr. K. Achutan Nair, who is junior to Mr. Vores and whose qualifications are not in any way superior to those of Mr. Vores.

4. I solicit the favour of early orders.

Yours faithfully,

For DIRECTOR OF PUBLIC INSTRUCTION.
