Copy of letter from the Govt. of India No.F.16-5/48-O.S.I. dated 1st April, 1948.

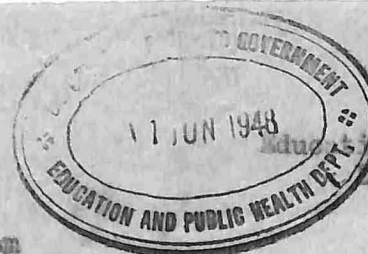

Sub:- South and East African students (Indian as well as indigenous) studying Medical and Engineering Colleges in India - Capitation and enhanced tuition fees charged from - Waiver of.

35953

I am directed to refer to the correspondence resting with your letter No.2746-P.H. dated the 17th September, 1946 and to say that further representations have been made to the Government of India on behalf of Indian students from South and East Africa in the matter of exemption from payment of the capitation or enhanced fees at present recovered from them. While the Government of India are grateful to the Provincial Government for their generosity in reserving seats in their medical and Engineering colleges for these students, they feel that the students should not be treated differently ~~for~~ from the students domiciled in the Province, in the matter of payment of fees. The case of these students is distinguishable from that of the extra-provincial students of Indian domicile, in that while the former have to pay these fees from their own pocket, in addition to the heavy expenditure they have to incur on passages and other incidental items, the fees in the case of the latter are presumably paid by the Provincial Government of their province. In ~~South~~ South Africa, on account of the colour bar, there are not enough facilities for Indian students for higher professional and technical training. In East Africa, there are no institutions at all for imparting such training. Racial discrimination is practiced against Indian in both these countries ~~in~~ in the matter of scholarships and obtaining seats for higher studies in the United Kingdom. It is therefore not unnatural for them to turn to India for assistance. The South and East African ~~Govts~~ Governments afford no financial assistance to them whatsoever. In these circumstances, the Government of India would be grateful if the Provincial Government would kindly reconsider the matter and exempt these students from payment of capitation or enhanced fees as a mark of India's goodwill. The concession may extend not only to those who have been sponsored by the Government of India, but also to those coming at their own expense.

SUPERINTENDENT.

Government of Madras.
Education and Public Health Department.
Letter No. 1941 P.H.

From
C.O. Coorey, Esq., M.B.E., I.C.S.,
Joint Secretary to Government.

To
The Secretary to the Government of India,
Ministry of External Affairs and
Commonwealth Relations.
New Delhi.

Dated Fort St. George the 8th June, 1948.

Sir,
Subj: Medical Colleges - Madras Presidency - Students
from East and South Africa - Exemption from payment of
capitation fees - Agreed to.

With reference to your letter No. P.16-5/48 G.S.I. dated 1-11-48, I
am directed to state that this Government agree to treat the students of South
and East Africa, admitted to the Medical Colleges in this Province, as students
of this Province, in the matter of payment of fees, provided their parents or
families originally belonged to this Province. A separate communication will be
sent regarding South and East African students admitted to the Engineering
Colleges in this province.

Your Obedient Servant,
C.O. Coorey,
Joint Secretary to Government.

Sub: Colleges - Engg. - South and East African Students - Waiver of ^{levy of} Capitation fee.

C. no. 35953 From the G. of I., Ministry of Edu. No. 7.16-5/48-05.I. dated 1.4.48.

Please see the copy of the letter from the Govt. of India on p. 8. The request is that levy of capitation or other enhanced fees from South and East African students ~~who~~ admitted into the Engg. & Medical Colleges in this Province be waived. This question was last considered in 1946 and it was then held that compliance with the request of the Govt. of India in the case of South & East African students will be followed up by similar requests from other States and Administrations and it ^{could then} ~~will~~ be difficult to refuse their requests and ^{would} ~~and~~ also nullify the purpose ~~of~~ ^{of} which the Govt. of India now urge that South and East African ^{Indian} students have no opportunities of higher edul. or other facilities in their place; that those Govts. are completely unhelpful to these students, and that they have to incur huge expenses on voyages etc., as against extra provincial students who need not incur such expenses and in whose case the fees are presumably paid by the ^{authorities} Govts. concerned. In these circumstances the Govt. of India suggest that the levy of Capitation or enhanced fees from South and East African students admitted into Medical and Engg. colleges in this Province be waived.

2 Action in regard to Medical P.T.O.

Handwritten notes on the left page, including a large 'X' mark and some illegible text. Visible fragments include: 'that the capitation fee of Rs 700/- per annum per student payable by the Govt. Administration towards the Govt. of India', 'D.P. is in force', 'C. no. 64/15 from the D.P. No. 422-2/178-20.8-48', 'Sub: Colleges - Engg. - Contribution payable', 'dated 9-4-48', 'New No.', 'E.P.H. (A)'.

colleges is being taken separately. So far as Engg. Colleges are concerned, two seats have so far been reserved to South and East African ^{Indian} students and they are required to pay tuition fees at twice the rates ^{prescribed for ordinary students}. There is a proposal now to reduce the above reservation to only one seat. In the case of medical colleges, it has been decided that levy of Capitation or enhanced fees from such students may be waived, provided they or their parents originally belonged to this Province. It is for consideration, whether in the case of Engg. Colleges also, the G. & J.'s request may be complied with, subject to the above condition.

A3. Finance may see before circulation.

5.6.48 / 1/6/48

Please see the letter on H.C.P. and the notes of S & M on H.1-2 above. In the circumstances stated, this department may agree to the proposal of S & M at A above. (One fee levied from the students who are at twice the rates prescribed for Madras students)

H.P. has noted in the other case relating to medical colleges that in future, the Govt. of India in similar cases, to be raised in future, the Govt. of India should be asked to pay. This case may be ~~dealt~~ treated in the same way as ^{the case of} students to be admitted to the Medical colleges,

vide (A/2/1/1) decided to have 2 seats reserved - separate file
