MEMORANDUM.

Subject:- CENTRAL OVERSEAS SCHOLARS - UTILISATION
OF SERVICES ON RETURN.

Overseas Scholars have executed a bond to serve the Government of India for a minimum period of five years on completion of studies, and Government have declared that, while selection for the award of an Overseas Scholarship does not carry any guarantee for employment, every endeavour will be made to find gazetted appointments for all scholars who satisfactorily complete approved courses of studies.

In order to avoid any unnecessary hardship to scholars for whom Government may have no suitable posts immediately on return Government desire not to enforce the bond against the scholars for too long a period. They have therefore decided that if Government are unable to offer to a Scholar a post in accordance with the terms of the bond within three months of the date on which, on return from abroad, he reports to the Government of India, Ministry of Education, Overseas Division, he will be released from the obligations under the bond. Thereafter, he will be free to seek employment anywhere else.

Subject:- Advanced Studies Overseas: Bonds in respect
of sponsored scholars-

=====

Sir,

14477
I am directed to refer to your letter no. 2503
Edn dated 21st November, 1947 on the above subject and to
state that ^W Government of India have again reconsidered the
question regarding the period of waiting before release
from the terms of the Bond in respect of Provincial
Government sponsored scholars. The legal view is that it is
undesirable to compel the scholar to remain without employ-
ment for six months or to take up a temporary employment
within that period, and that the three months' period is
the more reasonable one. If there is no specific mention of
the period in the bond, then the offer of employment must
be made within a reasonable period and courts are likely
to hold six months as an unreasonable long period. In view of
the above Government of India would again impress upon
the Government of Madras the desirability of conforming
to the decision of the Government of India and of the other
Provincial Governments to accept 3 months as the period of
waiting as already recommended in this Ministry memo of
even no. dated 2/7-4-47.

As regards the Provincial Government's suggestion
that, after release from the Bond, a scholar should not
be allowed to take up any appointment outside the Indian
dominion during the stipulated period of five years,
I am to state that legal opinion does not support it. It
is pointed out that if Government can offer to a scholar suit-

P.T.O.

suitable employment, he will be bound to serve them, but if they are unable to provide him with employment it will not be possible to stipulate that he should serve within the Dominion of India only and not elsewhere; such a stipulation restricting his activities will be void under section 27 of the Indian Contracts Act. The Government of India would not therefore advise the Provincial Government to prescribe such a condition.

I have the honour to be,
Sir,
Your most obedient Servant,

D. K. Hingorani

=====

Sir,

11/13-14 arch
52620
I am directed to refer to your letter No. 14471-C2/48-2
Edn., dated 19th April 1948, on the above subject. The Government
of India appreciate that as things stand at present, it may not be
possible to provide employment for every scholar within three months
of his return. Nevertheless they wish to invite the attention of
the Provincial Government to the fact that in most instances, the
Provincial Government are furnished with the Employment forms,
containing full particulars of the qualifications and Experience of
scholars, in advance of the return of the scholars, thus enabling
the initiation of action in good time. Having regard to legal advice
that since the bonds scholars have entered into do not mention a
specified period of waiting, the courts are likely to hold a three
months period as reasonable, but a six months period as unreasonable
the Government of India have decided on a three months period for
their own scholars. Most Provincial Governments have, for the same
reason, agreed to this period for their sponsored scholars. Since
all expenditure on Provincial Government sponsored scholars is shared
equally between the Central and Provincial Government, the Government
of India are apprehensive of the legal consequences of a six months
period, and in view of the foregoing, they would request that the
Government of Madras may agree to a 3 months period for their
sponsored scholars also.

I am to request that this Ministry may be advised of the
decision of the Government of Madras as early as possible.

Yours faithfully,

Utilisation of services of returned scholars.

Courtesy scholars sponsored by this Group have entered into a bond undertaking to serve this Group or the Central Group on their return after the completion of their course of instruction for a period of five years, if required to do so, in a gazetted post, or take up for a similar period, other comparable employment outside Group service, if so directed by this Group or the Central Group. Although every endeavour will be made to secure employment of the kind referred to above it has been made clear to the scholars that selection for an approved course of study does not carry with it a guarantee of employment and that selection for appointment in Group service will depend on the rules and regulations in force at the time.

2. In order to avoid any unnecessary hardship to the scholars for whom employment of the kind referred to in para 1 above cannot be secured immediately on their return to India, the Group desires not to enforce the bond against the scholars for too long a period. They have therefore decided in agreement with the Govt that if this Group or the Central Group are unable to offer to a scholar a post in accordance with the terms of the bond within three months of the date on which, on return from abroad, he reports to this Group, he will be released from the bond and that thereafter he will be free to seek employment elsewhere.

Sir,

Sir,

I am directed to refer to this Ministry's letter of even number, dated the 2/7th April 1947, on the above subject and to say that practical experience has led this Ministry to review the taken therein. In so far as the Central Government scholars are concerned, the Government of India have now decided that the scholar's waiting period should be extended to a maximum of two months beyond the normal three months period if circumstances warrant such a course. This would mean in effect that the scholars should not be automatically released at the end of the 3 months period but that every case should be scrutinized at least a

fortnight before the expiry of the three months period with a view to decide whether the waiting period should be extended by an additional two months or not.

If no reply is received within a period of three weeks from the date of issue of this letter, the concurrence of the Provincial Government to the proposal will be assumed.

I am directed to refer to this Ministry's letter of even No. dated 11th November 1948 on the above subject and to state that the proposal has been accepted in principle by all Provincial Governments with the minor exception of the Govt. of Bihar, who desire that the total waiting period should be six and not 5 months.

2. I am now to enclose a copy of this Ministry's letter No. F.3-42/46 S.I. dated 4th November 1948 which is issued to all Central Scholars immediately on their return from abroad. If the Provincial Governments have not been doing so, it is suggested that they may consider the advisability of issuing similar instructions to their returned sponsored scholars.

3. I am also to request that in cases where the Provincial Governments decide to release a scholar from the terms of the Bond he had signed prior to proceeding abroad, the fact should invariably be reported to the Government of India, with full details of the reasons leading to the release.

Overseas Scholars have executed a bond to serve the Govt. of India for a minimum period of five years on completion of studies and Govt. have declared that, while selection for the award of an Overseas Scholarship does not carry any guarantee for appointment every endeavour will be made to find gazetted appointments for all scholars who satisfactorily complete approved courses of studies.

In order to avoid any unnecessary hardship to scholars for whom Govt. may have no suitable posts available immediately on their return, Govt. desire that the scholars should not be kept waiting for a Govt. appointment for a very long period. They have, therefore, decided that if Govt. does not offer to a scholar a post in accordance with the terms of the bond, within 3 months of the date

on which, on return from abroad, he reports to the Govt. of India, Ministry of Education, Scholarships Division, the scholar ^{on application may} (shall) be released from the obligation under the bond to serve Govt. provided that in exceptional cases Govt. may, before the expiry of three months ask the scholar to wait for a further period not exceeding 2 months for an offer from Govt. for a post under Government.

This supersedes this Ministry Office Memorandum No. F.3-42/46-ODII, dated the 21st February, 1948.

Sir,
I am directed to refer to this Ministry's Memorandum No.F.3-42/46 S.1 dated the 4th November, 1948, and to state that while forwarding a copy of the Memorandum to the Provincial Government under para 2 of this Ministry letter of even number dated the 18th April, 1949, the words 'on application may' were inadvertently not substituted for the word 'shall' on page two line two of para 2 of the Memorandum referred to above. The procedure followed is that no Central scholar is released from his bond immediately after the expiry of his period of waiting of 3 or 5 months, as the case may be without his applying for a release to the Government of India. If the Provincial Government desire to follow similar procedure in respect of their sponsored scholars, I am to request that necessary amendment may kindly be made inserting the words 'on application may' for the word 'shall' in the appropriate place of their Memorandums to their returned overseas scholars.

Yours faithfully,
Vikram Singh
(Vikram Singh)
for Secretary.

Scholars selected by this Govt. for the award of Scholarships under the Overseas Scholarships Scheme of the Govt. of India are required to enter into a bond with the Govt. One of the terms of the bond is that they should serve this Govt. or the Central Govt. if required to do so, as a gazetted officer for a minimum period of ~~three~~ five years on return to India after completion of studies abroad. In the case of scholars sponsored by the C.S. 9, that Govt. have decided that if they are unable to offer to a scholar a post in accordance with the terms of the bond which he has entered into with them, within three months of the date on which, on return from abroad, he reports to them, he should be released from the obligations under the bond and thereafter he would be free to seek employment anywhere else. They have also intimated their scholars accordingly. ~~At the same time~~ this Govt. decided that the same procedure as that of the C.S. 9 should be followed in respect of their scholars ~~and that the period of waiting for the scholars should, preferably, be six months as against three months decided upon by the C.S. 9. They also decided~~ a condition of the release that ~~the scholars should not be allowed to take up appointment outside the Dominion of India during the stipulated period of five years.~~ In the circumstances stated in their letter on pp 11-12 CF, the C.S. 9. advise this Govt. to accept in respect of the provincial scholars also,

three months as the period of waiting and not to prescribe the condition of release that the scholars should not take up appointment outside the Dominion of India during the stipulated period of ~~five~~ years. Attention in this connection is invited to the orders in circulation on p. 15 n.f. of (V). It is for consideration whether the G.O.'s procedure for release of scholars may be accepted in toto in respect of the scholars sponsored by this Govt.; if so, a circular on the lines of the Memo. on p. 15 CF may be issued to the scholars sponsored by this Govt. and who are still in India for want of admission or passage. In respect of the scholars who are already in the foreign countries, the G.O. may be asked to intimate to them of this Govt's decision thru' the Ed. Liaison Officers concerned.

With regard to the suggestion that the scholars should not be allowed to take up appointment outside the Indian Dominion during the stipulated period, that may be deleted on the suggestion of the Govt. of India that such a stipulation would be void under section 27 of the Indian Contracts Act. But with regard to the six months period, I think, that we should insist on this because it is very rarely that we will be able to place any man within these three months. I think six months should be the minimum or else I am absolutely sure that many people will get out of the field of our usefulness.

C. No 36046 C2/46

Overseas Scholar - Employment on return.

From the Govt of India, Ministry of Edu.
No. F.3-42/46/DD.10 of 11.5.48

Please see the Govt of India's letter on p. 17 CF. The letter on p. 17 CF is in continuation of that on p. 17 CF which has already been received by the Govt of India. Action taken - vide the file linked below. According to the letter on p. 17 CF, if the Govt of India are unable to offer to a scholar sponsored by them a post in accordance with the terms of the bond within 3 months of the date on which, on return from abroad, he reports to the Ministry of Edu, he will be released from the obligations under the bond. Thereafter he will be free to seek employment anywhere else. This Govt agrees generally with the Govt of India's decision but suggests that in respect of this Govt's scholars the period (of waiting) should be 6 months instead of 3 and also that it should be a condition of release that the scholar should not be allowed to take up appointment outside the Dominion of India during the stipulated period of 5 yrs. On further advice from the Govt of India Govt have agreed that the release of the scholar from the bond may be unconditional; but they have adhered to the period being made 6 months instead of 3 and have requested the Govt of India for their final decision on this point. The Govt's reply is awaited. 2. In their letter on p. 17 CF, the Govt of India have now decided that the scholars sponsored

4/12 CF

11 CF

by them can take up any appointment on return from abroad provided the scholar and his employers realize that Govt can call upon the scholar to serve anywhere for a period of 5 yrs, if such an offer is made to the scholar within 3 months of his return. The Govt have not asked the Prov. Govts to consider adopting a similar procedure in respect of ^{Provl} scholars.

3. The scholars have been sponsored by the Govt for ultimate absorption in Govt Depts like I.R., Highways, Electricity & in Govt industrial enterprises or in private industrial enterprises. The procedure now adopted ^{in regard to} their absorption is that, if the Govt are unable to employ these scholars in their Depts & the Govt are consulted whether the scholar's services would be required by them and the scholar is released from the bond if his services cannot be utilized ^{for} the Govt also. The Govt do not give any maintenance allowance to the scholar for the period of waiting and it will be a hardship to keep the scholar waiting even though it may be for 6 months, when, in most cases, they can easily find employment elsewhere. It is therefore for consideration whether the Govt also will take a decision similar to that taken by the Govt of India in respect of their scholars and allow the scholar to take up any appointment on return provided they are immediately available for ~~appointment~~ employment if one is offered to him by the Govt within 6 months of their return. Whether the period is to be 6 or 3 months may be decided in receipt of Govt's reply with ref. to ~~the~~ overleaf. The remarks of Secy, P.W.D. & Fin may be noted.

Advanced studies overseas - Period of waiting Scholars on return from abroad.

From the Govt. of India, Ministry of Edn., No.F.3.29/45. S.II dated 15-11-1948.

Scholars sponsored by this Govt. for Overseas studies have entered into a bond undertaking to serve this Govt. or the Govt. of India on their return on completion of studies for a period of 5 years in a gazetted post or take up for a similar period other comparable employment outside Govt. service if, so directed by this Govt. or the Govt. of India.

2. In April 1947, the Govt. of India informed this Govt. that in respect of the scholars sponsored by them they had decided that, if, for one reason or other they were unable to offer employment to a scholar within 3 calendar months after his return, he should be released from the bond on his applying for the same. The Govt. of India requested Provincial Govts. to consider this and communicate to them their decision regarding their scholars whose cost of studies was shared by the Centre Govt.

3. This Govt. considered the question and were inclined to the view that the 3 months period fixed by the Govt. of India for the release of the scholars was too ^{short} little. In view of however of the hardship that might be felt by the scholars by long waiting for employment after return from foreign studies, they decided that a period of 6 months might be fixed as a period of waiting to get themselves employed under this Govt. and that the scholars even after release should not be allowed to take appointment outside the Dominion of India during the stipulated period of 5 years.

4. In Feb. 1948 the Govt. of India reopened the subject of the period of waiting of sponsored scholars before released ^{ing then} from the bond. As regards the six months' period ~~as the period~~ of waiting fixed by this Govt. the Govt. of India observed as follows:-

1-11-47
C10 2503 S (A)
211147

1-15-48 (A)

1-12-47 (A)

1-11-47
C10 2060 S (B)
18848

"The legal view is that it is undesirable to compel the scholar to remain without employment for six months or to take up a temporary employment within that period, and that the three months' period is the more reasonable one. If there is no specific mention of the period in the bond, then the offer of employment must be made within a reasonable period and courts are likely to hold six months as an unreasonably long period. In view of the above Government of India would again and of the other Provincial Governments to accept 3 months as the period of waiting as already recommended in this Ministry memo of even no. dated 2/7/47."

5. As regards this Govt. suggestion regarding the employment after release from the bond that the scholar should not be allowed to take any appointment outside the Indian Dominion during the contract period of 5 years, ^{stated} they stressed on this point also that the legal opinion did not support it, and that if Govt. could offer to a scholar suitable employment he will be bound to serve them, but if they were unable to provide him with employment it would not be possible to stipulate that he should serve within the Dominion of India and not else where, and that such a stipulation restricting the scholars activities would be void under section 27 of the Indian Contract Act. They therefore advised this Govt. that such a condition need not be prescribed.

6. This Govt. again carefully examined the question and they decided to accept the proposal of the Govt. of India to release the scholar from the bond unconditionally to take up employment anywhere, if they were unable to offer employment to him within a specified period from the date on which he returned to India. As for the period of waiting for the scholar on return to India this Govt. adhered to the view expressed by them previously that the period of waiting ~~shd~~ be 6 months.

7. The Govt. of India while appreciating the views of this Govt. pointed out referring the legal advice that since the bonds scholars had entered into did not mention a specific period of waiting, the courts were likely to hold a three months' period ~~as~~ as reasonable, ^{and} but a six months period as unreasonable. They therefore ^{asked} request Govt. to agree to a three months period for their sponsored scholars also, since all expenditure ~~and~~ on Provincial Govts. sponsored scholars is shared equally between the Central and Provincial Govts. This Govt. then agreed with the Govt. of India, that

in view of the Govt. of India's decision to accept 3 months as the period of waiting

~~these~~ scholars might be released from the bond, if they were unable to offer to them a post in accordance with the terms of the bond within three months of their return.

8. The Govt. of India have reviewed the position as regards the period of waiting in respect of their sponsored scholars and have come to conclusion in light of the practical experience that the scholars' waiting period should be extended to a maximum of 2 months beyond the normal three months' period ^{if} circumstances warrant such a course. They state that this mean in effect that the scholars should not be automatically released ~~and~~ at the end of the 3 months' period, ^{and} that every case should be scrutinised at least a fortnight before the expiry of 3 months period with a view to decide whether the waiting period should be extended by an additional two months or not. The Govt. of India request a reply from this Govt. as regards ^{proposed} this applicability of their decision in regard to the scholars sponsored by this Govt. within three weeks from the date of their communication (15-11-47) and if no reply is sent within that period they state that concurrence of ~~this~~ ~~Govt.~~ this Govt. to the proposal will be assumed.

9. It is submitted that in view of the past correspondence ~~of~~ with the Govt. of India on this subject, this Govt. need not perhaps object to the present proposal. This Govt. once held the view that the period of waiting for the scholars should be ~~at least~~ at least 6 months, before securing employment under this Govt. after their return. For orders. The file may be ^{sent} circulated to Dev., P.W.D., and Fin. for remarks before ~~issue~~ circulation.

9. This is on 21.11.48. The scholars were in India already for a long time. The Govt. of India have decided to accept 3 months as the period of waiting. This Govt. has agreed to this. The file may be sent to Dev., P.W.D., and Fin. for remarks before circulation.

The point apparently is that the scholar should be definitely held before the expiry of the 3 months period that he should wait for 2 more months. Sd/- may let him also see.

Overseas Scholarships - Utilisation
of the services of returned scholars.
Period of waiting. 35

From the G.O.D., Ministry of Edu.
to: F. 3. 29/45 S 2 23.6.49

Please see the reference cited, under instructions from the G.O.D., this Govt issued orders in Demos No 14471/48 Edu, 9.10.48 and No. 86394/48 Edu, 9.10.48 to the effect that the Overseas Scholars will be released from the bond, if within five months of their return, this Govt are unable to offer them suitable appointments. The Legal Dept recently interpreted these orders to mean that the bond should be treated as cancelled after the expiry of the period of waiting if the Govt do not offer any appointment within that period. In effect, therefore, the scholars can consider themselves to have been automatically released from the bond, if at the end of the period of waiting, if no posts are offered to them. In actual practice however, the procedure followed by the Govt is that following the G.O.D. viz, that no scholar is released from his bond after the period of waiting without his applying for release. This procedure, though not strictly in accordance with the position stated at A above, found necessary from the point of view of utilisation of the services of scholars as 5 months is too short a period in some cases to place scholars in suitable posts. The present suggestion of the G.O.D. in their letter read above, that the words "on application" be inserted in the ^{memorandum} may therefore be accepted. A draft memo bringing out this intention is out for approval. Legal, Secy, PWD and Fin may see before issue.
