(b) whether it is a fact that the Govt.
are considering to introduce normal two
years' course in the place of one year's
emergency scheme; and

(c) if so, the reasons for such course
of action?

Draft Answer.

(a) Yes. The Govt. ordered that
the normal two years' course for
secondary grade training be held
in abeyance during 1946-47 and that
a course of one years' duration be
conducted instead. Accordingly
the emergency course ~~lasted~~ which
commenced in July 1946 ended by
June 1947.

(b) The Govt. have since ordered
the reversion to the two years'
course from 1947-48.

(c) The emergency course was intro-
duced as an experimental ^{measure} to train
quickly in place of training for the
large number of teachers re-
quired for introduction of compul-
sory elementary education; however,
^{actual experience of} during the course of training, it
was found that such a shortened
^{was not sufficient and that} course was of no use as it would be
educationally unsound to put in im-
mature teachers with such a short
period of training, ~~in charge of schools.~~

The govt. approved the proposal of the S.P.D. that the usual ~~two~~ years' course for secondary grade training may be held in abeyance during 1946-1947, a course of one years' duration ~~being~~ ^{be} conducted instead. This emergency course of training commenced at the end of the course exam. was from July 1946 and the exam. was held, at the end of the course, in June '47.

were reported to be that it did not give sufficient scope for the pupil

Teachers to do ^{enough} practical work, and that it would be educationally unsound to put in immature teachers with such a short period of trg - please see ^{para 2 of} the Directors letter at p 3 of 7. The Director subsequently reported that even the period of 18 months was inadequate and that it was desirable to revert to the original two years' course. He also stated that the qn. was discussed with H. M. (E.M.) and that he desired revised proposals and be forwarded to govt. Accordingly the Directors proposed in his letter of 24.2.47, to revert to the usual course of two years, the next course commencing on the 1st August 47 (and ending with the 31st March 49) and it was approved in G.O. No. 738 Edn. of 15.4.47.

In this connection it may be mentioned that the Director has proposed ~~to hold~~ that a ^{Special} ~~Senior~~ grade T. S. L. C. Exam. might be held in March 1948, ^{for the benefit of failed candidates,} as ordinarily the will be no such exam. in view of the emergency trg. course; and ^{the proposal is} ~~it is~~ under consideration.

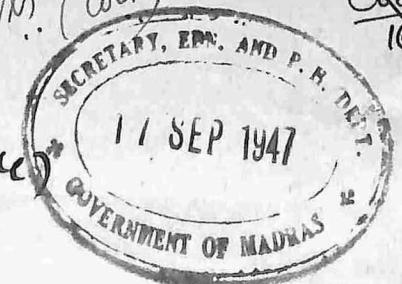

A draft answer is subd. for approval.
