Please see the starred question in the C.F. Presumably it relates to aided elementary schools. The Government recently ordered that with effect from 1.1.1947

the grants for teachers employed in aided Ele. schools should be calculated on the following scales:---

Lower elementary--	
Untrained	11 ✓
Trained	18 ✓
Higher elementary --	
Untrained	15

In view of the increased scales of ^{grants} ~~pay~~ ^{aided} the Government decided to insist on the managements of schools that a minimum salary of Rs 20/- Rs 30/- and Rs 40/- per mensem should be paid with effect from 1-7-47 for the trained teachers of the Lower Ele., Higher Elementary, and Secondary grades ^{respectively} in aided elementary schools, ^{respectively}, the intention being that the managements should supplement the grant paid by the Govt. from their own sources to the extent necessary. It has since been brought to the notice of the Govt., that this ~~could~~ obligatory provision would ~~compel~~ many of the aided managements to close down their schools and as an alternative, the question of meeting this extra amount also from ^{the} Provincial funds is separately under consideration. Pending ^{a decision} ~~orders~~ on the above question, grants for aided elementary school teachers ^{are} assessed on the basis of the scales of ^{grants} ~~pay~~ mentioned above.

It may also be noted in this connection that the system of ^{monthly} ~~disbursement of~~ teaching grants to aided elementary schools has not yet been introduced, as the extra addl. staff required for the purpose have not yet been sanctioned by Govt. (The scheme has been placed before the Standing Finance Committee for consideration at its next meeting.) ~~Subject to orders~~ A draft answer is submitted for approval.

Government grants to teachers.

* 188 Q.—SRI K. T. KOSALARAM: Will the Hon. the Minister for Education be pleased to state—

(a) whether the Government are giving grants to the teachers employed in private management schools on the revised scale of pay sanctioned by the Government; and

(b) if not, whether the Government propose to give such grants in future?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“(a) & (b) Teachers employed in aided elementary schools are given grants calculated on the revised scales approved by the Government.”

SRI K. T. KOSALARAM:—“Are the Government aware, Sir, that there is much difference between the salary of teachers under District Boards and that under private managements, and if so, why?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“That does not arise out of this question. But all the same, I would like to give the hon. Member this information that there are two different rates of salary, one for aided school teachers and the other for teachers under District Board agency.”

SRI K. ANANDAN NAMBIYAR:—“Are the Government aware, Sir, that several elementary schools in Malabar have been closed due to want of funds for paying increased rate of salary to elementary school teachers?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“No, Sir.”

DR. M. J. SAMUEL:—“Have the Government received any representation from private managements as regards their inability to pay the revised scales of salary to their teachers?”

Legislative Assembly Question.

Aided Ele. Schools Payment of grant - Papers recorded.

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“Yes, Sir, certain managements have represented that they will not be able to pay. But we have asked them to pay.”

DR. M. J. SAMUEL:—“Will the Government consider the desirability of waiving this rule in regard to missionary managements?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“I think this rule applies also to institutions under missionary management.”

SRI S. NAGAPPA:—“May I ask the Government whether these aided elementary school teachers have been satisfied with the revision of pay?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“I am afraid everybody wants more money; there is no question of satisfaction with anybody in this country.”

SRI N. S. VARADACHARI:—“Will it be made a matter of policy with every private management that the first charge on its resources should be the payment of proper salary for the teachers?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“I am not able to understand the hon. Member's question, because Government have no control over the funds of aided elementary schools.”

SRI K. T. KOSALARAM:—“Are the Government aware that teachers in industrial schools are in no way better than these teachers, and may I know whether the Government propose to give them also this benefit of revised salary?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“I am afraid this question does not arise here.”

SRI K. A. NACHIAPPA GOUNDER:—“In order to avoid these difficulties have the Government got any idea to take over all elementary school teachers under their control?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“That may lead to greater difficulties.”
