Independence Day - Celebration - supply of sweets to schools - expenditure
Double payment - further report submitted.
Board's Ref.C.7783/47-1 dt.28-8-47.
My Ref.D.1.4420/M47 dt.14-10-47.

I invite Board's attention to my report quoted above. The circumstances under which the double payment referred to in my report quoted above happened to be made are explained below.

On receipt of Govt's orders to supply sweets to school children at rate of 1 anna per child, I issued orders to the Tahsildars and Dy. Tahrs. in this district to make necessary arrangements for the supply to all schools except Labour schools in their respective jurisdictions. I also instructed the Dt. Labour Officer, Calicut to make similar arrangements in respect of Labour Schools. But the Tahsildar, Calicut supplied sweets to some labour schools also in spite of the instructions issued from this office. The Dt. Labour officer also issued sweets to two of the schools viz. Palay School, Paimbra School to which the Tahsildar had supplied without knowing about the supply made by the Tahsildar. Thus a double payment of Rs.13-8-0 happened to be made in respect of these two schools. The Tahsildar explains that everything had to be done in a hurry and that on the representation of the teachers of the schools that they had not received supply, he issued sweets to some labour schools also. The Tahsildar ought to have followed the instructions issued from this office and when he made the supply contrary to the instructions he ought to have at least intimated the fact to the Labour officer. But, the Tahsildar Calicut was in charge of several urgent items of work connected with the Independence Day Celebration and he was very busy at that time. The mistake was committed as everything had to be done in a hurry. The amount of double payment is small viz. Rs.13-8-0 and the amount was actually spent for supply of sweets to children of the two schools though the rate prescribed by the Govt. was exceeded. In these circumstances I recommend that the excess payment amount of Rs.13-8-0 paid by the Tahsildar may be sanctioned.

For Secretary.

16/8/48 The expe. has been incurred last year & would have been debited to the contingencies of the schools concerned. The question of adjusting the expe. in 1948-49 would not arise.

Para 2 ^{of the order} may be omitted.
