Training Schools etc., by Sri K. Ananda Nambiar, M.L.A.

Ref: Government Memo No.77092 C1/47-1 Dn dated 6th October '47.

I have the honour to submit the following information

(a) Steps that are being taken by the Government and that are proposed to be taken by the Government to attract the best type candidates for Teachers' Training Schools.

With effect from 1946-47 Government have enhanced the rates of stipends paid to Secondary and Elementary grade trainees to Rs.18 and Rs.12 per mensem respectively. The question of granting stipends to students undergoing training for B.Ed. or B.T. degrees is also under the consideration of Government.

(b) How many managements have been given extension of time by the Director for implementing the G.O.1154 dated 5.6.47:-

Particulars regarding the number of managements which require extension of time for implementing the orders of Government have been called for from the subordinate Officers and the particulars are awaited from some of them. No orders have therefore been passed by the Director granting extension of time and hence it is not possible to give any specific information at present as to the number of managements that have been given extension of time. I may however state in this connection that almost all the managements are asking for extension of time.

without the information, the Director may perhaps be asked to furnish it as soon as it becomes available. ~~for orders~~ ~~H. M. (Ed.)~~
