DRAFT ANSWER.

Handwritten: 23/3, 3

(a) It is presumed that the question relates to
aided secondary schools. Expenditure on payment of
salaries as fixed in the revised scales will be taken
into account for purposes of assessment of teaching
grants.

(b) Managements of aided secondary schools were
advised to adopt atleast the revised scales of pay
fixed for teachers in secondary schools under local
bodies from 1-1-47. In cases where the managements
have not so adopted the revised scales, the Govt.
have decided to insist on the revised scales being
adopted from 1-6-47.

(c) No. The Govt. have since also
ordered that even in
cases where the managements have allowed advance in-
crements in the revised scales of pay adopted by them
according to the principles laid down for the grant
of such increments either in the Govt. scales or the
local bodies' scales, the expenditure incurred on
payment of salaries as refixed in the revised scales
will be taken into account for purposes of ^{assessment of} teaching
grant.

(d) No. To enable the managements to meet the
additional expenditure involved in the adoption of the
revised scales the Govt. raised the basis of assessment
of teaching grant from one half to two thirds of the
approved net cost from 1-6-47.

(e) No. representations have been received
after the order in (c) were issued.

rules from out of their own private resources.
In June 1947, the Govt. further revised these scales of grant and directed that managements of schools should allow a minimum pay of Rs. 30 per. to a higher elementary grade teacher and Rs. 10 to a secondary grade trained teacher, the grant being supplemented to the extent necessary from the private resources of the management. Similarly, the Govt. also directed that managements should pay a minimum of Rs. 20/- to a lower elementary grade teacher. In ~~the~~ the D.P.S. was authorized to grant extension of time, in suitable cases, for the managements to implement these orders. But as no of managements pleaded their inability to pay the supplementary grants and threatened closure of their schools, the Govt. have in G.O. 247 Edn. dated 14-2-48, directed that the provision for contribution by managements need be enforced only in cases where they are in a position to make the payment and that where they are not able to pay, exemptions may be given.

Secondary Schools. Please see item (iv) in G.O. 1154 Edn. 5.6.47. The Govt. have decided to insist on managements of aided Secondary Schools adopting at least the revised scales of pay fixed for teachers in secondary schools under local bodies with effect from 1.6.47 and with a view to enable managements to find the funds required for meeting the extra cost involved, they have raised the basis of assessment of teaching grants from one-half to two-thirds of the approved net cost. In the case of those managements which have not adopted the revised scales of pay

Clause (a) & (b) of the revised scales of pay will be taken into account for assessment of grants to be made by the Govt.

the teaching grant will continue to be assessed on half the net cost basis as before.

Clause (b).

In G.O. 975, Edn., dated 10-5-47 the Govt. laid down the revised scales of pay for teachers employed in secondary schools under local bodies and advised the managements of private aided secondary schools to adopt at least the scales of pay laid down for teachers in secondary schools under local bodies with effect from 1-1-47, the date on which the scales of pay for teachers under local bodies have been given effect to. With a view to enable the managements ~~the~~ to find the funds required for meeting the extra cost involved, the Govt. raised the basis of assessment of teaching grants from one-half to two-thirds of the approved net cost and insisted on all managements of aided ~~secondary~~ schools introducing at least the scales of pay fixed for teachers in schools under local bodies with effect from 1-6-47. It may, however, be noted that no definite information as to from which date the managements of aided secondary schools have adopted the revised scales of pay is available.

Clause (c).

The Govt. have not withdrawn the assurance given to managements that the expe. on payment of salaries as fixed in the revised scales will be taken into account for purposes of assessment of teaching grants. On the other hand, they have since ordered that if managements have allowed advance increments to teachers employed in secondary schools under their control, the expe. incurred on such advance increments ^{either in the scales for local bodies or in the Govt. service} will also be taken into account for purposes of assessment of teaching grants provided such weightage ^{of} advance increments ^{has} have been allowed according to the principles laid down for the grant of such advance increments in the case of Govt. servants.

Clause (d).

It is with a view to enable the managements to meet the additional expe. involved in the adoption of revised scales,

the Govt. have raised the rates of assessment of teaching grant from one-half to two-thirds of the approved net cost from 1-6-47 as stated under clause (b) above.

clause (e).

No representation has been received from any of the managements in this respect.
