Secretary, E. & P. H.

Please see herewith the syllabuses framed for the Rural Colleges. Two syllabuses have been framed, one for men and the other for women. It has been framed for the four languages. A Sub Committee was appointed for the purpose with Sri G. Harisarvothama Rao, Sri M. Satyanarayanan, Sri Sachithanandam Pillai, retired D.E.O., Mrs. Lakshmi Ammal, Mrs. P. Parijatham Naidu and Mr. Vilva Roy, Adult Education Officer. Mrs. Parijatham Naidu was the convenor and she has submitted the syllabuses. I think they may be approved for the purposes of the Rural Colleges. It may be added that any changes that may be necessary to be made in the light of experience may be made later on.

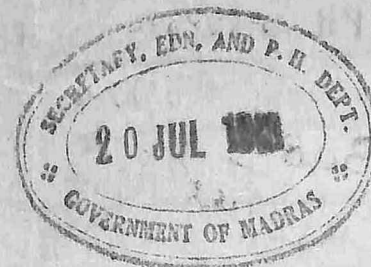

I think we may take up three rural colleges for men and three rural colleges for women to be conducted by Govt. The Women's Welfare Dept. may be asked to select the three colleges, one in Tamilnad, one in Andhra and another in the West Coast. If necessary, the expenditure for these rural colleges may be met out of the adult education scheme.

The D.P.I. may be asked to make arrangements for the conduct of three rural colleges for men, one in Tamilnad, one in Andhra and another in the West Coast. These may be conducted along with our schools or colleges. The lecturers in Colleges and schools may be utilized for the purpose and the extra remuneration may be given to them. If the Women's Welfare Department want to run these colleges with the help of any of our existing high schools or training schools for women, the Director may be asked to give any help that may be necessary for them.

I shall be glad if these colleges can be started atleast by the 1st or 15th of October.

Please see the minute of H.M. (Edn.) at p1 ante. The syllabuses have since been received from the H.M. A draft order and D.O. ^{are} submitted for approval.

Attention is invited to page 2 of G.O. No 846 Edn. dated 9-4-48. Sanction has been accorded in that G.O. for the opening of three colleges under Govt. and for the grant of recognition ^{and aid} to 20 colleges if opened by private agencies or local bodies. In para 2 of the minute at p 3 ante the H.M. suggests that 6 colleges may be opened under Govt. (three for men and three for women). The cost for the 3 additional colleges may perhaps be met from the provision made for the aid to the 20 colleges to be opened by private agencies or local bodies, the number of ^{men} colleges to be opened by these agencies being ^{limited} to reduced ~~compar~~ ^{control} ~~control~~.
