Madras, 6th August 1948.

Dear Mr. Subramaniam,

58822

May I invite a reference to G.O.Ms.No.1872 Edn., dated 28-7-1948 in which Government have sanctioned the further continuance of one post of temporary Accountant on Rs.140-190 and one Upper Division Clerk on Rs.80-125 and that an additional post of one Accountant and one Upper Division Clerk on Rs.140-190 and Rs.80-125 respectively has not been approved.

2. In my letters No.7.Mis/S.B.C. dated 4-3-1948, 7.Mis/S.B.C. dated 5-5-1948 and No.7-Mis/S.B.C. dated 15-7-1948, I have explained fully the details of work involved consequent on the revision of scales of pay in G.O.No.78, Finance dated 6-2-1947 and G.O.No.916, Fin., dated 26-11-1947. A heavy volume of work created has thrown an extra strain on the Accounts staff of the Press. The preparation of supplemental arrear claims, Acquittance Rolls and their bills are huge tasks and as I have stated already, a special staff is found necessary to cope up with the work involved without dislocating the progress of Service Books arrears and other current work of the Service section staff. There is already a clamour from the employees that the payment of the arrears of pay with reference to revised scales of pay is unduly delayed. To avoid further delay, and without enforcing undue strain on the Accounts section, as there is already pressure of work connected with the Administration Report and Budget figures, I am eager to expedite this work and payment of arrears before I go on Home Leave in November 1948. I would therefore request that you may kindly reconsider the question again for sanctioning one additional Accountant and Upper Division Clerk for a period of 3 months instead of 6 months.

3. I may however state for your information that the temporary Accountant on Rs.140-190 has also been directed by me to undergo training in Commercial Accounts also

in addition to his legitimate current work connected with the revision of scales for fixation of pay and arrear claims etc., and thus part of his time is otherwise diverted. This is due to the fact that the present incumbent of the post of Commercial Accountant of this Press is due to retire by the end of this year and this work is of a technical nature involving guidance and training at the same time an important one for compilation of various statements for the Administration Report, I have considered that some experience of such work is necessary in the interest of office before the permanent incumbent of the post of Commercial Accountant is permitted to retire.

Yours sincerely,

Since March
~~in the month of March~~ 1948, the S.S.P. has been asking for sanction to employ two Accts and 2 N.D. clerks to attend to the work relating to the fixing of pay and granting arrear salary under the orders in G.O. no 787 in 6.2.47

and G.O. no 9167 in dated 26-11-47. The Govt. however considered that one Acct and one N.D. Clerk would do for the work and sanctioned their employment. The present sanction is for 6 months from 10-8-48. The S.S.P. has also been asked to finish the work within this period - vide G.O. no 1872 E.O. dated 28-7-48. The S.S.P. has now stated that it is ~~not possible~~ there is a clamour from the employees for arrears of pay and that there would be delay in payment unless an addl. Staff of one Acct and one N.D. Clerk is sanctioned for at least 3 months. He is anxious to finish his work before he proceeds on leave in Nov. 1948. In the circumstances stated, the order in G.O. no 1872 E.O. dated 28-7-48 may be modified and the Staff sanctioned therein may be for 3 months from 10-8-48 and the addl. Staff now asked for may be sanctioned for 3 months. Finance may see for remarks.

It is by the way that the workers are already getting arrears of pay and are already getting arrears of pay.

FIN (E.O.)

The proposal at M alone may be accepted subject to its being made clear in the

9/3/8

orders to be issued that the work should be finished
within that period.
Two months only need be allowed.
It is largely the S.G.P.'s own
fault that the matter of new pay scales
has been complicated. He ~~set~~ kept on making
new proposals though his original ones were
accepted in toto. No other office has had to have
special staff for this purpose.

period of 2 months, of the existing staff of one
Accountant and one Head-clerk and to the employment
of one Accountant and one Head-clerk, in addition for
the same period. It is for orders whether the proposal
of Finance will be accepted.

A draft order is submitted for approval.
