SUB:- EDUCATION - Elementary - Establishment - Supervisors of Boys and Girls' schools - Revised scales of pay - Date of effect and grant of advance increments.

REF:- From the Commissioner, Madura Municipality, No.C.3-11192/48, dated 6--5--1948. Endorsement of the D.P.I., No.1715 B2/48, dated 14--6--1948.

Last year, the Government issued general orders regarding the revision of scales of pay of teachers in elementary and secondary schools under local bodies. Similar orders for employees other than teachers under local bodies were issued in L.A. department. Orders have also been passed allowing advance increments to employees of local bodies in the revised scales of pay.

2. In January, 1948, the Govt. issued instructions regarding the revised scales of pay to be allowed to supervisors under Municipal Councils. The Commissioner Madura Municipality, enquires whether the orders can take effect from 1--1--1947 as has been done in the case of other employees. The D.P.I. apparently holds the view that the revised scales of pay for supervisors may be given effect to from the date of the G.O. In some cases Municipal Councils were permitted to continue secondary grade or L.T. teachers as supervisors as the criterion ^{newly provided} regarding number of other schools and teachers was satisfied. In some cases Municipal Councils were asked to convert the post of supervisors in the secondary grade scale into L.T. scale. In the case of former class of Municipal Councils the revised scales may be given effect to from 1--1--1947 itself. In latter class of municipalities the revised scales may take effect from the date of G.O. 7725 (10-1-48) or date of a/ppt.

3. The Commissioner, also enquires whether supervisors are eligible for advance increments in the revised scales of pay. The D.P.I. has not made any specific recommendation on this point. It seems desirable to allow advance increments in the revised scales of pay.
