FROM

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS
THE SECRETARY TO THE GOVERNMENT OF MADRAS,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, MADRAS.

R.O.C.No.2306-E4/48 dated 14th August, 1948.

MADRAS EDUCATIONAL SERVICE---Continuance of the post of the Special Officer in the office of the Director of Public Instruction for the revision of the Madras Educational Rules, Grant-in-aid Code etc.

Sanction accorded in G.O.No.368-Education dated 25.2.1948 for the post of the Special Officer in my office expires on 31.8.1948. There is a definite need for the continuance of the post of the Special Officer and of additional staff sanctioned in the G.O. for further period of 6 months from the date of expiry of sanction for the reasons given below:

1. Due to heavy work on reorganisation and instructions and propaganda on implementing the scheme, the Special Officer was not able to find time to work on the production of guide books of which only one is now ready for release, the second ready for the press and the third under preparation and more may be required to be brought out; revision of M.E.R., Grant-in-Aid Code and Inspection Code. These departmental rules need complete revision as most of the rules contained therein have either become obsolete or have been amended. On 8th of June last, the Special Officer on the advice of the Director interviewed the Hon'ble Minister for Education and explained to him the need for further extension and the Hon'ble Minister (Education) instructed that the Director of Public Instruction may be requested to apply to Government for further continuance of the post before sanction expires.

2. Correspondence is in progress with Government for the publication of a departmental bulletin. Until it is placed on normal footing, a specially experienced Officer has to attend to it. As having done similar work in the past and being in charge of guide books, Sri T.P. Senthakrishna Naidu as Special Officer will be the most suitable person for the work.

Sanction may also be accorded for the grant of a conveyance allowance of Rs. 75/- per mensem to the Special Officer subject to the condition that he maintains a car.

Early orders are awaited as the term of the Special Officer expires on 31st August 1948.

Yours faithfully,

[Signature]

For Director of Public Instruction.

Problems in the field are
often caused by lack of
information and proper
planning. It is essential
to have a clear understanding
of the situation before
acting. This is especially
true in the case of
emergencies where time
is of the essence. The
first step is to assess the
situation and determine
the nature and extent of
the problem. This may
involve gathering information
from various sources and
consulting with experts.
Once the situation is
understood, a plan can
be developed and
implemented. It is important
to remain flexible and
be prepared to adjust the
plan as needed. Finally,
it is essential to
communicate effectively
with all parties involved
to ensure that everyone
is working towards the
same goal. By following
these steps, it is possible
to solve even the most
complex problems.
