I suggest that Lt.Col.S.Paul, Professor of Mechanical Engineering of this College, may hold additional charge of the post of Principal during my absence.

To
The Director of Public Instruction,
MADRAS.

Sir,
Sub: Request for leave to go to Patna in connection
with the starting of a College.

====
In modification of my leave application dated 16th January 1948, I request that leave may be granted to me from 2nd February 1948 to 20th February 1948, with permission to avail of the holidays on Saturday, the 31st January, Sunday, the 1st February and Saturday the 21st February and Sunday the 22nd February.

My reasons for applying originally for leave in the month of February and making it still earlier are, firstly, the Government of Bihar wish to start their new College from July 1948 and I feel that whatever help that I could render, should be given as early as possible. As a matter of fact, I have received the following telegram from Patna yesterday.

"PLEASE EXPEDITE VISIT AND WIRE DATE ARRIVAL IN PATNA".

Secondly, I wish to see the Regional Commissioner (Disposals), Calcutta in connection with machinery worth about Rs.4/- lakhs and Telecommunication equipment worth about Rs.2/- lakhs, which have been ordered for our Engineering Colleges from surplus military stores under him. Most of these have been frozen by the Government of India and I must discuss with the Regional Commissioner ways and means of getting our articles released. I have just heard from the Director General (Disposals), that two of the machine tools in our order have been stolen, and although we do not have to pay for these, I am afraid that quite a lot of machine tools may disappear in a similar manner unless some urgent action is taken. It is therefore desirable that I should see the Regional Commissioner (Disposals) as early as possible.

It is with these considerations that I think it desirable to go even earlier than I had indicated in my application of 16th

January and I request that leave may please be granted to me from 2nd February 1948 to 20th February 1948 with permission to avail of the holidays on Saturday the 31st January and Sunday the 1st February and Saturday the 21st and Sunday the 22nd February 1948.

I may have to stay in Calcutta for two or three days, as I have also to arrange with some firm for packing and transporting the machinery and equipment ordered from the surplus military stores. I would also have to visit Depots ~~where~~ where the surplus stores are stored. I therefore request that I may be sanctioned daily allowance during my stay in Calcutta and taxi charges that I shall have to incur.

It might be said that it would be more convenient to grant me leave during the summer vacation. In that case I would submit that I usually have more work during the vacation and do more useful work during that period than I do during the session. It would therefore be less detrimental to the interests of the College if I take leave now instead of in summer vacation.

I have the honour to submit herewith the letters dated 16th and 19th January 1948 from Dr. J.J. Rudra, Principal, College of Engineering, Guindy wherein he has requested that he may be permitted to undertake the work offered by the Government of Bihar in connection with the starting of a new Engineering College at Sindri, and to accept the remuneration therefor. As this proposed work will require his absence from headquarters for about a fortnight, he requests that he may be granted leave from 2-2-1948 to 20-2-1948 with permission to avail himself of the holidays on the 31st January 1st February and 21st and 22nd February 1948.

2. I recommend that Dr. J.J. Rudra may be permitted to undertake the work offered by the Government of Bihar and the remuneration to be paid therefor. He may be granted leave with effect from 31st January 1948 to 20th February 1948 (both days inclusive) with permission to affix the public holidays on 21st and 22nd February 1948 to the leave.

3. As it would be in the interests of the Government of Madras if Dr. Rudra takes this opportunity to visit Calcutta to inspect and arrange for the early despatch of the surplus Military Stores, I recommend that he may be allowed Daily Allowance for the period of his stay at Calcutta as a special case. His request for the grant of taxi charges at Calcutta is not recommended.

p.t.o.

4. If the Government are pleased to grant the leave recommended, I request that Lt. Col. S. Paul, Officiating Professor of Mechanical Engineering, may be placed in full additional charge of the post of Principal, College of Engineering, Guindy, during the period of Dr. Rudra's absence on leave, and granted a charge allowance equivalent to one-fifth of his substantive pay, subject to the condition laid down in Subsidiary Rule 2 under F.R. 49.

I have the honour to be,
Sir,
Your most obedient servant,

S. Paul
for DIRECTOR OF PUBLIC INSTRUCTION.

I am herewith enclosing a copy of the D.O. that I received from the Secretary to Government Development Department and Employment Department of the Government of Bihar, requesting me to go on to Patna for at least a fortnight to advise the Government of Bihar on site, plans, estimates etc., of the College of Mechanical and Electrical Engineering, which they are proposing to start.
