TO

The Secretary to the Government of Madras,  
EDUCATION AND PUBLIC HEALTH DEPARTMENT,  
FORT ST. GEORGE, MADRAS.

SIR,

In G.O.Ms.No.2060, Education, dated the 25th September,  
1947, Government accepted my proposal to exclude the temporary  
establishment in my office from the operation of the service  
rules for a further period till the end of June, 1948. The  
reasons for which the exemption was sought for hitherto still  
hold good, as candidates from all communities, who are eligibl  
for public service are still scarce. It has, therefore, becom  
necessary to appoint at least holders of completed Secondary  
School Leaving-Certificates from among the candidates of the  
several communities, who seek appointment as temporary clerks  
in this office, as the several items of work connected with  
the Government Examinations, which have to be got through wit  
the aid of the temporary clerks cannot be postponed. The  
temporary clerks, who used to be appointed from October

P.T.O.-.

As June and September will be very busy months for this office in connexion with the publication of the results of the S.S.I.C. Examination of March and the actual holding of the supplemental examination in September, I request that the period of exemption from the operation of the service rules for the temporary staff of my office may be extended till the end of October, 1949. Proposals for the issue of rules for the recruitment of the temporary staff will be submitted by the end of September or early in October, 1949.
