Dear Mr. Chettiar,

In G.O. No. Ms. 1745 Education dated 14th July 1948 the Government were pleased to sanction a grant of Rs. 3500/- to the Hindustan Scout Association for meeting its expenses for the current year till the amalgamated Association begins to function. I thank you very much for the same. Luckily for us the amalgamated association is to come to existence from 1-10-48 and the present Hindustan Scout Association will have to function and discharge its duties till then. This makes the working of this association as a separate entity for the full six months during the year and as such we are eligible for 50% of the usual allotment of Rs. 10500/- made for the Hindustan Scout Association. Owing to the impending merger we are not able to collect the subscriptions etc. as we could not ordinarily do, and further we have to settle all our commitments before the merger. We are hard up for funds to continue our activity. Therefore I would suggest that you may be pleased to order for the balance of Rs. 1750/- out of the 50% out of the allotment of funds to us. Out of the other 50% you may set apart funds for continuing the Special

This is an application from Sri K.A. Nachiappa Gounder, Provincial Commissioner of the Hindustan Scout Association, requesting that the 6 months grant may be paid i.e., half the grant allotted to them may be paid to them since they function separately for six months. We have ordered that 1/3rd of the grant allotted to be paid to them and I understand that the payment has been made. The grant for the other two months, Rs.1,750 to make up the 50% out of the allotment of funds may be paid to them.
