Copy of extract from the letter of the Principal, Presidency College, Madras, dated 14th June 1948 RC.414/47 to the Director of Public Instruction, Madras.

I have the honour to state that on asking the Superintendent, Government Press, whether he could undertake the binding work of this college for the year 1948, the Superintendent replied that, owing to pressure of work, he could not do so and asked me to call for competitive tenders and forward them to him. This was accordingly done and the Superintendent has approved of the rates quoted by Messrs. Jaya and Co.

I am giving below the number of books and journals to be bound this year. Only books which are important and those in frequent use have been selected for binding by the departments concerned. The cost of binding the books and journals mentioned below comes to about Rs.2350.
