R.C. NO.1142/K.2/46, Dated 9th August 1948.

SUBJECT: COLLEGES - Government College, Kumbakonam -
Employment of an additional Assistant
Lecturer in Psychology from 1948-1949.

In Government Order No.1895 Education dated

1st October 1946, the Government sanctioned the opening of a
Course in Psychology under Part III of the Intermediate course
in the Government College, Kumbakonam, from the academic year
1947-1948. While granting further affiliation of the College,
in the new course, the University stipulated the employment
of an Assistant Lecturer or a Tutor from the Academic year
1948-1949.

2. At present there is only one Assistant
Lecturer in the College teaching both Psychology and Logic in
the Intermediate classes. The number of students offering
Psychology and Logic in the Intermediate classes during the
current academic year is 288 (i.e. 162 in the Junior class
and 126 in the Senior class). There will be 16 hours of
lecturing work besides the ~~correction~~ correction of 288 note books
per week. The correction work will be equivalent to 19 hours
of lecturing work. As it will be impossible for one member
to manage the entire work, the Principal requests sanction for
the employment of an additional Assistant Lecturer in Psychology
during the current academic year. He states that the employment
of a Tutor cannot ease the strain on the existing Assistant
Lecturer as under the rules of the University a Tutor can
be given more than two hours of lecturing work.

In the circumstances, I consider it desirable to employ an Additional Assistant Lecturer so that both the lecturing and correction work can be distributed equally between the two Assistant Lecturers. I therefore, recommend sanction for the employment of an assistant Lecturer in Psychology in the College during the current academic year.

I request the favour of very early order.

YOURS FAITHFULLY,

FOR DIRECTOR OF PUBLIC INSTRUCTION.
