Re. No. 817 J/48

dated 13-8-1948

Sir,

SUB:- COLLEGES - Government Colleges - Printing of
Library Catalogues.

I have been receiving requests from Principals of Colleges permission to print College Library Catalogues. When I addressed the Superintendent, Government Press, in the matter, he said that owing to heavy pressure of work, the printing of the Catalogue could not be undertaken.

2. The printing of Library Catalogue was suspended due to scarcity of paper during the time of War and the suspension has been in force for a long enough time and the Govt. Colleges have suffered a setback in this regard. The Library Catalogue is very necessary to students to refer to and to select books for study and its printing can no longer be postponed.

3. I request that as in the case of College Calendars (vide Govt. Memo No. 29605.A/48-2 Edn., dated 6-7-48) the Principals of Colleges may be permitted to entrust the printing of Library Catalogue to private presses instead of the Govt. Press. The price of the Catalogue will, however, be so fixed that the Government are not put to any loss on this account.

Yours faithfully,

C. Sankaran 14.8.
