In continuation of my letter R.O.C.No.1284 E2/48 dated 3rd August 1948 to Government recommending that permission may be granted to Dr.G.F.Andrews, Chief Inspector of Physical Education to serve as a member of the Government of India Physical Education Committee, I recommend that he may be permitted to visit Sevagram, Wardha and stay there for 5 days from 11th September 1948 on his return journey from New Delhi, so that he could study the system of Physical Education followed in the Basic Training School there. I also enclose herewith for reference a copy of the letter from the Chief Inspector of Physical Education requesting permission to visit Wardha.

Copy of letter R.O.C.No.306/48 dated 13-8-1948 of the Chief Inspector of Physical Education, Madras to the Director of Public Instruction, Madras.

Sub: Basic Education-Physical Education-Syllabus for Basic Education Training Schools - Basic Schools - Suggestions called for.
REF: 1. Director's C.No.179-M/48 dated 24-6-48.
2. My RC.No.306/48 dated 3-7-1948.

In the above Proceedings the Director has asked me to study the requirements of Basic School children and the trainees in the Basic Training School in the field of Physical Education and to submit suggestions regarding any modification in the physical education syllabi for Basic Training Schools and Basic Schools in consultation with the staff of both the schools.

I have already submitted that I will take up this question in September 1948.

It so happens that I expect to be at Nagpur on the 3rd and 4th September to attend the meeting of the Provisional National Council of the National Association for Physical Education and Recreation and at New Delhi from 6th to the 9th September attending the meetings of the Government of India Physical Education Sub-Committee and Committee meetings.

Wardha is the centre from which Basic Education has emanated and I understand that the system followed there is on the lines approved by Mahatma Gandhi. A visit to Wardha and a study of the physical education aspect of the Basic Education Scheme at Wardha may help me to understand the subject fully and to discuss it intelligently at Periyanaickenpalayam.

I request therefore permission to halt at Wardha on my return journey from New Delhi from the 11th to 15th September to visit the Basic Training School and Basic School there and to study and discuss the subject with the authorities there. I propose to visit Periyanaickenpalayam between 21st and 28th September.

If my request is approved, the authorities at Wardha may be kindly informed of my visit officially.

Requesting urgent orders.
