Office of the
Director of Public Instruction,
Madras: Dated 4th November 1947.

From

Dr. S.R.U. Savor, M.A., D.Sc.(Lond), I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department,
Fort St.George, Madras.

Sir,

SUB:- Conference = Indian Science Congress Session
to be held at Patna in January 1948 = Permis-
sion to Sri T.N.Muthuswami Iyer, Professor of
Geology, Presidency College, Madras to attend
the conference = Grant of:

87889

I have the honour to state that Sri T.N.Muthuswami Iyer, Professor of Geology, Presidency College, Madras reports that he is taking part in the discussions of the Geology Section of the ensuing session of the Indian Science Congress to be held at Patna in January 1948 and requests that he may be permitted to attend the session as on duty and grant him travelling allowance and daily allowance for his journey from Madras to Patna and back as per Madras Travelling Allowance Rules.

2. Kind attention is in this connection is invited to G.O.No.MS.2423, Education, dated 18th December 1946 permitting Sri T.N. Muthuswami Iyer to attend the last session of the Indian Science Congress held at New Delhi as on duty and granting him a single Railway fare of the class to which he is eligible as per Madras Travelling Allowance Rules for his journeys from Madras to New Delhi and back. Since the participation of Sri T.N.Muthuswami Iyer in the discussion of the Congress will be of much use to the Geology Department of the Presidency College, I recommend that Government may be pleased to depute him to attend the ensuing session of the Congress at Patna in January 1948 as on duty and grant him travelling allowance and daily allowance as per Madras Travelling Allowance Rules.

3. In this connection, I have the honour to state that in G.O.No.4701. Development, dated 26th December 1946, Govern- ment permitted three officers of the Department of Industries and Commerce to attend the last session of the Indian Science Congress held at New Delhi and draw travelling allowance in- cluding daily allowance.

Edn. & P.H. Dept.(A).

The DPI's recommendation at & above may be

accepted. Attention is here invited to the notes on p.6 of "t", which led to the decision to change the practice in regard to sending officers to conferences of this type. Though the officer is not reading any paper at the Conference, it is stated that he is taking part in its discussions.

He was granted last year

2. He was granted last year only a single to and fro railway fare to New Delhi. In the same year some officers of the Fisheries Dept., however, were permitted to attend the Congress at "State expense", i.e., apparently they were eligible for daily allowance also. There is no justification to treat the officers of the same Govt. differently. The concession given to the Fisheries Dept. servants may be allowed to Sri Muthuswami Ayyar this year.

3. Fin. may see before circn.

Attention is invited to the notes of Fin. on pp 6-7 of the above. The question of extending the concession referred to at K above was negatived last year. Please see the notes of Devt. from X on p 7 of the. There is no case now to extend the same concession this year in the absence of any new grounds; it may also be stated that there are cases where lecturers were permitted to attend the Indian Science Congress at their own expense. In the circumstances Finance may advise that Sri T.N. Muthuswamy ayyar may be allowed the same T.A. as was done last year.

In this connection I have the honor to state that in S.O. No. 4701, Development, dated 26th December 1946, officers of the Department of Industries and Commerce to attend the last session of the Indian Science Congress held at New Delhi and draw travelling allowance including daily allowance.

Attention is invited to the notes of Fin. on pp.6-7 of the of "t". The question of extending the concession refd. to at K above was negatived last year. Please see orders in circn. at X on p.7 of the. There is no case now to extend the same concession this year in the absence of any new grounds; it may also be stated that there are cases where lecturers were permitted to attend the Indian Science Congress at their own expense. In the circs., Fin. may advise that Sri T.N. Muthuswamy Ayyar may be allowed the same T.A. as was done last year.

Edn. and P.H. Dept.(A).

Fin. have not offered any remark on ~~and much less given any reason to counter~~ the consideration at S above which weighed with this dept. in recommending the grant of daily allowance also to Sri Muthuswami Ayyar, in addn. to to and fro railway fare. Further, the fact, stated by them, that the requests of certain officers to attend such conferences at their own expense were complied with, cannot be brought in as a justification to reduce the allowances proposed to be granted to an officer whose deputation, the Govt. consider, would be in the public interest. It is therefore ~~at~~ for orders whether this Dept. may press the acceptance of the D.P.I.'s recommendation in toto.

May be circd. to H.M. (Edn.) and H.M. (Fin.).

This sort of making differentiation in treating officers of two departments under the same circumstances is bound to create heartburning. We may press this because it is only mere justice.

This is an old case and need not be pressed.

Varsity Professors when they attend conferences, I think, meet their own expenses even Railway fare.

It is not to enlarge their knowledge and not add to the Dept.

They ought to keep a minimum up-to-date knowledge in the subject.

The file may be re-circulated 1/12
to Mr. (Sd/-) (the instruction of Mr. (Sd/-) seems to be that even by Mr. (Sd/-) must be done in the last session).
