Sir,

With reference to G.O.No.Ms.941, Education, dated 21-4-48 approving the proposal for the conduct of the Pandits' Training Examination in 1948 and for the award of certificates to successful candidates, I have the honour to state that the examinations for the Pandits who underwent training at Rajahmundry and Mangalore were conducted by the Principals of the concerned colleges and their results were published by the Secretary to the Commissioner for Government Examinations, Madras. I may state in this connection that my original proposal was not to levy any fees from students and not to pay anything for the examiners. By the time the orders of Government reached me, the examination was over and the students

dispersed to their homes. It is rather difficult to collect any examination fees at this stage. As no expenditure was involved I recommend that no fees need be collected from the students who appeared for the last examination.

I recommend the following scales of fees and rates of remuneration to the Chief Examiners with effect from the examination of 1949:--

Fee for the Examination.	Rs. 10
Setting a question paper of 3 hours duration	50
Valuing answer papers - 3 Hours duration	annas 12 for a paper.
For translating question papers.	Rs. 8 per paper.

Yours faithfully

Sir,

I have the honour to state that if my proposal to levy fees from candidates and pay remuneration to the examiners referred to in my letter, R.C. No. 148C/48, dated 10-7-'48, is accepted this examination will not only be self-supporting but yield a saving of about Rs. 500/-, the cost being worked out for 100 candidates as in the annexure. The savings or loss entirely depends on the number of candidates appearing for the examination. The expenditure on supply of stationery articles and printing of question papers has not been taken into account.
