Sir,
Elementary Education - Building Fund Grant - Applica-
tion by the Anjuman-e-Himayath-e-Islam, Madras

I invite reference to your R.O.C.No.463 C/46 dated 1-11-1946 communicating a copy of the Proceedings of the Director of Public Instruction, Madras, R.O.C.No.7211 B6/46 dated 20-10-1946 and my reply thereto dated the 11th November 1946 and state that as a result of my interview with the Hon'ble the Minister for Education on the 31st August 1948 the scheme of constructing the Orphanage Buildings referred to in my letter of the 23rd March 1946 amounting to over 12 lakhs of rupees has since been modified. At present only the construction of Hostel for Boys will be taken up and the Foundation Stone of this building has already been laid by His Excellency the Governor General of the Indian Union on the 24th August 1948. The estimated cost of constructing and furnishing the building is about Rs.5 lakhs. The Hon'ble Minister with whom I had an interview yesterday has desired that our application for the building grant be renewed only in respect of the construction of the hostel building.

I accordingly submit this application for the half grant for constructing the hostel building the plans of which have already been sent to you with my letter of the 23rd March 1946 - Plans Nos. 5 & 6. I request you to kindly forward this application with the least practicable

SUBMITTED.

2. In 1946, the Correspondent, Muslim Orphanage, Madras, had submitted an application for building grant for the construction of buildings for the orphanage viz. School buildings for boys, Hostel building for boys, work shop shed, Hospital buildings, a mosque, Superintendent's quarters, quarters for menials, school building for girls, Hostel building for girls, construction of compound walls, sinking a well and constructing a pump room and providing an electric motor installations, Drainage connections and septic tank roads, playfields etc. at a total estimated cost of Rs.12.5 lakhs. It was considered that the question should be deferred till the prices of building materials went down and that Government would not be committed to such large grants as the above schemes implied.

The Correspondent has now renewed the application stating that at present it is proposed to construct a hostel for boys only at an estimated cost of Rs.5/- lakhs.

As this scheme cannot be considered as one coming under 'Elementary schools' and admitted by the Director and in view of the facts stated in the last sentence of para 1 of the Honorary's Secretary's letter dated 1.8.1948, I submit the application for the orders of Government. I may also state in this connection that the Joint Consulting Architect to Government has not yet been consulted in the matter in regard to the plans and estimates and this will be done after the receipt of Government orders.

delay to the Hon'ble Minister for according sanction for the half grant applied for.

As the Foundation Stone has already been laid and the need for such a building is keenly felt to accommodate the boys in a bigger building I request you to kindly obtain orders for allowing us to proceed with the work in anticipation of sanction by the Government.

I may add that three copies each of the estimates and plans have already been submitted to you with my letter dated the 23rd March 1946.

Awaiting an early favourable reply.

Yours faithfully,
