OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS, dated 26.4.48.

From

Sri D.S. Reddi, M.A. (Oxon),
Director of Public Instruction,
M A D R A S.

To

The Secretary to Government,
Education and Public Health Department,

Sir,

SUB: WAR - Further Education and Training of demobilised
personnel - Educational concessions to ex-service
Medical Licentiates reading in the Lake Medical
College, Calcutta.

REF: G.O.No.Ms.594 Edn., dated 20-3-48.

With reference to para 2(1) of the G.O. cited above,

I have the honour to state that the Further Education Board
at its meeting held on 5.4.48 agreed to the increase in the
rates of maintenance allowance to the exservice Medical
Licentiates reading in the Lake Medical College, Calcutta
at Rs.75 p.m. and I have accordingly revised my previous
sanction orders. I have also cancelled the orders regarding
Tuition and Examination fees and revised my previous orders
as instructed in para 2 of the G.O. referred to above.

2) I submit herewith a copy of the minutes of the
meeting of the Board held on 5.4.48 for favour of approval
of the Government. Orders may kindly be passed on Resolutions
3 and 4 of the Board as early as possible.

3) In subpara (2) of para 2 of G.O. Ms.No.594 Edn., dated
20-3-48, the Government have been pleased to exempt the exservice
Medical Licentiates reading in the Lake Medical College, Calcutta,
from the payment of examination fees. I submit that similar
concession may be extended to the exservice Medical Licentiates
reading in the shortened M.B.B.Sc course in the Colleges of
the Madras Presidency as both the students are similarly placed.
If the suggestion is accepted, I request that Government may
be pleased to modify the orders issued in Government Memo.No.
53438 C-1/47-2 Edn., dated 22.8.47.

4) In Government Memo No.70501 C-1/47-2 Edn., dated 5.1.48
the Government on the recommendation of the Board that for

P.T.O.

for have fixed that for purposes of eligibility for the concessions, the interval between the date of leaving an institution and the date of joining the war service should not exceed one year. The Principal, Medical College, Madras who is a member of the Board, suggested that this restriction need not be made in the case of the 'medical licentiates' of demobilised personnel, because before joining the Defence Services they had to wait for orders ^{about} ^{'Commission'} their eligibility for concessions in the army and it took some time for Government to issue orders. His suggestion was placed before the Board and the Board agreed with his suggestions. Accordingly the students reading in the Madras Medical College and also in the Lake Medical College, Calcutta, who were declared ineligible for the concessions, on account of the above restriction have since been granted concessions.

In view of the decision of the Board on this question, I recommend that Government will be pleased to approve the decision of the Board.

Action will be taken regarding

paragraphs 1 and 2 here in this section. An extract of paragraphs 3 and 4 will be given to the 'medical' (31002) for action, for which the original orders were issued in this section (as a matter of convenience) the subject relates strictly to 'medical'. Since orders re: Further Education Board, are issued in C. Section and as this letter comes from that point it seems that C. Section may note and send the file to Medical Section for further action if any.

WAR -- Further Education and Training of demobilised personnel - Minutes of Board - Orders passed.

From the D.P.I. No. 2222-W1/47, dated 26-4-1948.

The Govt. passes the following orders on the letter cited above and the proceedings of the Further Education Board dated 5-4-1948 received with the letter:--

(1) The resolutions of the Further Education Board that it approves or agrees to, the payment of fees and allowances to the students of the D.T.M. Course in Calcutta, the B.Sc.(Hons.) Nursing Course in New Delhi, and the M.B.B.S. Course in the Lake Medical College, Calcutta, at the rates already agreed to by the Govt. are superfluous, since what the Board is concerned with, is the payment of fees and allowances in individual cases with reference to the maximum rates agreed to by the Govt. and with reference to the financial position of the candidates.

(2) The resolution of the Board that ~~that~~ the maximum rate of maintenance allowance for the students of B.Sc.(Hons.) Nursing Course in New Delhi, should be Rs.75/- p.m. is not approved.

(3) The resolution of the Board that the maintenance allowance for students admitted to the benefits of the Further Education Scheme be paid monthly instead of in a lump sum in advance, is approved.

(4) The maximum rate of maintenance allowance fixed in paragraph 6 of G.O.1167, Edn., dated 12-6-46, will be increased from Rs.30/- p.m. to Rs.40/- p.m. with effect from 1-4-48.

(5) The proposal of the D.P.I. that ex-service licentiates undergoing the shortened M.B.B.S. Course in the Medical Colleges of this Province should be exempted from payment of examination fees is not approved.

WAR - F.E. and Training of ex-service personnel -
Minutes of the F.E. Board.

Please see the letter of the D.P.I. at pp. 1-2 c.f. and the proceedings of the Further Education Board at p.3 c.f. The following remarks are called for:-

1. Resolutions 2(a), 2(b)(1) and 2 (c) at p.3 c.f.: There is no point in the Board saying that it sanctions the payment of fees and allowances, which have already been sanctioned by Government. What the Board is concerned with is the payment of fees and allowances in individual cases with reference to the maximum rates prescribed by Govt. and with reference to the financial position of the candidates. The resolutions are superfluous. Perhaps this may be pointed out to the Board.

2. Resolution 2 (b)(2) at p.3 c.f.:- The present rate of allowance is Rs.180-240 per annum. This was what the Government of India suggested in December 1947. The Further Education Board has now suggested that the allowance should be fixed at Rs.75/- per mensem for each student, if ~~free~~ free boarding is not allowed to such students at present. There is no information whether the rate of Rs.180-240 per annum was fixed with or without reference to this concession of ~~free~~ boarding. In any case, it is a rate which was suggested by the Government of India, and it would seem proper to revise ~~it~~ ^{or} it only if the Government of India ~~is~~ the Principal of the Delhi College points out the necessity for it. The proposal may be negatived. For orders.

P.t.o.

3. Resolution 3 at p.3 c.f.:- This will protect the interests of the student as well as the Government and may be agreed to.

4. Resolution 4 at p.3 c.f.:- Please see paragraphs 2 and 3 of the notes at pp.10-11 N.F. of 'A'. In November 1947, the Further Education Board proposed increasing the maximum rate of allowance from Rs.30/- p.m. to Rs.40/- per mensem. It has now proposed to raise it to Rs.75/- p.m. in the case of city students and Rs.60/- per mensem for mufassal students. Considering that in November 1947, the Further Education Board thought Rs.40/- as adequate, the rates proposed now, do not seem reasonable at all. This department may adhere to the original proposal to fix the rate at Rs.40/- p.m. for city as well as mufassal students with effect from 1947-48, or from 1--1--1948 as may be decided.

5. Paragraph 3 at page 1 c.f.:- The Director of Public Instruction says that, as the Government have in para 2(2) of G.O.No.594, Education, dated 20--3--1948 exempted Madras licentiates studying at the Lake Medical College from payment of examination fees, the ex-service licentiates studying in the colleges of this province also should be exempted from payment of examination fees. It may be mentioned that the Government have not granted any exemption in the case of the Madras students at the Calcutta College, but have only agreed to the payment of the examination fees from the provincial funds, and this was done

provincial funds, and this was done not in para 2(2) of the G.O. at 'A', but in the letter at p/23 c.f. The question of payment of examination fees is set out in some detail below, for there seems to be one or two points which need clarification:-

The Govt. decided in Memo. No.53438 Cl/47-2, Edn. dated 22--8--1947 that candidates having their further education in the Madras colleges should not be exempted from payment of examination fees, for the reason that if they are so exempted, the Govt. would have to incur additional expenditure by way of payment of compensation to the University concerned. This decision is applicable to the ex-service licentiates undergoing the shortened M.B.B.S. course in the Madras colleges. Subsequently, however, when the Govt. recognised the M.B.B.S. Course in the Lake Medical College, Calcutta, the D.T.M. Course in the School of Tropical Medicine, Calcutta and the B.Sc. (Hons.) Course in the College of Nursing, New Delhi, for purposes of the further education of ex-service personnel, they agreed to pay the examination fees of the candidates undergoing these courses. Thus a distinction came to be made in this matter, between ex-service personnel having their further education in the colleges in the province and those having their further education in the colleges outside the province. This distinction appears particularly invidious, when ex-service medical licentiates studying at the Lake Medical College, Calcutta, are paid their examination fees from the provincial funds, while those undergoing the shortened M.B.B.S. Course in the Madras Colleges have to pay the examination fees from out of their pockets. But the matter cannot be dealt with merely by removing the distinction between the licentiates at the Calcutta College and the Madras College, for it seems the Govt. cannot justifiably discriminate between licentiates under-

going the shortened M.B.B.S. in the Madras Colleges and other ex-service personnel who undergo other ~~xxx~~ arts or professional courses in the Madras Colleges. The following three courses seem open to Govt:-

- (1) To pay from the provincial funds examination fees for all Further Education students.
- (2) To ^{stop}~~stop~~-paying the examination fees for the students undergoing the Further Education courses obtaining ~~outside~~ outside the province.

(3) To maintain the status quo .

- (1) above means additional expenditure.
(2) may be followed, if (3) is not favoured.

(Please see the note of E and P. H on pages 1-4 above.)

Finance may agree with the views of E.P.H. in paras. 1, 2, 3 and 6 on pp 1, 2 and 4 above.

2. Para: 4 on page 2 above. E and P. H propose that the maximum rate of maintenance allowance may be increased to Rs. 40/- p.m. from 1947-8. As the year 1947-8 is now closed, Finance may advise that it is sufficient to give the increase with effect from 1-4-1948 - Vide remarks of the previous Finance Secretary on the margin of p. 8 N. F. of G.O. No. 594 Edn. 2, 20.3.48.

3. Para: 5 on pp 2-4 above. In the circumstances explained, Finance may ^{advise} ~~agree with the B.C.H.~~ that the present position in regard to the grant of exemption from payment of examination fees or otherwise, may continue.
