Copy of the letter No. 80/C1/47, dated 9-4-48 from Sri M.P. Narayana Menon, B.A., Chief Inspector of Certified Schools, Madras, to the Secretary to Government, Education and Public Health Department.

Sub: SCHOOLS - Certified - Pupils holdings scholarships -
Admission into aided and Government educational institutions - Orders passed.

Ref: G.O.No.432, Education, dated 4-3-1948.

The above G.O. provides for the admission of the pupils and ex-pupils of Certified Schools, only in Secondary Schools and Aided Schools. There are some ex-pupils ready for College Education, some for Nurses and Mid-wives' training and some for admission in technical schools. My intention is that these pupils should be admitted in all Government and Government aided educational and vocational institutions.

I therefore, request that the expression "Secondary Schools" in the penultimate line in both the paragraphs of the G.O. may be modified by the expression "Educational and Vocational training institutions."

1. The admission of the pupils in question into Colleges is one for consideration in 'A' or 'G3' section, for Nurses' and Midwives' Training in Medical Section and in technical schools in the Development Deptt.

2. The Heads of Departments concerned will, it seems, have to be consulted in the matter before orders are issued. In the circumstances, it does not seem necessary to amend G.O.No.432, Education, dated 4--3--48. The question of admission of pupils of certified schools in the institutions referred to may be considered separately. A copy of the letter in the c.f. together with a copy of this note and the G.O. may be given to 'A' and 'H2' Sections and a copy of the same may be sent to Development Department (in regard to the technical schools) for necessary action.

SCHOOLS - Certified - Pupils holding scholarships - Admission into aided and Government educational institutions.

From the Chief Inspector of Certified Schools, No.80/ C1/47, dated the 9th April 1948.

In G.O.No.432, Education, dated the 4th March 1948, the Government directed that the scholars of the Certified Schools Department should be given preference in the matter of admission in all secondary schools under the management of Government, Local Bodies and private agencies. The Chief Inspector of Certified Schools now reports that there are some ex-pupils of Certified Schools ready for college education, some for Nurses' and Midwives' Training and some for admission into technical schools. He therefore requests that the words 'Secondary Schools' in paras 1 and 2 of the G.O. may be substituted by the words 'Educational and Vocational Training Institutions.'

not think there is any objection
to extend it in the case of these
colleges. This point will have to

Forvo. 432 E.P.H. dated 4/7/48 and the C.E's ⑤
letter app. 1 of may be perused. The question whether it is
necessary to show preference to scholarship holders
from cutie schools, in the matter of admission so far
as colleges are concerned, has been taken up for
consideration in this file. Please see the E.P.H. depts
more app 1-2 above. E.P.H. Secy considers that the
preference to be shown should be 'subject to
other things being equal'; and that it should be confined
to Ordinary Courses in Arts Colleges and not
extended to Honours and Post-graduate etc courses there
or to the Professional Colleges. Under the scheme
of grant of scholarships in force in the J.C. school,
Bellary, only two pupils who have completed the
VII standard are eligible for scholarship in
a year. The question whether the scheme may be
extended to the other two J.C. schools will be considered
as a part of scheme for 1949-50. It will, therefore,
be seen that the number of cut. schools scholarship
holders is very small and it is ~~improbable~~ ^{improbable}
that only a few persons among them will offer
themselves for college education. ~~Therefore~~

Cutie schools Scholarship holders
and cutie school pupils who may seek
admission either to Honours and Post-graduate
Courses or to Professional colleges will be
rare. In the circumstances, this does
not need to be object to the proposal to confine
the concession in regard to preference in
the matter of admission, ~~unquestionably~~
to the ordinary courses in the Arts colleges.
With these remarks, the case may
be returned to E.P.H. depts who may be
requested to circulate the case to HM (Agri)
before orders issue.
