Dear Sir,

In G.O. no ^{M.S. 1667} ~~14402~~ Education dated ~~21.5.1948~~ 29.6.48, full fee concessions are granted to Harijan pupils reading in Forms I to VI, but no mention is made in this G.O. about Harijan pupils reading in classes 4 and 5 in Secondary schools. As result, Harijan pupils in classes 4 and 5 have to pay half fees under Rule 92 of the Madras Education Rules, and they do not get the benefit of the above G.O. I therefore request you to move the Education Minister to modify the above G.O. so as to extend the benefit of Full fee concession to Harijan pupils of classes 4 & 5.

of the M.E.O.

2 Sometime back I wrote to you
that under a new by-law recently issued
the service of teachers retiring in the
middle of a year may be extended
till the end of the school year or they
may be released at the beginning of the
second year starting then leave preparation
to retirement. Our Municipal Commission
wrote to the Government stating that I
have not sufficient leave on full pay
to be granted me preparation to retirement
and asking for instructions as to what
to do with me. He has not received
any reply as yet from the Secretary,
Education Department. Though the
Govt refused me extension on my
previous application, yet in the
light of the new development, they
may grant me extension till the
end of the school year 1948-49.

at least. Under these circumstances,
since I am not retired at the
beginning of the school year,
but still continuing as a member
and organizing the various schemes
of Education in the school,
I request that you may be pleased
to speak to the Education
Minister about me and make
him call for my papers from
the Secretary, Education
Department and for video
starting me extension from
3.9.48, the date of my retirement
to the end of the present school
year 1948-49. I depend on
you for this lot. Best, love!

Yours sincerely,

There are also elementary schools in this province with Standards VIII, VII, VI, V, IV, III, II and I. The Standards correspond to the classes in secondary schools. In these elementary schools boys belonging to the scheduled castes (now Harijans) are admitted ^{without} ~~with~~ the payment of fees, and no fees are levied ^{from} ~~for~~ girls whose parents or guardians are so poor that the grant of the concession is necessary to enable the girls to continue their studies. Hence pupils belonging to the Harijan Castes can study in elementary schools without any fees.

H.M.(Edn.) proposed that all Harijan boys and girls from Form I to VI may be educated fullfree. The loss of fee income to Govt. on account of the proposal of the H.M. was expected to be Rs.1,17,800.

Girls in Forms IV to VI	Rs. 6,300
Boys in Forms I to III	49,500
Boys in Forms IV to VI	62,000

	1,17,800

The additional cost to Govt. if the concessions granted in G.O.No.1667, Edn., dated 29th June 1948 ^{were extended} to the Harijan boys ~~girls~~ in Classes I to V of secondary schools also (Harijan girls in Classes I to V and Forms I to III ^{are} ~~have~~ already ~~been~~ exempted from the payment of any fees in secondary schools) will be Rs.13,450. In 1946, the D.P.J. submitted proposals for the grant of full fee concession to members of the scheduled castes studying in Forms VI and below including classes I to V in secondary schools. It was decided that the concession should be

restricted to only Hindus. H.M.(Edn.) minutes that the concession should be granted to Harijan boys and girls studying in Forms I to VI. Orders granting full fee concession were issued in G.O. no. 1667 Edn. 29.6.48. The question of allowing this concession to students of classes I to V as proposed by the D.P.J. appears to have been overlooked.

It seems that E.P.H. are now inclined to extend the concession to all Harijan boys studying in classes I to V in all secondary schools. It is stated that the concession is already in vogue in elementary schools. The extra cost involved in the proposal is stated to be Rs 13,450 per annum recurring. This amount was however, worked out in 1946. The ^{cost at} present must be ~~much~~ higher. Finance may advise that the remarks of the D.P.J. and the Commr. of Labour together with ^{fresh} estimate of the extra cost involved in the proposal may be called for in the first instance, before the proposal is taken considered further. H.M.(Fin) may see.

May I know what are we doing for backward
communities in this sphere. How much amount
are we spending for their amelioration through the
Educational Department?

C.P.R.
11/8

It is presumed that by the term backward communities
H.Pr. mean 'Non-Harijan' backward communities. There are
about 155 castes included under the list of backward com-
munities and children belonging to these castes, on the pro-
duction of the necessary certificate of income, are granted
half fee concessions in all educational institutions. The
cost of the fee concessions as budgeted for 1948-49 is
Rs.14,81,313/-. This amount does not include the cost of
the concessions in Govt. institutions. It has been called
for from the D.P.I.

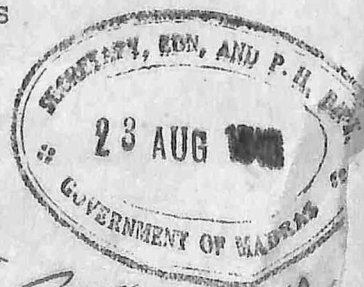

Besides the grant of educational concessions referred
to above Govt. have ordered that in the award of scholarships
to students in educational institutions the claims of pupils
belonging to the Backward Classes should receive special
consideration.

This may now be circulated to H.Pr. through H.M. (M)

A draft order is submitted. It does not appear
necessary to allow for failures in classes I to V in
secondary schools as has been done in the case of Forms
I to VI. The concession may be withheld if a pupil
remains for more than one year in one and the same class
but it may be revived when he gets promotion to the
higher class. Orders on this point may be taken in
in circulation.
