ENCLOSURES

REF: - G.O. No. 99 Education dated 15.1.48.

SPARE COPIES

The Government Order referred to above states that the condition No. (1) (i.e.) that the schools should satisfy the conditions laid down in Rules 23 and 24 of the Grant in Aid Code will be applicable only for grants for 1947-48 payable in 1948-49. But the cases of Municipal Middle School, Palacole and the Board High School, Harpanahalli, submitted to Govt. in Director's letter Rc. 1372-G2-47 dated 3.9.47 (Vide Govt. Memo No. 71133-B/47-1 Education dated 6.11.47 and Director's endorsement Rc. 2261-G2-47 dated 5.11.47 (Vide, Govt. Endt. No. 78520-B/47-2 Education dated 17.11.47) respectively relate to the year 1946-47. I therefore request that Govt. may be pleased to condone the shortage of working days in respect of the two schools under reference for 1946-47.

Incidentally I wish to bring to the notice of Government three more cases wherein the Board Middle Schools, Movva, Ghantasala and Nagayalanka in Kistna District have fallen short of the minimum by 6; 32 and 36 working days, they having worked during 1946-47 for only 174, 147 and 144 days respectively. The Divisional Inspector of Schools, Godavari division recommends that the shortage may be condoned since the schools were opened newly in the year 1946-47. I request that the shortage in these cases may also kindly be condoned.

Cases of shortage in the number of working days, if any, relating to the year 1947-48 will be disposed of by the Director in the light of the instructions in Govt. Order No. 99 Education dated 15.1.1948.

Endorsement Re. No. 62-D/47 dated 20-9-47 of
the District Educational Officer, Chittoor
on the proceedings No. 175-D/47 dated 1-9-47
of the Divisional Inspector of schools,
Anantapur.

The minimum No. of working days fixed by the
District Educational Officer, Chittoor for the Board
High school, Madanapalle during 1946-47 was 186 after
deducting the list of holidays during that year. The
school has worked only for 169 days viz. 124 days in
the long term and 45 days in the short term thus falling
short by 17 days. The fall in the shortage of the - -
number of working days is due to the plague epidemic in
the town during last year necessitating the closure -
from 6-2-1947 to 18--2--47 and from 1-3-47 to 15--3--47
and the summer vacation commenced from 15--4--1947.

As the school was closed for plague the - -
classes could not be conducted and hence the fall in the
number of working days. Therefore, I request you to
kindly condone the shortage in the number of working
days in view of the above facts.

In G.O.No.99 Education dated 15-1-1948 Secondary Schools under Local Bodies have been brought into line with the aided secondary schools with effect from 1947-48 ~~to~~ in regard to the minimum number of working days with reference to which teaching grant has to be assessed on their behalf. The cases under reference relate to the year 1946-47 and the schools referred to therein have fallen short of the minimum number of working days (i.e.) 180 days. I invite your attention to G.O.No.1630 Education dated 20th July 1939 wherein -- Government while informing the President, District Board, Vizagapatam that extra holidays might be granted to the Secondary Schools, stated that the granting of the same should be subject to certain conditions-- one of the conditions being that "the School works for not less than 180 full working days in a year". It seems, therefore, to be necessary that all Secondary Schools under Local Bodies should put in 180 working days during a year and have the cases under reference in which the schools did not work for 180 days during 1946-47 were submitted to Government for the grant of necessary condonation.

I am herewith enclosing a copy of the G.O.No.1630 Education dated 20-7-1939 for ready reference. *See below*

Yours faithfully,

in the number of working days of secondary schools under local bodies with effect from the school year 1947-48. Sanction of Gmt is necessary for condonation of shortages ~~from~~ during 1946-47 & this seems to be the reason why the DpI has addressed the Gmt in the matter. The matter may, however, be clarified by a reference to the DpI. A draft T.M to the DpI is submitted for approval.
