the Management of the Viraraghava High School.
Tanjore do hereby agree to abide by the following grant and special
conditions of alienation.

1. The land shall be used as the of School-house for Viraraghava High School, Tanjore and for no other purpose.
2. The site shall be made fit for use as a school house within a period of two years from the date of the grant.
3. The school shall be open to the pupils of all castes and communities.
4. The Government may resume the land wholly or in part, with any buildings thereon in the event of the infringement of any of the conditions of the grant. In the event of such resumption no compensation shall be payable for any improvements that may effected or other works that may have been executed on the land by the grantee and the grantee shall not be entitled to the repayment of any amount that may have been paid to the Government for the grant. If there are buildings on the land the Government may direct the grantee to remove them and if the grantee refuses to remove them when so directed the Government or any officer empowered by them in this behalf shall have power to remove the buildings and realise the cost of such removal by the sale of the materials.
5. The Government may resume the land wholly or in part any buildings thereon if in the opinion of the Government the land is required for public purposes or for conducting mining operations. In the event of such resumption or in the event of the acquisition of the land for any reason, the compensation payable for the land and trees shall in no case exceed the amount paid for them by the grantee or their value at the time of resumption or other improvement shall in no case exceed the amount paid for them by the grantee at the time of alienation or their value at the time of resumption or acquisition of any buildings erected or other improvements effected on the land by the grantee in accordance with the terms of the grant. The amount of any grant made by the Government towards the cost of the building or other improvements shall be deducted from the compensation payable under this condition. But in no circumstances shall any compensation be paid by the Government in respect of buildings constructed in contravention of condition (6).
6. No building shall be constructed on the land without the previous permission of the Collector of the District.
7. In the event of the voluntary relinquishment of the land by the grantee no compensation shall be payable for any -- improvements that may have been effected or for works that may have been executed on the land by the grantee but the grantee shall not be entitled for the repayment of any amount that may have been paid to the Government for the grant or the value of the land at the time of relinquishment whichever is less.
8. Full tax shall be levied if at any time any net income is derived from the land or if any of the conditions of the alienation are infringed. In the latter case the tax shall be levied from the date of the infringement. The decision of the Collector on the question whether a net income is derived from the land or not shall be final.
9. The demarcation charges shall be paid by the grantee.
10. The grantee shall pay enhanced compensation costs and other incidental charges likely to be incurred in case the matter is taken to the Civil Court under Section 18 of the Land Acquisition Act.
