LETTER NO.1800/48N-16 dated 29th March 1952.

Museum - Government Museum - Madras - paper entitled
"Eastern Chalukyan and Chola Coins - printing and
publication as a Museum Bulletin by Sri T. Balakrishan
Nair, Professor, Presidency College.

Ref: Government Memorandum No.6963-E/52-1 Education dated
6-3-1952 and Memorandum No.6963E/52-2 Education dated
25-3-52.

With reference to query (i) of Government Memorandum cited
above, I have to inform Government that Sri T. Balakrishna Nair
has, in his reply dated 15-3-1952 to my reference to him on the
matter, written that he has almost completed the paper and would
send the manuscript to me by the 15th of April, 52.

With regard to query (ii) of the Government Memorandum cited,
I have to state that Sri P.N.Mohan Das, Numismatics Curator has
not yet written the paper. He has only been collecting the mate-
rials for it.

With reference to query (iii) of Government Memo., I have no
objection to allow some more time to Professor Balakrishan Nair
to complete the paper. But I may submit to Government for information
the reasons that forced me to write to Government to cancel the
sanction accorded to get the paper written by Professor Nair.
Professor Balakrishan Nair was not replying to any of the letters
issued to him by me requesting him to let me know at what stage
his work was or the approximate date by which I could expect to
get his manuscript in my hands. For a period of 3 years, from
September 1948 to October 1951 we did not hear anything from him
on this matter, in spite of repeated requests from me personally and
officially. In August 1951 I wrote to him that if he did not
send me the manuscript of his paper within three weeks of receiving
my letter, I would request Government to cancel the sanction
accorded by them. To this he replied in October stating that
the paper was almost complete and that he would send the manuscript
before the 15th of October 1951.

P.T.O.

I waited till the end of January 1952 for the manuscript and when it was ^{not} forthcoming even then, nor any letter from Prof. Nair stating why he ~~w~~ could not send it, I wrote to him that I was submitting my proposal to Government to cancel their sanction. I waited three weeks for his reply before I sent Government my recommendation for the cancellation of their sanction. Mr. Balakrishnan Nair did not reply to this communication also.

The continued indifference he showed to my requests for a long period of three years forced me to think that he was not serious in completing and publishing the paper. The board cited above is a very rare and important find of South Indian coins made in recent times and I am very anxious to publish the paper at an early date as I am receiving repeated enquiries from Numismatic circles as to when the board will be published.

However, as Mr. Balakrishnan Nair has expressed a desire to write the paper himself and promised to send the manuscript to me before the 15th of April, I submit to Government that no further action may be taken on this matter till the 15th of April 1952.

On receipt of orders from Government, I shall inform Mr. Balakrishnan Nair accordingly.

Yours faithfully,

A. Aiyappan
Superintendent.
