ANNEXURE I.

The Conditions under which the management was permitted to start the college from the beginning of the academic year 1945-46 in the temporary buildings suggested were:

- (1) that a sum of Rs. three lakhs be secured and placed as a trust in the joint names of the University and the College before the 15th June 1945;
- (2) that an additional sum of Rs. two lakhs be made available before the 1st April 1946;
- (3) that the balance (viz., Two and a half lakhs) should be made available before the 1st April 1947;
- (4) that a site of 50 acres be acquired before the 15th June and preferably the management is advised to acquire a site between 75 to 100 acres as early as possible;
- (5) that plans and detailed drawings should be immediately prepared for the proposed college and should be sent to the University before the 31st December 1945 and the new college buildings should be erected before the 31st December 1948.
- (6) that the additional accommodation required by the Commission should be completed according to the prescribed schedule of dates and reports should be sent to the Syndicate in time;
- (7) that a Commissioner should inspect and report in June before the college begins to work, and that the incidental expenses of travelling allowance and fee should be met by the management;
- (8) that the staff required should be appointed on the scales of pay suggested in this report. It must, however, be noted that the scales of pay suggested may be revised later by the Syndicate in the light of such recommendation as the General Inspection ~~Commission~~ may have to make.
- (9) that the equipment etc., and the library books should be ordered forthwith and that the necessary amount of expenditure suggested should be incurred in equipping the libraries, laboratories etc.
- (10) that there should be a Managing Committee constituted on the lines suggested by the Commission, while the College Council would function on the lines stated therein.

It should be clearly realised by the Management that if any of these conditions are not ~~classified~~, it will be open to the Syndicate to disaffiliate the College, in which case the management will not be permitted to take in fresh students from a particular date, while those students already in attendance may be permitted to complete their courses.

Later, after representation from the President, Affiliation was granted, subject to the conditions laid above with the following modifications:--

- (1) that the management be permitted to open Junior Intermediate classes this year (1945-46) and Senior Intermediate and Junior B.A. classes in 1946-47;
- (2) that the financial guarantees given by the management over an extended period of four years be accepted and insisted upon.

Endowments	College building Fund	Expenses to be incurred by the management besides Endowment.	
		Equipment. Rs	Building. Rs
15th June 1945	Rs.1,50,000/- Value of site (Rs.20,000/- (Rs.25,000/-	60,000/-	25,000/-
June 1946	Rs.1,00,000/- Rs.25,000/-	60,000/-	25,000/-
June 47	Rs.1,00,000/- Rs.25,000/-	60,000/-	25,000/-
June 48	Rs.1,50,000/- Rs.25,000/-	12,000/-	25,000/-

- (3) that the Board of Management for the College be amended on the lines suggested by the management;
- (4) that if should the above conditions be not satisfied, conditional affiliation will lapse from that date, and only such students as have been already admitted will be permitted to continue their courses elsewhere. Before the beginning of the second year a Commissioner will be sent to report on the progress made; and
- (5) that reports of progress of the College be sent by the Management every half year.

ANNEXURE II.

The Syndicate at its meeting held on the 3rd May 1947 considered the correspondence with the Management of the College ending with the letter dated 30th April 1947 from the President, Veerasaiva Vidyavardhaka Sangha, Bellary, regarding the action taken by him and progress made with reference to finance, construction of permanent buildings for the college etc., and RESOLVED as follows:--

That in view of the fact that the Management have failed to comply with the conditions imposed at the time temporary affiliation was granted and as no steps have been taken to proceed with the acquisition of site and construction of buildings and the provision of an endowment, the Management be informed that the Syndicate is not prepared to continue the temporary affiliation after the academic year 1947-48 unless the following progress is shown:--

- (a) The management should acquire the site before the 31st October 1947; plans must be submitted before the 30th September 1947 and building work commenced before the 30th November 1947;
- (b) the financial guarantee given by the management shall be fulfilled and the amount promised to be collected by June 1947 should be shown before the 31st October 1947; and
- (c) the Buildings should be completed and equipped within a period of two years i.e., before the 1st December 1949.

This was communicated to the management in the Registrar's letter No.A.2182 dated the 16th May 1947.

Further reports were called for and the Syndicate at its meeting held on the 26th May 1948 resolved as follows after considering the replies received from the President:--

"The Syndicate, after a careful perusal of all the previous letters and the several promises made by the management, has come to the regretful conclusion that steps should be taken to close the college, the management having failed to conform to many of the conditions stipulated at the time of affiliation and which were readily accepted then by the management. The Syndicate would draw the attention of the management to the resolution communicated in this office letter No.A.2182 dated the 16th May 1947, wherein it was clearly laid down that the Syndicate is not prepared to continue the temporary affiliation after the academic year 1947-48 unless progress was shown as indicated therein.

The Syndicate notes with regret that in spite of repeated reminders the management has not been able to take any steps worth mentioning to improve the state of affairs. The Syndicate cannot therefore permit the continuance of the college as it is not in conformity with the standard laid down and therefore resolves that the management be informed that the temporary affiliation given has lapsed with effect from April 1948 and no candidate will be permitted to be admitted to this college in the Junior Intermediate for the year 1948-49. This will not affect the continuance of the senior classes in 1948-49.

Should, however, the management be in a position to satisfy the University that the conditions laid down in the letter of the Registrar No.A.2182, dated the 16th May 1947 have been complied with before June 20th, the Syndicate will then consider the position afresh."

A Press communique was also issued on the above lines.

* 15 Q.—SRI R. SURYANARAYANA RAO: Will the Hon. the Minister for Education be pleased to state—

- (a) whether there is an Aided College in Bellary;
- (b) what the strength of that college was during 1946-47 and 1947-48;
- (c) whether the University of Madras imposed certain conditions while according temporary recognition;
- (d) whether the management have failed to satisfy them necessitating threat of withdrawal of affiliation;
- (e) whether the management have at any time approached the Government for any special assistance;
- (f) if the answer to (e) is in the affirmative, how their request has been dealt with; and
- (g) whether the Government propose to take over the college and run it in accordance with their declared policy of having a college for each district?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

- "(a) Yes.
- "(b) Strength in 1946-47—150.
Strength in 1947-48—185.
- "(c) Yes.
- "(d) Yes.
- "(e) Yes.
- "(f) The Government have agreed to the payment of a building grant of Rs. 50,000.
- "(g) No."

SRI R. SURYANARAYANA RAO:—"May I know, Sir, whether it was only the question of the building grant that stood in the way of the college continuing to secure its recognition from the University?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

"It was the matter of the building grant and also providing the necessary deposit."

[23rd July 1948]

SRI B. BHIMA RAO:—"Are the Government aware, Sir, that in this particular college, the management give preference to the students of their own community, namely, Veera Saivas, and that in this year under Group I in the Intermediate Class, as many as 47 students of their community have been admitted and only three from other communities?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"No, Sir, the Government are not aware of it."

SRI R. SURYANARAYANA RAO:—"If what my hon. Friend says is correct and if the college is admitting members of one particular community, will the Government consider the desirability of taking over the college and running it themselves, in accordance with their policy of having a college for each district?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"No, Sir, the Government do not propose to run a college themselves in Bellary and so they are giving financial assistance to this college so that it may be continued permanently."

SRI R. SURYANARAYANA RAO:—"Will the Government see to it that it ceases to be a communal college?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"I do not understand what the hon. Member means by that."

SRI R. SURYANARAYANA RAO:—"As a matter of fact the college authorities have been admitting 47 students from their own community and only three from other communities; is this not communal?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"But there are certain other colleges where there are 90 per cent of students belonging to another community. The Government have no power to interfere in these matters in aided institutions, Sir."

SRI R. SURYANARAYANA RAO:—"Sir, when admission is not open to other communities in that college, is it not the duty of the Government to open a college themselves for admitting students who could not obtain admission in that college?"

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
"No, Sir, it is not possible to open a Government college in every district. Again, where aided colleges exist, Government do not open Government colleges in those districts."

SRI R. SURYANARAYANA RAO :—" When an institution seeks aid from the Government, is it not one of the conditions of the grant that admission should be open to all communities and that no particular community should be given any preference over the others? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" Yes, Sir; the rule is that all communities are eligible for admission. But the proportion is not fixed by the Government."

QUESTIONS AND ANSWERS

23rd July 1948.

SRI R. SURYANARAYANA RAO :—" Is it left to the management to fix the proportion, Sir? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" Yes, Sir."

SRI R. SURYANARAYANA RAO :—" Does it not mean that the Government encourage particular communal institutions? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" If the hon. Member has any particular view in the matter of admission of students in colleges, it is open to him to bring forward a Resolution before the Legislature."

ABDUL LATIF FAROOKHI SAHIB BAHADUR :—" Are there institutions in this Province which admit only a particular community alone, Sir? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" There is only one institution and that has filed an application to the High Court for permission to amend its scheme to admit students belonging to other communities also."

ABDUL LATIF FAROOKHI SAHIB BAHADUR :—" Is it a fact, Sir, that the High Court has refused permission to that effect? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" They are seeking other means by which they could get the High Court's approval."

MR. PRESIDENT :—" The High Court did not refuse permission. It said that the remedy was different."

ABDUL LATIF FAROOKHI SAHIB BAHADUR :—" Why not the Government stop the grant unless other students of communities are also admitted into it? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" No Sir."

ABDUL LATIF FAROOKHI SAHIB BAHADUR :—" Is it not the Government stop the grant unless other students of not be communal? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" Sir, this matter has come before the Assembly and in this Council many times, and replies have been given on all those occasions. Sir, this institution is governed by a particular Trust and it has been going on for a considerable time. The donors of the Trust had originally laid down certain conditions which have to be amended to suit the present policy of the Government. We have asked them to amend the particular scheme and it went up to the High Court. The High Court rejected the application, but directed that it should come before it as a regular suit. The management

QUESTIONS AND ANSWERS

[23rd July 1948

is again taking up the matter before the High Court. That is the position now. Sir, it is not our policy to stop the grant when they are taking action to amend the scheme."

ABDUL LATIF FAROOKHI SAHIB BAHADUR :—" Does it not mean that it goes against the policy of the Government, viz., to put an end to communal institutions? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" Sir, the policy of the Government is there and will be implemented. But some time must be given to the management of that institution to get the approval of the High Court to the revised scheme."

ABDUL LATIF FAROOKHI SAHIB BAHADUR :—" It is a different matter Sir, with regard to institutions where other entirely different communities are not refused admission. But here is a particular institution where only one community is admitted and other communities are excluded. In such a case, may I request the Government to stop the grant until the institution comes into line with the policy of the Government? "

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR :—" I have explained the matter more than once and I do not think that I can add anything more, Sir."
