To: The Deputy Director of Public Instruction.

Ref: Paragraph 3 of Director's letter No.2620-C-48-1 dated 2-8-48.

The Central Government was not addressed for the relief of Sri P. Bhyravamurthi from his appointment under them. He sent to Government a copy of his letter of 11-8-48 to the Executive Engineer, Sambalpur, saying that he had been relieved on 10-8-48 A.M. and that he was leaving for Calcutta on 11-8-48. It is seen that another copy of the letter had gone to the Principal, Engineering College, Guindy.

Please say why the Central Government need be addressed for the grant of study leave to him and whether it is not this Government who should sanction him study leave.

The Secretary, Education Department,
Secretariat, Madras.

I have to inform to your Kindness that my brother-in-law, Mr. P.V.B. Bhoshama Rao, B.E., A.M.I.E., Senior Workshop Instructor of the Engineering College, Kakinada, has been to America for advanced studies on being deputed by the Madras Government. He left India in the month of August '48, and we understand that his full salary shall be paid every month to his wife and family during his absence, and that the Principal of the Engineering College, Kakinada, has been authorised to draw his salary on his behalf, and send the same to his wife, according to a communication of the Director of Public Instruction, Madras. But till to-day, no orders have yet been passed by the authorities and the Accountant General, Madras, has not yet sent the pay slip to the Principal of Engineering College, Kakinada.

We are not able to understand the delay that is being made in this respect, and let me bring this to your notice.

Kind notice about the difficulties confronting his family during his absence, if his salary is not paid promptly and further, if no communication is made meanwhile about this matter. It is already one month past, and I request you to be kind enough to expedite this matter and pass orders sanctioning the payment of his salary as arranged previously.

Awaiting anxiously your kind instructions, and thanking you very much in anticipation,

Yours faithfully,
