To

The Hon'ble Minister of Education,
MADRAS.

Sir,

We, the deputies of the responsible and representative citizens and parents of Hosur Town, and Taluk beg leave to represent that we are extremely sorry to learn that - Sri.S.Krishna Sastri, M.A., L.T., the popular HeadMaster of - our Board High School, is due to re-tire on the forenoon of 3rd January, 1948, when it is barely two months for S.S.L.C. Public Examination, 1948. We therefore beg to request that you would be pleased to advise the Management, the Special Officer District Board, Salem extend his service at least to the end of the school year 1947-48., in the interest of the institution especially in the interest of Sixth form pupils of this year.

It is really a piece of misfortune that the head of an institution should happen to retire at the most important part of the year when his services are ~~more~~ most essential to pupils ~~particular~~ particularly sixth form pupils. This Head Master has been in charge of the institution for nearly 7 years and commanding as he does an intimate knowledge of the capacity of every Sixth form pupil and having trained them up from their fifth class upwards to sixth form. He is certainly a proper person to complete successfully their training - and equip them well to face the public examination successfully and his retirement early in January, 1948 naturally comes - at a shock on us, parents of Sixth form pupils in that our children are to be denied his valuable services at the most critical period of this year when special efforts have to be taken on their behalf just on the eve of the S.S.L.C. Public examination by one who is responsible for shaping them so far and who has yet to give them finishing touches for proper success.

Of course, it may be said that his successor will look to that work. It may be that the new Headmaster is as efficient as the present one. But, it would take time for him and the pupils to understand each other, and between January and March, 1948, there is hardly time for this and much less for the intensive work against the public examination.

Here, we beg leave to state that we submitted a petition to the Special Officer, District Board, Salem, to give the HeadMaster an extension of three months, but he has been pleased to turn down our request perhaps under rules on the subject.

3

But, we are told that under extraordinary circumstances, the rule might be relaxed in public interest. After all, our request is to see that extension of about 3 months is given i.e., till the end of the school year and that too in the interest of the pupils in the sixth form, who are most anxious to have the equipment in English completed by him alone, who commands a district wide reputation as a highly ~~capable~~ capable English teacher.

We therefore request that you will be pleased to sympathise with forty of our pupils reading in sixth form, and see the present Headmaster is continued in service at least till the end of the school year, by relaxing if need be any rule on the subject for which act of kindness, we, the parents and public of Hosur - particularly all the parents of this year's sixth form, will for ever be grateful to you,

We are,
Your most obedient servants,

On a previous representation that was received over this matter, I had sent in a note received from Sri Nagaraja Manegar, M.L.A. I had issued a note that the Special Officer of the District Board may be permitted to reappoint the Headmaster till the end of the school year, as it is not the policy of Government to terminate the services of teachers in the middle of the school year. I presume that communication has been sent to the Special Officer. If it is not sent, it may be sent to him immediately.

Dear Sir,

The Head Master of the Board High School, Hosur - Salem Dt. was to retire this week. His name is Sri. S. Krishnasasthy M.A.L.T. About 20 days back when the Assembly was in session on my representation and on the representation of the President Parents' Assn. of that place, the Hon. Minister was kind enough to pass orders to the Salem Dt. Bd asking the Bd to extend the services of the said H.M. until the end of April in the interest of the boys sitting for the S.S.L.C. this year.

In my very presence the Hon. Minister called the stenographer and dictated an order

P.T.O.

to the above effect. We all felt glad and welcomed the fact to the anxious public of Hosur. But to a great surprise the order was not communicated and on the other hand the order asking the Headmaster to retire has been sent from the D. B. S. It is a great disappointment. A telegram has been already sent ^{by the people of Hosur} to the Hon. Minister to the effect. I have also written a letter to the H. Minister. But I have my own doubts with respect to his presence in the Headmaster's office.

Hence is this my personal letter to you just to spare a few minutes and to look into the matter and to see what best could be done under the circumstances. This is my request to you and I hope you will kindly do the needful to remove the disappointment caused in the minds of the students, the H. M., the people and myself.

With best compliments
Yours sincerely
S. Nagaraja Rao

Please see herewith a representation from the
citizens and parents of Hosur Town. I understand that
one Sri S.K. Arishna Sastry, M.A., L.T., Headmaster of the
Hosur Board High School is retiring on the 3rd January '48.
A representation has also been made by the M.L.A. of that
constituency as well as the President of the Panchayat
Board that the period may be extended till the end of the
school year. It is the policy of the Govt. to give re-
appointment till the end of the school year so that the
school work is not disturbed. The extension asked for may
be given and orders may be issued. The extension may be
till the end of April '48. ^{1/54}
as of the school year. ¹¹⁻¹²⁻⁴⁷

H.M. Education.

Edn. and P.H. Department (B1).

As regards the policy mentioned at X please see this minute on p 317 & links file.
Please see the representation from the parents and citizens of Hosur Town and the minutes of H.M.(Education) on pages 1-2 c.f. and on page 1 ante respectively in regard to the grant of extension ^{of service} to Sri S.K. Krishna Sastry, Headmaster of the Board High School, Hosur, who is due to retire on 3rd January 1948.

2. Under rule 14 of the rules relating to the Establishments under District Boards, a servant of the Board can be reemployed after retirement on public grounds by the President with the previous sanction of Government for a period of not exceeding one year; but no extension ^{of service} can be granted. The appointment of headmasters of high schools under District Boards is governed by the ^{special} rules issued in G.O.No.953 Education, dated the 30th June 1942. According to rule 1 of these rules, every vacancy in the post of a headmaster or headmistress of a high school under a district board shall be filled by the President of the district board (now Special Officer) from a list of suitable candidates drawn up by the Divisional Inspector

P.T.O.

of Schools in the case of boys' Schools and Inspectress of Girls' Schools in the case of girls' schools.

3. It is not known whether there are any probationers who are awaiting appointment as headmaster. If there are any, the re-employment of Sri S.K. Krishna Sastry till the end of the current ^{school} year will deprive them of their chance of acting as headmasters. Even if there are no probationers awaiting appointment as headmasters, it will postpone the appointment as such, of a candidate in the panel of suitable candidates, and therefore it will lead to discontentment and agitation. Further, it is the Special Officer, District Board, Salem, who should move the Government in the matter if he considers the headmaster's services are indispensable till the close of the current school year and it is ^{also} necessary to obtain the remarks of the D.P.I., as re-employment is sanctioned on his recommendation. No proposals have so far been received from the Special Officer. It has also been stated in the representation that the proposal for the re-employment of the headmaster has been turned down by the Special Officer and it is apparently in view ^{for} of the reasons stated above.

4. In connection with the proposal for the retention of teachers under local bodies in service till 60 years of age, H.M.(Education) has minuted as follows:

" I know scores of schools in which trained teachers are not available. There is no point in putting unnecessary restrictions when we know full well that man-power that we need in our schools is not forthcoming and so, the rules may be amended to the effect that so far as schools in local boards and municipalities are concerned, teachers may be allowed to serve till 60 years if their work is found to be good and satisfactory and if their health continues to be good enough to do their job. As for the plea that this need not apply to headmasters and headmistresses, that also may be accepted because there may be a feeling that younger men and women are blocked from becoming headmasters and headmistresses. But I think we will be in justice bound to pay the provident fund ~~& also~~ once we make up our minds to extend their services to 60 years. This we should not grudge to poor teachers who

have struggled for more than a life time and no condition need be laid down that advertisements should be made ~~here~~ before employing them because we know that in spite of advertisements we are not getting men. This arrangement may be for the next three years".

No special reasons have been made out for the re-employment of the headmaster till the end of the current school year.

5. The file may now be circulated to H.M. (Education) for orders whether, in the circumstances explained above, the re-employment of the headmaster should be sanctioned and whether the principle referred to at 'X' on page 1 ante should be applied to the appointment of headmasters also.

as we view the accepted practice at H. M. p 3 ante

The rule that we have made for Govt. schools that teachers should not be disturbed in the middle of the year and they may be reappointed till the end of the school year may apply for Board Schools also. Following that we may issue orders permitting the Dt. Board Special Officer to reappoint this headmaster till the end of the school year in the ~~interests~~ interests of the good working of the Institution.
