FORWARDED.

2. Though the premium percentage is within my powers, the proposal involved execution of the above work costing more than Rs. 250/- by an unregistered contractor and thus requires the approval of Govt. under the tender rules for Dt.Bd. works. In the circumstances reported the proposal may be approved.

Action of the Special Officer, Dt.Bd. in having instructed the MXXK B. Engr., to proceed with the work in anticipation of Govt. sanction may also be ratified.

Statement.

I enclose herewith a copy of letter No. 3722-47 dated
11.9.1947 from the Divisional Engineer (Highways) Vellore and
request that in the circumstances stated by him the tender of Sri V.N. Raghavalu
Naidu, an unregistered contractor at 20.5% above estimate rates may be accepted.

2. As the work is an urgent one to be completed before the close of the
Official Year, I am instructing the Divisional Engineer (Highways) Vellore to
proceed with the work through the contractor recommended by him in anticipation
of the approval of the Government and request my action may kindly be approved.

3. The tender papers and the statement in the prescribed form are also
enclosed in original for reference and return.

For Special Officer.

Copy of the letter Rc. NO. 3722-47 dated 11-9-1947 from the Divisional Engineer
(Highways) Vellore to the Special Officer, North Arcot District Board, Vellore.

Sub: CONTRACT--Vellore Division--Highways--District Board Work--Constructing a
thatched shed in Board High school compound, Katpadi--Revised estimate..
Costing Rs. 2,800--Premium tender--Recommended--for approval.
...000...

Tenders were invited once fixing the last date of receipt of tenders as
25.8.1947 for the above work from on item-war rates. Only one tender from an
unregistered contractor Sri V.N. Raghavalu Nayar. The comparative statement
is prepared (a copy of it is enclosed) and the excess percentage works out to
20.5 per cent.

I have to report that an estimate for constructing a shed for Board High
school at Katpadi was first sanctioned for Rs. 1,850 by the District Board and the
contract let on contract to one Sri T.T. Annu Gounder at 2.1/4 school standard
rates. Subsequently this Board school is raised to the High
school standard. The original contractor was engaged to do the work on account
of change of design. Hence tenders were called for sanction of the Board to the
revised estimate Rs. 2,800 by the District Board dated 2.8.1947.
estimate in this office for reference and return.

Since this is an urgent nature of work and as there will be no competition among the contractors even tenders are invited for a 2nd time, as none of the registered contractors came forward to tender for this work at the 1st invitation. I recommend, as a special case, the tender of Sri V.N. Raghavalu Naicker at 20.5 cent above estimate rates (excess percentage) and request that his tender may be recommended to the Government through proper channel as the tenderer is an unregistered contractor. Besides due to scarcity of labour and high prices in the market, this premium tender is recommended. The Headmaster is frequently urging me to put up the sheds as expeditiously as possible so that the increasing strength of the pupils may not be put to inconvenience for want of suitable accommodation.

I may be permitted to carry out the work through the recommended contractor Sri V.N. Raghavalu Nayagar in anticipation of the sanction to the premium tender by the Government.

The original tender, comparative statement in duplicate, and 10 points, extract from tender register and tender notice are

for despatch with any enclosures that are to accompany them but not with any other papers should be sent by each Dept. to the Central Despatch Branch. The despatchers of the Branch would be responsible for the prompt despatch of papers to the proper addressees accompanied by the enclosures as received from the section. ^{In spite of} ~~existing~~ instructions mentioned above, the Deptts. invariably send the entire file along with one fair copy to be despatched much to the inconvenience of C.D.B. In this particular case, it seems ^{as though} ~~that~~ the papers have been wrongly attached to the f.c. by the Deptt. itself as it is evident from one statement of one despatcher on p. 3 infra that he had not despatched any ^{other} papers beyond those attached to one f.c. The E.P.H. Deptt. may therefore be informed that the C.D.B. is not responsible for the wrong despatch in this case.
