EDUCATION DEPARTMENT.

FROM

TO

THE DIRECTOR OF PUBLIC INSTRUCTION, MADRAS
THE SECRETARY TO THE GOVERNMENT OF MADRAS,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, MADRAS.

R.C.No. 751-G2/48 dated 13th August, 1948.

SIR,

Grant--Teaching--Secondary Schools under local
bodies--1946-47--and 1947-48--Payment in
1948-49.

Reference:-Government Memorandum No.42021-B1/47-17
Education dated 15.6.1948.

In accordance with the direction in para 1 of

the Memorandum referred to above, instructions have since
been issued to local bodies for the preparation of the
financial statements of secondary schools under their
managements for the years 1946-47 and 1947-48. The estimate
of extra cost called for in para 2 of the Memorandum
was also furnished to Government in Director's letter

R.C. 751-G2/48 dated 25.6.1948.

2. I now request the favour of early orders of
Government on the admissibility of the expenditure in-
curred by local bodies

(1) in the grant of advance increments to teachers
in secondary schools for purposes of assessment of grant -
vide para 2 of Government Memorandum No.24579-B1/48-2
Education dated 29.4.1948, and

(ii) in the grant of deputation allowance to teachers
undergoing Physical Training, Pracharak Training etc. -
vide para 1 of the Government Memorandum No.42021-B1/47-17
Education dated 15.6.1948.

3. Orders are also requested whether teaching grant
may be paid to the Agency District Board, East Godavari
on behalf of the Board High School, Bhadrachalam as
presumed in the Director's letter R.C. 2593-G2/47 dated
21.7.1948 and to the Corporation of Madras on behalf of
the two secondary schools under its management as explained
in the post copy of my telephonic message reply - R.C.
1600-G2/48 dated 6.7.1948.

P.T.O.

4. In their Order No. Ms. 244-Education dated 4.2.1948, Government authorised the Director of Public Instruction to disburse the local bodies in 1947-48 the grant payable for secondary schools in respect of the actual fee concessions for the short term of 1946-47. This authorisation facilitated payment of grant to local bodies, as soon as the scrutiny of the statements was completed last year. As it will take considerable time to obtain necessary particulars from the local bodies, there is likely to be delay in obtaining sanction of Government for the payment of grants to individual schools under local bodies. I therefore suggest that as in the last year, Government may be pleased to delegate the power to the Director to sanction the teaching grants in respect of secondary schools under local bodies, as is now done in the case of secondary schools under private managements.

Yours faithfully,

M. S. K. S. K.

For Director of Public Instruction.
