REF:- Government Memorandum No.21823 A/47-1
Education dated 27th March 1947.

(T)/9-10
p6 infra

The cost incurred on the employment of the Superintendent who is supervising the work of the Upper Division clerk sanctioned in G.O.No.1607, Education, dated the 19th August 1946 for the scheme for the Further Education and training of demobilised personnel is noted below. The calculations are made from 18th August 1946, the date of appointment of the clerk in question upto February 1947:

6. The Principal, Madras Veterinary College brought to the notice of the Board that in Government Memo.No.31461 E/46-11, Dev., dated 10-4-1947, the Principal was informed that the payment of Examination fees to Ex-Service students of the Madras Veterinary College was not in order with reference to G.O.No.1167 Education, dated 12-6-1947. The Principal of the College suggested the desirability of extending the concessions in the matter of exempting candidates from the payment of Examination fees. The Board felt, that when Government were pleased to grant Book allowance, exemption from the payment of Tuition and Special fees, and the Maintenance allowance they should be granted exemption from the payment of examination fees also. It was therefore decided that Government should be addressed to exempt the Ex-service personnel from the payment of examination fees.

7. The Government of Madras in their Memo.No.21823 A/47, dated 27-3-1947 desired to know the cost incurred on the staff employed on the work relating to the Further Education of the Demobilized personnel with a view to recovering one half of the cost thereof from the Government of India. The subject was placed before the Further Education Board with a view to eliciting their opinion. The Board was of the opinion that the Superintendent and the Clerk in the Director of Public Instruction's office should be allowed 20 per cent of their Civil pay for doing the extra work relating to the scheme. It was, therefore resolved that while reporting the half cost to Government, this recommendation should also be brought to the notice of Government and they might be requested to sanction an allowance equal to the 20 per cent of their civil pay to both the Superintendent and the clerk and that the estimate of cost to be reported to Government should be calculated taking into account the payment of this allowance to the above mentioned staff. The Board also resolved that an allowance of Rs.50/- p.m. should be paid to the Secretary of the Board as his work relating to Further Education is heavy and that Government might be addressed to sanction this allowance - one half of the extra expenditure being met from the Government of India.

I am to say that, ~~in connection with the giving effect to the~~ for dealing with work relating to the further education scheme ~~of~~ for ex-service personnel in this Province an additional upper division clerk has been employed in the office of the D.P.I., ~~to deal with the work relating to the scheme~~. The scale of pay of the clerk is Rs. 55-100/- and the D.A. is Rs. 18/- p.m. The expenditure on account of the pay and D.A. of the clerk for the period from 27-8-46, when he was first employed ~~entertained~~ till the end of Feb.47, comes to Rs. 526/-

2. The cost on account of the pay and D.A. to the Supdt. who supervises the work of the clerk, along with that of ~~with~~ two others, comes to Rs. 942/-, for the same period.

3. The scheme for the further education of war service personnel has been sponsored by the Govt. of India and they have agreed to bear half of the expenditure incurred on account of the scheme. A reference is here invited to para 4 of the Resln. of the Bombay Govt. Ednl. Dept. No. 7822 - dated 8-6-1946, communicated to this Govt. with Govt. of India Edn. Dept. letter No. F. 22-2 (ii)/45 R. dated 17-7-46, where it has been stated that the total cost of the staff employed for the scheme is to be borne by the Govt. of Bombay and the Govt. of India in the ratio ~~rates~~ of 50:50. * * * *

Sir,

I am directed to refer to your letter No.21823-4/47A Education, dated the 9th September, 1947, on the subject mentioned above and to say that it is not clear how the Government of Madras have incurred an establishment expenditure of rupees 1468 on the Scheme for the Further Education of ex-Service personnel for the period from 27th August, 1946 to the end of February, 1947. On the assumption that the Government of India is to bear 50% of the expenditure incurred by the Madras Government on the Scheme, the Government of India's share of the establishment expenditure would appear to amount to one half the expenditure on the clerk and one half of one third (i.e. One-sixth) of the expenditure on the superintendent. I am to request that this point may be clarified to enable the Government of India to consider the question of bearing one half of the establishment expenditure incurred by the Madras Government.

Scheme for the further education and training of demobilised personnel. – Establishment employed in the D.P.I's office – Recovery of half cost from the Govt of India

—

The papers in the cf relate to the recovery from the Govt. of India of one half of the cost of the establishment employed in the office of the D.P.I. for work connected with the scheme for the further ~~training~~ education and training of demobilised personnel. The Special Staff employed in the Director's office for the purpose consists of one Upper Division clerk. and this clerk is attached to the war section in the office which consists of a Supdt and two other U.D. clerks. The Director reports that one half of the cost of the employment of the Special U.D. clerk from 18.8.46 (when he was appointed) till the end of Feb 1947 comes to Rs 263. He suggests that one half of the cost of the employment of the Supdt (Rs 471) may also be recovered from the Govt of India. So the total amount to be recovered from the Govt of India for 1946-47 comes to Rs. 734/-.

p 1 ref of
Go No: 311 Edn / 22.2.47
h

p 6 cf

To recover one half of the cost of the employment of the Supdt would seem to be too much as he has to supervise the work of the other two clerks also. Strictly speaking only one third of the cost on account of the Supdt (Rs 314) ~~can~~ can be recovered. But it is for consideration whether this Govt. should put in a claim for such a small amount ~~quoted~~ at all when the Govt. of India is giving crores of rupees to this Govt for post war and other schemes. It seems that the proposal to recover ~~any amount~~ half the cost on account of the establishment employed for the further edn. scheme may be dropped. For orders.

At 6/3 M. I do not desire that the G of I should be addressed. We are doing it just as a 'business' proposition; the machinery of the accounts does not matter; though it is not [illegible] — [illegible] with them there is no harm in our asking them.

The Further Edn Board has recommended ~~and the D.P.I. has supported the recommendation~~ that the Secy of the Board (P.A. to the D.P.I.) and the Supdt and the clerk may be granted a special allowance for extra work connected with the Board — Rs 50 p.m. for the Secretary and 20 p.c of pay for the ~~Supdt~~ Supdt and the clerk.

The work relating to war concessions and further education is one of the items of work allotted to the P.A. to the D.P.I. It is not therefore correct to say that he is ~~doing~~ doing any extra work by acting as the Secretary of the Board. It does not seem that there is a case for the grant of a special allowance to the P.A.

[illegible]

B

On the average, Supdts in the D.P.I.'s office have four clerks under them. The war section Supdt has only three clerks including the special clerk for the ~~post~~ further edn scheme. It cannot be said that he ~~doing~~ is doing any extra work. ~~Nor can~~ Nor is the clerk also doing any extra work as he has been specially appointed for further edn scheme work. The special allowance may be refused

Education and Public Health Department.

G.O.No. MS.1893 Edn. Dated the 1st October 1946.
READ:-

From the Government of India, Department of Education, 22-6/46-R dated 5th June 1946.

ORDER:

The Government of India have agreed to meet half the cost of the scheme for further education and training of demobilised personnel sanctioned in G.O.1167 Education dated 12th June 1946. According to the procedure prescribed by the Government of India, the Central Government's share of the extra expenditure incurred by the Provincial Government on the scheme, for the first nine months of the financial year will be adjusted to the credit of the provincial accounts by the Accountant-General at the end of each quarter, on the basis of actual expenditure for that quarter; for the last 3 months of the year a lump sum credit will be afforded to the Provinces provisionally, before the close of the year, on the basis of the difference between the revised estimate as finally fixed by the Government of India for the whole year and the total grant adjusted for the first nine months of the year. The difference, if any, between the amount payable for the whole year on the basis of actuals for the year and the amount actually paid by the Government of India on the provincial basis will be adjusted in the subsequent year's accounts.

2. In order to enable the Accountant-General to put through the requisite quarterly adjustments, Heads of Departments (Director of Public Instruction/the Director of Veterinary Services/the Director of Agriculture/the Surgeon General) concerned are requested to send to the Accountant General quarterly statements, not later than the 16th of the month following each quarter, showing the actual expenditure incurred on the scheme with the relevant details e.g. place and date of payment, number of voucher, amount etc., and the actual amount to be recovered from the Govt. of India.

3. As the adjustment for the last quarter, has to be made with reference to the revised estimate for the whole year to be fixed by the Govt. of India, and as the Govt. of India have called for proposals in this regard, the Director of Public Instruction etc., is requested to furnish not later than the 20th December every year a statement showing the following:-

(a) Estimated expenditure on account of the scheme in the financial year; and

(b) the payments received by the provincial Govt. for the first nine months of the financial year.

On receipt of these particulars the lump sum credit to be afforded by the Central Government in respect of the contribution adjustable for the last quarter of the year will be communicated to the Accountant General from this department before the 3rd April of each year.

REF: My letter Roc No.211-W1/48 dated 9.4.48. page 11 ante

In continuation of my letter referred to above, I have the honour to request you to claim Rs.597/- and Rs.334 respectively towards items (d) and (e) of my letter referred to above from the Government of India. The slight increase is due to the fact that in my original letter, I have not taken into account the increased rate of dearness allowance sanctioned by Government from 1.1.48. The Accountant-General has since pointed out the omission and I have revised the figures accordingly.
