Office of the Director of Public Instruction, Madras.

Telephonic Message Reply (By Post), dated 27.2.1948.

From

The Dy. Director of Public Instruction, Madras

To

The Assistant Secretary to the Govt. of Madras,
Education and Public Health Department,
Fort St. George, Madras.

Reference: - Your telephonic message by post dated 19.1.1948 regarding utilization of services of scholars sent abroad for advanced studies, on their return to India.

The appointment of Sri S. Subrahmanyam as Instructor for the Overseers' course has been ordered by the Chief Engineer, P.W.D. (General) with reference to G.O. No. Ms. 2297-Education dated 30.10.1947. Owing to the paucity of suitable hands in the Education Department the post was ordered to be filled from the cadre of Assistant Engineers in the P.W.D. As the post itself is at present included in the cadre of Assistant Engineers of the P.W.D. the question of submitting recommendations regarding appointment to the post by the Director of Public Instruction does not arise.

2. However, if and when suitable candidates become available to fill the post there will be no need for including this particular post of Instructor in the P.W.D. cadre and the same may be included in the Madras Educational Service.

Dy. Director of Public Instruction.
