Re.No.1232 K3/48 dated 31st August 1948.

9-SEP 1948

Sir,

Schools - Presidency High School for Girls, Egmore -
Employment of an additional Tamil Pandit - sanction
- requested.

66699

I have the honour to state that there is only one Tamil Pandit in the Presidency High School for Girls, Egmore. At present Tamil is taught by the Pandit to the pupils in Forms II to VI and by Secondary Grade teachers proficient in Tamil to the pupils in Form I and Classes II to V. Forms II to VI are having two sections each and Form I, three sections including the Telugu section. The number of pupils studying Tamil in each of Forms I to VI is as furnished below:

Form	I	..	91
..	II	..	69
..	III	..	53
..	IV	..	43
..	V	..	41
..	VI	..	44

The Tamil Pandit of the school is assigned 28 periods of work per week in Forms II to VI as shown below:

Form	VI	5 periods.
..	V	5 ..
..	IV	6 ..
..	III	6 ..
..	II	6 ..

At present the Tamil pupils in the two sections in each of Forms II to VI are combined for Tamil. The Superintendent reports that in forms II and III the strength is above 50 and that in the interest of efficiency the classes need to be bifurcated for Tamil as for other subjects. Besides it is reported that there is heavy correction work to be done every week and a single pandit cannot efficiently manage the work. The Superintendent therefore requests the employment of an additional Pandit in the school.

The bifurcation of Forms III and II for Tamil is necessary which if done will add to the work of the existing Tamil Pandit. This work with the addition of heavy correction work is too much

for a single Pandit. In the interest of efficiency the employment of an additional Tamil Pandit in the school is necessary. If an additional Tamil Pandit is employed then the Tamil work of Form I, which is at present handled by Secondary grade teachers, will be entrusted to the Junior Pandit. The entire Tamil work in Forms I to VI in the school according to the reorganisation of the secondary education scheme works out to 48 to 50 periods a week and this will be distributed among the two Pandits, one being assigned work in the middle school forms. In the circumstances I request that Government may be pleased sanction the employment of an additional Tamil Pandit (Grade II) in the scale of Rs. 45-90 for a period 3 years from the date of appointment.

I solicit the favour of early orders.

Yours faithfully,

G. Sankaran 7.9.48
