Expenditure:

4. The draft budget provides for expenditure on the salaries

of the Educational Officer, the Lady Superintendent, Corporation Girls' Schools, Medical Inspectors and Medical Inspectresses, Supervisors of Schools, the teaching staff, the ~~Ex~~ clerical and the menial establishments, equipments for all the schools, including the branch schools and the schools in the extended areas of the City and for the following new proposals which are highly essential in the interest of the efficient working of the Corporation schools:-

(a) Opening of schools in Slums:

As the feeder schools which were opened at the very doors of the slum dwellers have been found to be really useful, it is proposed to open nine more schools in 1948-49 in the following slums:-

(1) Vinayakapuram, Kasimode.
(2) Slum opposite to the Western India Oil Mills, Royapuram.
(3) Coronation Nagar, Tondiarpet
(4) Grey Nagar, Pulianthope High Road.
(5) Vannanthurai, Adyar.
(6) Narayanaswami Gardens, Adayar
(7) Austin Nagar
(8) Maduraima nagar, Sembium
(9) Puliyur.

Sheds with asbestos cement roofing are under construction in 2 places. In the remaining seven places sheds will be constructed before the schools are actually started. At least two classes have to be run in each of these schools and 18 teachers will have to be appointed. A lump sum provision of Rs.40,000/- has, therefore, been made in the draft budget for this purpose.

(b) Opening of two Muslim Girls' Schools in Kodambakkam and Aminjikarai.

Kodambakkam and Aminjikarai have no suitable Elementary Schools to cater to the educational needs of the Muslim Girls in these localities. It is, therefore, proposed to open two Muslim Girls'Schools in Kodambakkam and Aminjikarai. A lumpsum provision of Rs.8,000/- is made in the draft budget.

(c) Introduction of Spinning and Weaving in Corporation Schools.

Provision has been made in the budget for a sum of Rs.2,650/- for the purchase of the required equipment for the introduction of Spinning and Weaving in all the Corporation schools. No separate provision is made for meeting establishment charges in view of the fact that most of the Elementary School teachers will have successfully

undergone training in some craft or other within a period of two years from 1-1-47.

(d) (1) 'Play Days' and 'Play Festivals'

In G.O.No.912 Education and Public Health dated 5-5-1947, the Government have opined that 'Play Days' and 'Play festivals' bring more happiness to school children than Inter-school sports. It is, therefore, proposed to organise Play Days and Play festivals in all the Corporation schools and a sum of Rs.2,000/- is provided in the draft budget.

(2) Playgrounds - (i) There has been considerable difficulty in securing the services of qualified Physical Training Instructors. Some posts have, therefore, been remaining vacant for want of qualified hands. To tide over this difficulty, it is proposed to depute Secondary Grade trained teachers to the Y.M.C.A. College of Physical Education, Saidapet, to qualify themselves as Instructors. In the first instance six Secondary Grade teachers below 35 years of age, will be deputed for a course of Physical Instructor's Training for one year with a view to placing them in charge of playgrounds maintained under the Elementary Education Fund. A sum of Rs.4,500/- will be required for this purpose at the rate of Rs.750/- per head which is the fee prescribed by the Y.M.C.A. College for a candidate and provision has been made in the budget accordingly.

(ii) With a view to attracting Secondary Grade teachers to take up the training course, the scale of pay of Playground Supervisors is proposed to be revised to Rs.60-4-100.

(e) Opening of a school for the benefit of the children of Pallavaram Quarry Workers.

With a view to providing educational facilities to the children of the Corporation workers at Pallavaram Quarry, it is proposed to open an Elementary School with two classes to start with. A shed will be constructed at a cost not exceeding Rs.4,900/- and two teachers will be appointed to this school. A lump sum provision of Rs.5,000/- has been made in the budget for this purpose.

for this purpose.

(f) Conveyance allowance to Supervisors.

At present there are three Range Supervisors (men) getting a conveyance allowance of Rs.10/- each per mensem, one Muslim Supervisor for all the Muslim Boys' Schools in the City getting a conveyance allowance of Rs.15/-. There are also one Muslim Lady Supervisor for all the Muslim Girls' schools and one Lady Supervisor for all the Non-Muslim Girls' Schools and these two Lady Supervisors are paid a Motor Car allowance of Rs.45/- each per mensem. These conveyance allowances are inadequate to meet their present day conveyance charges. Without providing for proper conveyance charges, they cannot be expected to visit five or six schools in a day and make effective supervision of schools at frequent intervals. Provision has, therefore, been made in the budget for the payment of a Motor cycle allowance of Rs.30/- to each of the three Range (men) Supervisors. Since the Muslim Supervisor and the two Lady Supervisors will have to cover the whole city, it is proposed to pay a Motor Cycle allowance of Rs.50/- for the Muslim Supervisor and a Motor car allowance of Rs.100/- to each of the two Lady Supervisors. The extra cost involved in this proposal is Rs.2,250/- for eleven months in 1948-49 and provision has been made in the budget accordingly.

(g) Need for additional Supervisors.

With the extension of the City limits and the increase in the number of branch schools, the present Supervisors have found it difficult to inspect 5 or 6 schools a day at frequent intervals. The difficulty is all the greater in the case of the 54 Non-Muslim Girls' schools which lie scattered all over the City as there is only one Lady Supervisor to supervise them. One more Lady Supervisor is, therefore, indispensable. Similarly, one more male Supervisor is required consequent on the extension of city limits for carrying out intensive supervision work among Non-Muslim Boys' schools. Provision has been made in the budget for one Lady Supervisor for Non-Muslim Girls' schools and one male supervisor for non-muslim Boys' schools and this may be allowed to stand. A lump

lump sum provision of Rs. 3,350/- is, therefore, made.

(h) Additional clerical staff.

When there were 137 schools with 1221 teachers and 342 menial staff with an expenditure of only Rs.10,09,896/- the clerical staff during 1938-39 consisted of six upper division clerks. When the "Compulsion" was more effectively enforced, two additional clerks were sanctioned in 1944-45. During the current year, one lower division clerk was sanctioned. At present there are 197 schools (173 main schools and 24 branch schools) with 1806 teachers and 362 menial staff. The expenditure as per Revised Estimate for 1947-48 is Rs.22,39,620. Next year the expenditure will be Rs.23,80,830/-, when a few more schools will be opened and some more additional teachers will be appointed.

In relative proportion to the volume of work for six upper division clerks in 1938-39 when the expenditure was Rs. 10 lakhs, there should be 15 upper division clerks to cope with the increase in work when the expenditure would amount to nearly Rs.24 lakhs. There are at present only 8 upper division clerks and one lower division clerk. The clerical staff has to be increased adequately. With a view to co-ordinating the work of clerks dealing with establishment papers and to attending to matters relating to appointments, leave, periodical increments, promotions etc., an upper division clerk with a special pay of Rs.15/- as in the case of other departments is immediately required. Provision has, therefore, been made for the appointment of one establishment clerk. The extra cost involved in this proposal is Rs.700/- only.

(i) Corporation pay to certain inferior servants in the extended area schools.

One cart driver attached to Corporation Muslim Girls' School, Saidapet and eleven out of 15 Conductresses in the Corporation Schools in the extended areas have not been getting the Corporation rate of pay given to other similar employees. The driver who is now getting Rs.10/- may be paid Rs.17/- per mensem in the scale of

Rs.17-½-20 and the Conductresses may be paid Rs.10/- per mensem, besides the dearness allowance of Rs.16/- now paid to these two categories of employees. The extra cost involved in this proposal is Rs.1310/- and provision has been made in the budget accordingly.

(j) Playground Attenders.

There are now nine Playground attenders borne on the Elementary Education Fund on a fixed pay of Rs.15/- per mensem. As the playground attenders borne on the General Funds are in the grade of - (1) Rs.20-1-25 and (2) Rs.17-1-25, it is proposed to place these attenders also on a par with the playground attenders on a graded scale of pay of Rs.17-1-25. The extra cost involved in this proposal is Rs.200/- and provision has been made in the budget accordingly.

(k) Lascars in Kondithope School Press.

There are two lascars in Kondithope School Press on a fixed pay of Rs.15/- each. They are actually doing peon's work. It is proposed to place them on a scale of Rs.17-1-25 from 1-4-1948. The extra cost involved in this proposal is Rs.44/- in 1948-49 and provision has been accordingly made in the budget.

(l) S.S.L.C. tutorial classes in Corporation High School, Nungambakkam.

The scheme already started by the Corporation for conducting tutorial classes in Corporation High school, Nungambakkam for the benefit of Elementary Higher Grade teachers of Corporation schools desirous of appearing for the S.S.L.C. Examination has proved to be a success and the classes have, therefore, to be continued in 48-49 also. A lump sum of Rs.3,000/- has been made in the budget for this purpose.

(m) Additional teachers:

To cope with the increase in strength of the Corporation schools a lump sum provision of Rs.27,000/- is made in the budget for the appointment of additional teachers as against a sum of Rs.31,000/- made in the current year's budget.

Capital Account:

Under loan funds the opening balance for the year 1947-48 amounted to Rs.467,282/-. A sum of Rs.2.935 lakhs was applied for as loan from

Government for the year 1947-48 for the following:-

(1) Acquisition of R.S.No.1736/5 of Vepery for a Playground
(2) Completing the construction of school buildings already taken up.
(3) Improvements to playgrounds.
(4) Putting up sheds in slum areas in the extended areas of the City.

Loans in respect of the first three items have already been sanctioned by the Government and in respect of item No.4 the Government have advised the Corporation to apply for a fresh loan for putting up pucca buildings instead of sheds. The construction of buildings is now in progress as also the completion of works relating to improvements to playgrounds and manufacture of playground apparatus. If the works are completed and paid for, the closing balance under loan accounts for the year 1947-48 is expected to be Rs.17,500/-.

In my letter C.A.D.C.B.2-1833/47 dated 22-8-47, Government have been requested to make provision in their Civil Budget for 1948-49 for the grant of a loan of Rs.58,27,250/-. This amount is inclusive of a sum of Rs.6,24,450/- required for capital works under the Elementary Education Fund. The following are the Capital works for which the loan under the Elementary Education Fund has been applied for.

Conclusion.

* * * * * * * *

With reference to the above, I have to offer the following remarks on the new schemes proposed by the Corporation:

(a) Opening Schools in Slums:- The proposal of the Corporation is recommended.

(b) Opening of two Muslim Girls Schools in Kodambakkam and Amjikarai:- I am not in favour of opening more Communal Schools. Unless the language of instruction in these two places schools is to be Urdu; they need not be opened.

(c) Introduction of spinning and weaving in Corporation Schools:-This may be accepted.

(d) Play days and play festivals : Proposals (1) and (2) (i) are recommended. Re.(2)(ii), attention is solicited to G.O. No.1390 Education dated 31st May 1948 approving the revision of the scale of pay of Playground supervisors to Rs.50-95. Hence no further action is necessary.

(e) Opening of a school for the benefit of the children of Pallavaram Quarry Workers:- This may be approved.

(f) Conveyance allowance to supervisors:- The proposal of the Corporation may be approved. If the Supervisors maintain motor cars they ought to be paid an adequate allowance. The Drivers pay in Madras is now 45 to 50/ and it is not possible for any woman Supervisor particularly to bear the expenses.

(g) Need for additional Supervisors:- There are at present 6 Superviors - 2 women and 4 men. These ought to be sufficient. If, however, a need is felt for more it is best to have only men supervisors. The practice of having women supervisors for girls schools and men for boys schools may be given up. If the City is divided into ranges the present number of supervisors will be found adequate.

(h) Additional clerical staff:- This may be accepted.

(i) Corporation pay to certain inferior servants in the extended area schools:- The proposal is recommended to be approved.

(j) Play ground attenders:- This is recommended.

(PTO)

(k) Lascars in Kondithope School Press:-

This is recommended to be sanctioned.

(l) S.S.L.C. Tutorial classes in Corporation High School, Nungumbakkam:-

Certain particulars have been called for - from the District Educational Officer and remarks will be offered soon as after the receipt of the information.

(m) Additional Teachers:- This may be approved.

Yours faithfully,

for DIRECTOR OF PUBLIC INSTRUCTION.

C.No 21012. From the D.P.I. Roc No. 5313-3/47-48 dt 17.3.48

Subj: Elementary education - Corporation of Madras BE 1948-49.

The D.P.I has forwarded with his remarks the Budget estimate of the Ele Ed fund of the corpn of Madras.

The Budget provides for the usual charges and for new schemes costing a lakh of rupees. The D.P.I has not offered any remarks on the new schemes proposed by the Special officer Corporation. Before the schemes are examined it seems desirable to obtain the remarks of the D.P.I. A draft memo to the D.P.I is submitted for approval.

In this connection it may be noted that the Commissioner has submitted proposals to grant revised scales of pay and increased rates of dearness allowance to the staff paid out of the elementary education fund. The proposal regarding the grant of revised scales of pay has been referred to the D.P.I for remarks. He has been reminded already. His reply is awaited. The other proposal on the grant of increased dearness allowance has also been referred back to the Commissioner for a report stating as to how he proposes to meet the increased expenditure on account of the grant of increased rates of D.A. If the two proposals are to be approved, examined before orders are issued on the Ele Edn budget for 1948-49 the E.E. fund account opens with a balance of Rs. 2324/- and closes with a deficit of Rs. 18539/- The Corpn proposes to meet the deficit by an additional contribution from the General funds. However the financial position may alter if the above two pro-

Sd in original to D.P.I. Despatched on 22/4 pilot LFI

are agreed to. In the circumstances it is for orders whether the file may lie over till the replies from the D.P.I and the Commr are received

[Issued memo 21012-B2/48 Edn dt 27.4.48]
From the Commr Corpn Madras No. B.1-3767 dt 7.6 & 286.48

The D.P.I has not yet forwarded his remarks on the new schemes proposed by the corporation. The issue of orders on the budget has been delayed and it therefore appears that separate action may be taken in regard to the new schemes and that orders on the budget may be issued now without waiting for the reply from the D.P.I

2) Orders on the grant of revised ⊗ scales of pay and increased rates of dearness allowances to the staff paid out of the elementary education fund have been issued already. The commissioner has reported that the additional expenditure on these two items can be met from the large balance in the Ele Edn fund at the end of 1947-48 and also from the increased income anticipated on the levy of increased rate of property tax w.e.f 1-1-47. In the circumstances, the closing balance as arrived at in the budget will not be reduced. ~~and the closing~~ ~~Now may be some surplus~~

3) If the cost of the new schemes proposed by the corporation is kept out of account the ele education fund account will close with a surplus of Rs 81,46/- at the end of 1948-49. The budget as prepared by the corporation may therefore be approved draft order is submitted for approval.

4) The corporation has submitted the following proposals with reference to the orders issued
