From Education Department.
The Director of Public Instruction,
Madras.

To The Secretary to Government,
Education & Public Health Department,

C. 408-M/48 dated 26th August 1948.

Sir, Sub: Basic Education - Appointment of Craft Attenders -
qualifications- prescription of.

The Government have sanctioned craft attenders to each of the Basic Training Schools and for the Junior Deputy Inspectors(Basic) But no qualifications either general or special have been prescribed for them. I consider that in addition to the general educational qualification of a pass in Form III or E.S.L.C. of VIII Standard, a craft attender should possess a craft certificate issued by the All India Spinners Association but in the case of professional weavers, carpenters and agriculturists, the A.I.S.A. certificate need not be insisted upon.

I request Government to approve of my suggestion and to pass early orders.

Yours faithfully,

R.V. Rudrappaswami
