LOCAL ADMINISTRATION DEPARTMENT.
From

To

Sri S. Rajagopala Ayyengar, B.A.,
Special Officer, District Board,
North Arcot, Vellore.

The Secretary to Government of
Madras,
Education & Public Health Department
Fort George, Madras.

Roc.B3. No.12331-46 dated 11th June 1946.

Sir,

Sub: BUILDING--Board High schools--Construction of sheds--
Estimates and plans requested.

Ref: This office letter to Government B3. 12331-46 dated
19.6.1946.

...oOo...

In continuation of this office letter quoted above, I beg to inform the Government that Temporary Sheds were constructed at the following places for the purpose of meeting the extro-ordinary and unusual rush of admission of pupils for the various Board High schools in June and July 1946. The sheds have been since completed and the cost therefor is noted against each.

43758

Dimensions of the sheds	Amount. Rs.
1. Board High school, Arni.	2,784. 7.0
2. " Wandiwash.	830. 0.0
3. " Chengam.	1,784.15.0
4. " Cheyyar.	2,795. 1.0
5. " Arcot.	1,203. 5.0
6. " Polur.	2,029. 0.0

2. Except in the case of the last viz., Board High school, Polur, all the other sheds have been completed and made useful to the pupils in the respective High schools within a period of 3 to 4 months in 1946. The Progress of the shed at Polur, Board High school was impeded by the absence of roofing materials as it was considered safe to put a semi-permanent roof like asbestos sheet, mangalore tiles etc., This course was found necessary as there were number of thatched sheds within the compound and this shed was so located to enclose the other sheds for safety purposes. At that time the scare for setting fire to the thatched sheds in public buildings was also rampant. The work done through the agency of the Headmaster has been since measured by the Engineering Department and accounted for. The balance of the work is asked and left to be done by the Engineering Department and this is also in progress.

3. As the value of these works exceeds Rs. 2,500 in the case of items 1 and 4. I request the special sanction of the Government in having dispensed with the inviting of tenders under rule I(1) of the tender rules framed under G.O.No.1410, L.A., dated 23rd May 1941 as amended for the reason that these works were urgent and were of non-technical in nature and the works were subsequently measured and check-measured by the Highways Department. The Headmasters took the advice of the Supervisors of the Highways Department wherever necessary and possible while executing the works under reference.
