Sub: House Rent allowance - drawal of at St. Thomas Mount - Permission Requested.

We the members of the staff of the Office of the Deputy Inspector of Schools, Saidapet Hindu Range beg to state that our Office formerly situated at Saidapet (Corporation area) was now been shifted to St. Thomas Mount and located in the St. Thomas Mount Main Post Office building with effect from 1.3.48. We are forced to reside within the city limits in as much as no accommodation is available in the present station. We represented our difficulties to the Divisional Inspector of Schools, Madras Division and requested for grant of House Rent allowance at this new station also until we secure accommodation. The Divisional Inspector of Schools, Madras Division in his L.O. No. 748 dated 9.3.48 reported that our claim is inadmissible, we therefore submit a copy of the same for your favourable consideration and recommendation to the proper authorities for sanction.

We beg to add that St. Thomas Mount is a Pucca military station where we are unable to secure

as our office is located is much affected by heat waves during summer. In these circumstances we pray that due consideration is given to the request of the loyal servants.

We beg to remain
Sir
Your most obedient Servants.

There is acute shortage of house accommodation in St. Thomas of south and even if accommodation is available the rates of rent charged are very high. Since these persons were enjoying the house rent allowance, while they were at Saidapet and their conditions are no better now, perhaps Govt. may be approached for the resumption of the allowance on behalf of these persons who have been suddenly deprived of it for no fault of their's but due to change of location of the office.

Finance (E.I).

The office of the Deputy Inspector in this case has been transferred to a mufassal place (St. Thomas Mount) and the staff are not eligible for the house rent they were drawing while in City limits. It may also be pointed out that house rent in the City limits is actually more than that prevailing in suburbs, and some employed in the City actually reside in St. Thomas Mount. It does not therefore seem that the request can be complied with.

With the above remarks the case may be returned to Edn. & P.H.

14.9.48
There is no justification for treating these men differently from other Govt. servants in the same station.
Office might, however, examine the case for H.R.A., perhaps at the lower rate for mufassal towns for all Govt. servants in St. Thomas Mount. This must be serious papers.

Finance (E-I)

Resubmitted with reference to Dy. Secy's remarks at 'A' above.

The criterion for determining the eligibility of a Govt. servant for house-rent allowance is whether he is employed in one of the places detailed in the Appendix to G.O. 78 Fin. d/6-2-47, and not actual residence in those ~~municipalities~~ places.

Govt. servants within the pay limits specified in G.O. 78 Fin. d/ 6-2-47, and G.O. 732 Fin. dated 26-7-48, who are employed in one of the places mentioned above will thus be eligible for house-rent allowance, irrespective of the places of their residence. These criteria are strictly adhered to in the matter of payment of house-rent allowance.

p 3 Cfg 4

3/ Although the Board of Revenue asked for the inclusion of Golden Rock and Srirangam, in the list of eligible municipalities for the drawal of House-Rent Allowance, the Govt. considered that mere proximity to Trichinopoly is not sufficient reason for their inclusion - please see G.O. 468 Fin. dated 19-6-47. In a somewhat similar case, that of the Mental Hospital, Calicut, the Govt. considered that no exception should be made to the general rule -- vide G.O. 499 Fin., dated 2-7-47.

H.M (Fin.) has minuted as follows in the above two cases:-

Golden Rock and Srirangam cases.	"Mere contiguity does not make out a case"
Mental Hospital, Calicut case	"Let us not make any departure from the general rule"

In the present case, the employees of the Dy. Inspector of Schools, Saidapet, Range, were enjoying the house-rent allowance prior to the shifting of their office to St. Thomas Mount. All transfers of Govt. servants, in the public interest, from a special locality to an ordinary locality, involves some hardship for the employees on account of a reduction in emoluments, and if the Govt. undertake to compensate them for the loss, it is likely to result in considerable extra expenditure. It may be mentioned, in this connection, that if a concession is made and H.R.A. sanctioned to the staff in question, it will be very difficult to resist similar claims from Govt. servants stationed in Tambaram, Pallavaram, etc.

In the circumstances, it is for orders whether the matter will be pursued.

26.8.48 It is noted that the comparison made by Finance - St. Thomas Mount with Golden Rock and suburb of Calicut - is not quite apt. It is an admitted fact that St. Thomas Mount is as much crowded as the Madras City. Further in this case the employees were actually getting the allowance and it will be very hard to withdraw it merely because their office has been removed to St. Thomas Mount. For orders whether this dept may press the proposal.
