The actual number of the latter is reduced to 237 if the successive issues of the same periodical for the whole quarter are, as usual, grouped together under one entry.

2. The classification of books and periodicals, according to different languages in which they were published is shown below:-

Language	Books	Periodicals	Total	Books designed for educational purposes.
English ..	86	81	167	38
Tamil ..	257	88	345	108
Telugu ..	111	51	162	19
