Memo. No. 44276A-1/48A Edu dated 22-6-48.
Sub: Colleges - Govt. - Payment of application
fees etc.

There seems to be some
discontent among the public because of the
fact that Candidates applying for admission
to Govt. institutions are not allowed to make
payment of the requisite fees in cash
or by money order or postal order but are
asked to pay money into a bank and
produce the chalang and also on account
of the fact that each of the various institutions
for example the ~~Medical College~~ and ~~Engg. College~~
insists on the production of original certificates
and they are not content with the production
of attested copies. The D.P.I. is requested
to examine whether any ^{S.G.} arrangements
P.T.O.

can be made to set this right and make
a report to Govt. urgently.

(With reference to Government Memorandum No.
44276-A1/48-1 Education dated 22-6-48, I have the honour
to state as follows:)

2. Regarding the payment of application
fees by students of Madras City seeking admission in the
City Government Colleges, there can be no discontent
since instructions were already issued in the Director's
Proceedings Rec.No. 53-H/45 dated 15-5-46 to the Principals
of these colleges that the registration fees due from
such students should be collected at the college offices -
[Vide Govt.Memo. No. 6707-A/46-2 Edn. dated 8-5-46 and the
Director's letter to Government Rec.No. 53-H/45 dated 1-2-46
disposed of there in.] This may be done also in the case
of mofussil students who apply to and are residents
of the localities where the mofussil Government Colleges
are situated.

2. The Students who are not residents of Madras
that apply for admission into the city colleges should send
Treasury Chalang along with their applications. But where
it is inconvenient for them to pay in the treasury.....

treasury and obtain chalang (i.e.) in cases where the students reside in places far away from the treasuries and it is not easily possible for them to go there) the students may be permitted to send their application fees by Indian Postal Orders or by Money Orders. When payment by Money Orders is made, the students should attach to their applications the M.O. receipts in token of their having paid the requisite fees. This procedure may be adopted in the cases of students applying to the mofussil colleges also, if they are not residents of the places where these colleges are located and only if it is not possible for them to pay the fees in the Treasury and enclose the Treasury Chalang with their applications.

3. In order to avoid discontent and inconvenience to the students I would suggest that Principals of all Govt. Colleges may be directed to make specific mention in their notification about admission that applicants need send only copies of the documents required. The applicants should however be asked to produce the originals at the time of actual admission.

Yours faithfully,

Chandrasekhar
