I have the honour to submit herewith for favour of orders of Government a copy of petition dated 2nd October 1947 from Miss Rachel Verghese, Temporary Assistant Lecturer in Chemistry, Queen Mary's College, Madras, requesting that she might be appointed to any post in the Madras Educational Service for the reasons stated by her. She also requests that till such time as Government could give her a post in the Madras Educational Service, her present appointment as temporary Assistant Lecturer in Chemistry, Queen Mary's College, Madras, may be regularized.

2. She was appointed as temporary Assistant Lecturer in Chemistry, Queen Mary's College on 8-7-1946 and she is being continued in the post. In Confidential G.O.No.Ms.1768 Edn., dated 6-8-1947, it was ordered that the vacancy that arose consequent on the expiry of the period of re-employment of Miss M.M. Mehta be reserved to be filled by recruitment by transfer. Consequently, the post of Lecturer in Chemistry which has to be filled in by the appointment of a direct recruit is dropped. Miss R. Verghese was selected for the post but subsequently her selection was cancelled in view of the confidential G.O.No.Ms.1768 Edn., dated 6th August 1947.

3. In view of the facts stated above, I recommend that the question of appointing her regularly to the Madras Subordinate Edl. Service may be considered favourably.

4. I do not support her request for appointment to the Madras Educational Service.

DRR —

for Director of Public Instruction.

Copy of petition dated 2-10-1947.

I beg to bring to your kind notice and favourable consideration and redress the following facts.

As per R.C.No.612 C/46 dated 9-7-46 from the Deputy Director of Public Instruction, I have been working as temporary Asst. Lecturer in Chemistry from 8-7-1946, and am still continuing in the same capacity.

As per notification of the Madras Public Service Commission dated 23-12-46 calling for applications for appointment of Lecturer in Chemistry by direct recruitment in the Madras Edl. Service I applied for the same and was interviewed by the Public Service Commission. In this connection I may be permitted to mention that this same vacancy was advertised to be filled by

2 :
direct recruitment the previous year also, and no candidate was selected. As per order No. 6593 B.1/46-8 from Public Service Commission dated 17-3-47, I was informed that I had been selected in the above vacancy and I submitted the certificates called for, to the Service Commission. From that date I had been waiting for orders from Government appointing me in the Madras Edl. Service but to my great disappointment I received intimation dated 27-8-47 from the Madras Public Service Commission that the Government has since decided to fill the vacancy by promotion, and when the order stated further that even my selection had been cancelled, it was a much greater disappointment to me.

Since the time of advertisement to fill the above post by direct recruitment, appeals have been sent up ~~xxx~~ to fill the above post by promotion, but direct recruitment was proceeded with, as per rules. And yet, the Government have now decided that the vacancy should be filled by promotion. As I was sure that this was a direct recruitment post, and as I had been selected by the Madras Public Service Commission, I have even refused other offers of appointment elsewhere.

A I therefore request that this matter may kindly be gone into and reconsidered. If Govt. cannot find their way to give me the post that was advertised, I request that the Govt. may kindly be pleased to appoint me in any post in the M.E.S. in view of the fact that in addition to being a First Class M.Sc. in Chemistry, I have been a B.A. in Chemistry since 1935 and an L.T. since 1937 and have teaching experience ever since on the staff of schools and colleges in the Madras Presidency. If I am not given this opportunity, I doubt whether I will have a chance of being taken on into the in spite of the fact that the Public Service Commission has found fit to hold such a post.

B I would also bring to the kind notice of the Government the fact that in view of my selection by the Madras Public Service Commission, I did not find it necessary to apply for the Assistant Lecturer's post which was advertised for, a little later, the intimation regarding my selection to M.E.S. having been received prior to the last date of application for Asst. Lecturer's post.

B Till such time as Government could give me a post in the M.E.S. I request the Govt. to kindly reconsider the situation in which I am unhappily placed, and regularise my appointment as Asst. Lec with retrospective effect so that my services may not suffer, thus enabling me to work my way up in service. I make this a fervent appeal especially on account of the fact that unless I am posted in the M.E.S., within the next two years (the question of age coming in) my only chance of working my way up would be through promotion, even the latter being a remote possibility, as there are younger people with less qualification senior to me already in service.

Thanking you in anticipation for a sympathetic re-consideration of my case.

Y.R.A. I
for Director of Public Instruction.

R.C. No. 4415(C2)L1/47 dated 2-4-1948.

Sir,

Ref: Your confidential post copy of T.M. dated 28-2-48 regarding the regularization of the appointment of Miss R. Verghese, Temporary Asst. Lecturer in Chemistry, Queen Mary's College, Madras.

I have the honour to submit the following information on the points raised in the above communication seriatim:-

(i) The vacancy in which Miss R. Verghese is officiating temporarily, is a temporary vacancy caused on account of the promotion of the permanent incumbent to the Madras Edl. Service temporarily which is not yet regularized.

(ii) Miss R. Verghese does not hold regularly any appointment in the Education Department and as such she is not eligible for promotion as Assistant Lecturer.

(iii) The vacancy in which Miss R. Verghese is now officiating under emergency provisions is not reserved for a war service candidate.

(iv) The vacancy of Assistant Lecturer in Chemistry in the Queen Mary's College, Madras, in which Miss R. Verghese is now officiating temporarily was advertised for direct recruitment during the year 1947 but the Commission has not selected any candidate for the post of Assistant Lecturer in Chemistry. As the roster of community is maintained by the Madras Public Service Commission, it is not possible to say for which community this vacancy has been reserved. But from the Commission's advertisement it is seen that out of the eight vacancies advertised last year, two are ear-marked for the Anglo-Indian, Christian or non-Asiatic and none has been selected from the above community.

(v) Miss R. Verghese was born on 26th September 1914. She is eligible for appointment as Assistant Lecturer by direct recruitment only under rule 6(d) of the Special Rules for the Madras Educational Subordinate Services.

for Director of Public Instruction.

Miss Verghese states that in 1947 she did not apply to the post of Asst. Lecturer advertised in the hope of being apptd. as Lecturer in the M.E.S., she having recd. intimation of her selection for direct recruitment to the latter post. Pl. say whether at that time she satisfied the age-limit prescribed for appt. as Asst. lecturer - rule 6(a) and (d) of the M.E.S.S. Special Rules - and whether she was eligible to apply for the post.

(6) As selection for direct recruitment to posts of Asst. Lecturers has to be made by the Commission, what specific action in that matter is recommended for being taken by Govt.

Sir,

M.E.S.S. - Appt. of Miss R.Verghese as
Asst. Lecturer.

I am directed to invite refce. to the correspondence ending with my letter No.12680-A-5, dated 6-8-1947, and to forward herewith copy of a petition, dated 2-10-47, submitted by Miss R.Verghese whose selection for appointment as Lecturer in Chemistry in the M.E.S. (Women's Branch) was dropped. Miss Verghese has been offg. as Asst. Lecturer in the M.E.S.S. under the emergency provisions since 8-7-1946.

The Government do not think that the question as to the method of recruitment to the Chemistry Lecturer's post in the M.E.S. should be reconsidered, as suggested by Miss Verghese in her petition. Nor do they propose to examine her alternative request for appointment to any other post in the M.E.S.

It has, however, been suggested that, in view of the circumstances in which, she says, she did not apply to the Commn. in 1947 for selection for direct recruitment to the post of Asst. Lecturer in the M.E.S.S., Miss Verghese's tempy.appt. as Asst.Lecturer may now be regularised - the age rule governing the post being relaxed in her favour. She does not hold any post in the M.E.S.S. in a regular capacity and she is not eligible for appt. as Asst. Lecturer by 'promotion'. Her appointment as Asst.Lecturer should be made by the method 'direct recruitment'. But, the usual statutory reference to the Commission for filling the post by direct recruitment will not guarantee her selection considering that point, and considering the fact that the Commn. selected her previously for appt. even as Lecturer, it has also been proposed that, if the Commn.

I am to say that in the particular circumstances stated in the letter cited, the Commission agrees under the latter part of Regulation 18(b) of the Madras Public Service Commission Regulations, 1937, to the appointment of Miss R. Encl: Nil.

pmr. 10/9/48.

Miss R. Verghese has been off ^{under the emergency} as Asst. Lecturer in Chem. in the MESS since 8-7-46. In Jan'y. she applied to the MPSC for direct recruitment to the post of Lecturer in Chem. in the MES (Women's Br.), which had been advertised by the Commn. at the request of the Govt. The Commn. selected her. About that time, the post of Asst. Lecturer which she was holding temporarily was also advertised for direct recruitment. She did not apply for that post. Nor did the Commn. select a candidate for appt. thereto.

As regards the Lecturership, the Govt. subsequently decided that it shd. be filled, not by direct recruitment, but by ^{recruitment} ~~recruitment~~ ^{rect.} by transfer from the MESS and ^{they} therefore dropped Miss Verghese's selection. W.r.t. those orders, she recently subd. a petn. to Govt. saying that the reason for her not applying for the Asst. Lecturer's post was that, prior to the last date for the subn. of appln., she had recd. from the Commn. intimation of her selection for the Lecturer's post and requesting ^{inter alia,} that action to regularize her tempy. appt. as Asst. Lecturer might be taken.

Miss Verghese's appt. as Asst. Lecturer can be made only by the method of direct recruitment - after she gets selected by the Commn. if the usual statutory refce. is made to that body. Further, she has exceeded the age-limit laid down for the post. It has however been suggested, in view of the previous history of her case, (1) that the age-rule might be relaxed in her favour, and (2) that she ^{might} ~~may~~ be apptd. regularly without refce. to the Commission. The Commn., which was consulted ^{on} in the matter, ^{agreed} ~~agreed~~ to the ^{latter} ~~latter~~ suggestion. The Govt. consider that there is justification to adopt both the suggestions.

H.E. the Govr. of Madras accordingly orders, under sec. 241(5) of the G. of I. Act, 1935, that the provns. of rule 6(a) of the Spl. Rules for the MESS be relaxed in favour of Miss R. Verghese with a view to her appt. as Asst. Lecturer in the MESS.

Under the

GOVERNMENT OF MADRAS,
Education and Public Health Department,
G.O. (P) No. 2424, Education dated 23rd September 1948.

ABSTRACT.

MADRAS EDUCATIONAL SUBORDINATE SERVICES - Miss R. Varghese - Appointment as Assistant Lecturer - Age rule relaxed - Consultation with Commission involved.

READ:-

From the Director of Public Instruction No. 4415-02/47, dated 30-1-48.
Letter to the Secretary, Madras Public Service Commission No. 8354-1-48, dated 26-8-48.
From the Secretary, Madras Public Service Commission No. 5050-31/48-1 dated 9-9-48

ORDER:

Miss R. Varghese has been officiating under the emergency provisions as Assistant Lecturer in Chemistry in the Madras Educational Subordinate Service since 8-7-1946. In January, 1947, she applied to the Madras Public Service Commission in Form M for direct recruitment to the post of Lecturer in Chemistry in the Madras Educational Service (Women's Branch) which had been advertised by the Commission at the request of the Government. The Commission selected her. About that time, the post of Assistant Lecturer which she was holding temporarily was also advertised for direct recruitment. She did not apply for that post. Nor did the Commission select a candidate for appointment thereto.

As regards the Lecturership, the Government subsequently decided that it should be filled, not by direct recruitment, but by recruitment by transfer from the Madras Educational Subordinate Service and they therefore dropped Miss Varghese's selection. With reference to those orders, she recently submitted a petition to Government saying that the reason for her not applying for the Assistant Lecturer's post was that, prior to the last date for the submission of application she had received from the Commission intimation of her selection for the Lecturer's post and requesting inter alia, that action to regularize her temporary bar appointment as Assistant Lecturer might be taken.

Miss Varghese's appointment as Assistant Lecturer can be made only by the usual method of direct recruitment—after she gets selected by the Commission if the usual statutory reference is made to that body. Further, she has exceeded the age-limit laid down for the post. It has however been suggested, in view of the previous history of her case, (1) that the age-rule might be relaxed in her favour, and (2) that she might be appointed regularly without reference to the Commission. The Commission, which was consulted on the latter suggestion, has agreed to it. The Government consider that there is justification to adopt both the suggestions.

His Excellency the Governor of Madras accordingly orders, under section 2(5) of the Government of India Act, 1935, that the provisions of the rule 6 (a) of the Special Rules for the Madras Educational Subordinate Service be relaxed in favour of Miss R. Varghese with a view to her appointment as Lecturer in the Madras Educational Subordinate Service.

These are the orders of regulation 18(b) of the Commission regulations and Government direct that the appointment of Assistant Lecturer in Chemistry in the Madras Educational Subordinate Service of Miss R. Varghese be made by the Commission.

From the D.P.I., No.4415-C2/47, dated 30-1-48 and 2-4-48.

Miss R.Verghese, offg. Asst.Lecturer - Request for regularization of appt. as Asst.Lecturer and for appt. as Lecturer.

At Govt.'s request, in Decr.1946, the MPSC

advertised for direct recruitment the post of Lecturer in Chemistry in the Women's Br. of the M.E.S. and selected Miss R.Verghese, an emergency Asst. Lecturer in the Q.M.C., for appt. But, in the circs. and for the reasons set out at pp. ¹¹⁻¹² ~~14-15~~ C.F. of "Q", the Govt. did not approve of the selection but reserved the post for being filled by 'Transfer from the Subordinate Service' and appointed Mrs.T.Vasundhara, permanent Asst.Lecturer, who had already been considered by the Commn. as suitable for appt. by that method.

2. Miss Verghese (whose selection for direct recruitment was dropped) has now put in a representation, requesting a reconsideration of the matter. Portions A and B in the representation (C) does not add any strength to her case - particularly in the light of the fact that in all its notfns. the Commn. incorporates a clause that selection does not carry with it any guarantee of appt. The decision to appoint a 'promotee' to the Lecturer's post was taken after due and exhaustive deliberation.

Failing a favourable reconsideration of the decision in regard to the Chemistry post, Miss Verghese has requested that she may be apptd. to any other post in the M.E.S.

Either of the requests above is not supported by the D.P.I. They may be negatived.

3. Another alternative request has been made by Miss Verghese. She still continues to officiate under the emergency provns. in the post of Asst.Lecturer (Subordinate Service) - in which she was at the time of her applying for the M.E.S. post. About the time selection for the Lecturer's post was made, the post of Asst.Lecturer was advertised by the Commn. for direct recruitment, at the instance of the Dy.D.P.I. (appointing authority for Asst.Lecturers); but no candidate was selected by the Commn., apparently for the reason that none of the applicants was considered suitable by it. Miss Verghese says that she could have applied for the Asst.Lecturer's post, but she did not apply because, before the last date for the receipt of applns. by the Dy.D.P.I., she had been informed by the Dy.D.P.I. that the post was reserved for a 'promotee'.

hoped that she would be apptd. as Lecturer soon. She requests that, considering that position, her tempy. appt. as Asst. Lecturer may now be regularized with retrospective effect. The Dir. recommends this request for favourable consideration".

The argument at "N" on pp.1-2 above is not convincing -

M on p.1 ante.

Further, whereas in 1947 she was eligible for appt.

an M.E.S. post, the age-limit for which was 35, she could not ordinarily apptd. then as Asst. Lecturer. Under the rules, for appt. as Asst. Lecturer, one should not have completed the age of 30 yrs., and ~~only~~ only if no qualified and suitable candidate satisfying that limit is available, then a candidate who has not completed 35 years can be apptd. If Miss Verghese had applied, her case would have been considered by the Commn. only if the contingency contemplated in the rule arose.

Leaving aside that aspect, she does not hold any

substantive or regular appt. in the M.E.S. and is not eligible for appt. as Asst. Lecturer by the method 'promotion'. Her appt. ^{can} should only be by 'direct

recruitment', thro' the M.P.S.C., by open competition. The Govt. cannot therefore grant her request for regularization of her ^{tempy.} appt. as Asst. Lecturer. There is no sufficient justification for relaxing the relevant rules in her behalf to enable her regular appt.

As the post continues to remain unfilled and as she

has not still exceeded the age of 35, the only course that can be adopted seems to be to ask the D.P.I. to arrange for the advtt. again of the post now, and also advise the candidate to apply for it and take her chance w.r.t. the 35 years' age rule.

(Last seen on p.2 ante). The minute of H.H. (Edn.) & the note of E.P.H. above maybe perused. No objection need be taken to resume being had to regn 18(b) of the M.P.S.C. Rules: inasmuch as there was no response for the M.P.S.C.'s advertisement calling for applications for post of Asst. Lecturer, there seems to be justification to the course. The rules which technically stand in the way of her appointment maybe relaxed after getting orders in circulation, including H.H. The file maybe returned to E.P.H.

What are these rules? E.P.H. note shows that no relaxation is necessary. What is wanted is only consultation with the D.P.I.

15.5.48

It is possible that the app rule may have

to be relaxed. It is not known if the rule re communal rotation should not also be relaxed. In order to carry out H.M.E.R.'s order this aspect of the question, i.e. relaxation of rules, needs detailed consideration in E & P.H. before issue of orders.

E & P.H. may please ascertain from the D.P.I. what rules should be relaxed in favour of Miss Verghese and let this Dept see the file again before re-circulation.

Edn. and P.H. Dept. (A).

The reply of the D.P.I., who was consulted, is to the effect that consultation with the Commission may be waived and that the age rule may be relaxed with a view to Miss R. Verghese's regular appt. as Asst. Lecturer.

It does not seem that the rule re: communal rotation also need be relaxed: she can be shown as having filled the turn for the Xian community in the communal roster.

Pub. (Ser.) may see. (After orders are obtained in recd., the MPSC will have to be addressed for its concurrence for making the appt. without refce. to it.)

The subsequent notes of E & P.H. on p. 4 ante may be perused. This department may agree to the proposals therein. E & P.H. will, no doubt circulate the case to H.Pr. as already suggested before addressing the M.P.S.C. for its concurrence under Regulation 18(b) of the M.P.S.C. Regulations. When orders relaxing the rules are issued, a copy of the orders should be communicated to the M.P.S.C.

The file may be returned to E & P.H.

The notes on pp. 1-2 ante of H.M. (Edn.)'s minutes at top of p. 3 ante may be read. To give effect to H.M.'s orders, the usual consultation with the M.P.S.C. for making appts. has to be waived, after obtaining the Commission's concurrence, in the case of Miss R. Verghese, and the age rule for appt. (as Asst. Lecturer) has to be relaxed in her favour. Public agree to that course. The file may be cd to H.M. (Edn.) & H.Pr. for
