Sir John Sargent,
Secretary to the Government of India.

To
The Secretary to the Government of Madras,

Subject:- Scholarships for advanced studies overseas - Passages arranged for Provincial Sponsored Scholars.

Sir,
(M)D.W.P. I am directed to state that some cases have been brought to the notice of the Government of India by the Travel Agents where the passages booked for Provincial Sponsored Scholars were not actually availed of without sufficient previous notice for the cancellation of the same. This, apart from entailing loss of the passages may also result in actual financial loss on account of forfeiture of the cost of the passages.

The Government of India, have, therefore, decided that henceforth the behavior of the sponsoring Provincial Government is to be restricted for any financial loss caused by the failure of a scholar to avail himself of the passage booked for him. The Government of India will, however, be prepared to consider on merits any representation based on extenuating circumstances in any individual case.

I have the honour to be,
Sir,
Your most obedient servant,

No. F. 2-30/47.O.D.IV.
Government of India.
Ministry of Education.

New Delhi 3, the 31st December, 1947.

From Sir Shanti Swarup Bhatnagar,
D.Sc., F.R.S.,
Secretary to the Government of India.

To The Provincial Governments of Assam, West Bengal,
Central Province, Madras, Bombay, Orissa, East
Punjab, United Provinces, and Bihar.

Subject: - SCHOLARSHIPS FOR ADVANCED STUDIES OVERSEAS
PROVINCIAL GOVERNMENTS - PASSAGE ARRANGEMENT.

Sir,

In continuation of this Ministry letter of even number, dated the 22nd October 1947, I am directed to state that it has been observed from past experience that quite a large number of scholars, for one or other reason, either refuse or fail to avail of passages offered to them with the result that their respective Provincial Governments as well as the Government of India are put to unnecessary financial loss in forfeiting the fare money already paid on their behalf, and in incurring higher cost on arranging higher class accommodation for them by some other boat to enable them to join their institutions in time.

Whatever the reasons of this wastage of passages, it will be appreciated that this is most regrettable in view of the extreme difficulty of securing admissions to overseas universities as also passage-s these days. Therefore, with a view to minimising the number of such cases, the Government of India have laid down the following procedure to be observed by all Provincial Scholars:-

- a) Every Provincial Scholar should arrange to obtain a valid pass-port, and if necessary, visa, and make necessary preliminary preparations in good time. If in any case a scholar fails to obtain the passport or visa or make necessary preparation without any unavoidable reason and is thereby rendered unable to accept any passage allotted to him, he

he will himself have to bear subsequently any difference of cost between 'B' Class passage and any higher class of passage that he may have to be provided with in order to enable him to avail himself of the admission arranged for him.

Scholars are responsible for arranging with their employ-

ers whether Provincial Government or private employer for release at short notice should a passage become available at short notice.

If any passage is declined or not availed of due to the refusal of the employer or the Provincial Government to release the scholar in time, the Government of India will not be willing to meet the extra cost of passage of a higher class (necessitated thereby). Such higher cost will have to be met either by the employer or by the scholar himself.

In case of illness preventing acceptance of passage

allotted, the scholar should be advised

- (i) to inform the Government of India of any serious illness as soon as that sets in.
- (ii) As soon as intimation of allotment of passage is received, necessary intimation should be sent to the Government of India of his inability to avail of it so that either the passage may be allotted to some other scholar or surrendered to the Travel Agents in time to prevent Government being charged for that passage.
- (iii) As soon as possible after recovery to the medical certificate signed by the Civil Surgeon or the Chief District Officer in charge of the District.

If a scholar fails to comply with the above he may be held liable for any passage allotted to him and not availed of by him for which Government may have to pay. Government would also not meet any

higher cost of passage unless the above is complied with.

If, however, a Provincial scholar is unable to avail of an allotted passage on account of delay on the part of the Provincial Government either in releasing him or in granting him necessary passport or otherwise the Provincial Government will have to bear the extra cost.

It is requested that the selected scholars still awaiting admission and passages may be apprised of the above procedure

without any delay.

I have the honour to be,
Your most obedient servant,

B. H. Vigorani

No. F.15-4/46-OD.IV.
Government of India,
Ministry of Education,

New Delhi 3, the 25th February 1948.

From

The Secretary to the Government of India.

To,

All Provincial Governments.

Subject:- Scholarships for advanced studies
overseas - Provincial - Passage
arrangements - Direct correspondence
with the Provincial sponsored
scholars and deputationists.

Sir,

I am directed to say that the Government of India have decided that, with a view to cutting down unnecessary delays, Provincial sponsored scholars and deputationists will, in future, be approached direct by this Ministry in connection with offers of passages for overseas countries. Correspondence on all other matters, including the issues arising out of refusal on the part of any of them to avail himself of the offered passage, will, however, be carried on through the respective Provincial Governments as before.

It is, therefore, requested that addresses of the sponsored scholars and deputationists who are still in India may please be intimated to this Ministry as early as possible and that they may be asked to intimate in future any change of address direct to this Ministry also.

I have the honour to be,
Sir,
Your most obedient servant.
