Dear Sir,

Madras Government stipendiary scholars for
higher training in the U.S.A. (1947-48) -
Mr. Melton Peterson Arthur.

We thank you for your memorandum No. F.4-2/47-0.D.IV
the 9th February and have noted that Mr. Arthur's case
has now been diverted to the Indian Embassy, Washington.
We have amended our list accordingly.

Consequent on his admission having been secured in
America, we are also registering him for a sailing to
America. In this connection, it has been noted that he
should not reach the States before March 28th, 1948.

Kindly advise us the latest date by which he may
arrive there.

As already advised the S.S. *Poland* is expected to
leave Colombo during the second half of March for Halifax
and New York and it may be possible for him to obtain a
berth for Mr. Arthur on this steamer. The single fare
Colombo/New York is \$ 440. If this is in order, we will
be happy to try and make a definite reservation for him.

We are also consulting the Provincial Government
the matter.

Efforts are being made to arrange a Steamer passage
for Mr. Arthur direct to the States by the s.s. "Legion Victory"
ex Calcutta on the 23rd February for the East Coast of America.
At the same time we have registered him for a steamer passage
to the U.K. from where a connecting passage also by surface
route would have to be arranged for him across the Atlantic.

We have just received a copy endorsed to us of your
telegram of the 14th February to the Government of India to the
effect that Mr. Arthur could not possibly sail on the s.s. "Empire

As instructed we have applied for a steamer passage
for Mr. Arthur ex Bombay as early as possible after the 1st
March for the U.K. and as soon as this has been arranged,
will endeavour to book a connecting passage from London to
New York.

In the meantime, however, the Govt. of India have
informed us that this scholar must reach the States by the end
of March. We are afraid that there is no chance of his
being able to do this as the next steamer by which a passage
could possibly be booked for him to England would be
C.T. "ATLANTIS" which is scheduled to sail from Bombay on the
9th March, arriving in England about the 27th March. There
is bound to be few days delay in England before he could get
a passage across the Atlantic and as such the earliest date
by which he could arrive in New York provided all these
passages mature, would be about the 7th or 10th April.

We are advising the Govt. of India of this as well
but in the meantime would request you to kindly let us know
whether as an alternative an Air passage could be arranged
for Mr. Arthur from Bombay to New York for which a single
fare would be Rs.2,809.10. In this case, of course, the
scholar, we presume, would pay the difference between the Air
fare and the cost of a direct steamer passage Bombay/U.S.A.
which is Rs.1,764.40.

Dear Sir,

Mr. R. P. Arthur - Madras Government scholar
1947-48, for training in the U.S.A.

We are in receipt of your letter No. 9057-C2/48-5, Edn
of the 28th February.

In our letter of the 14th February, we had suggested
that a passage may be arranged for Mr. Arthur per M.S. 'Rajm
'Poelau Laut' which is due to leave Colombo during the
second half of March at a Single Fare \$440.00. The rupee equi-
valent of this is 1,465.490 which compares very favourably with
the cost of Dormitory class passage by the boat of s.s. 'Marine
Swallow' class for which the fare would be about Rs.1,750/-.

From your endorsement to the American Express Coy.,
Inc., Bombay, we note that the passage offered by them for
Mr. Arthur on the s.s. "Atlantis" ex Bombay on the 9th March
for England with a connecting Air passage from London to New
York is also not acceptable as you require that the overall
cost of the passage should not exceed the cost of a direct
Single II-class fare India/U.S.A.

We find, however, that Mr. Arthur is required to
reach America by about the end of March and as there as no
direct sailings from India to the States by which he could
reach there by that date, there was no alternative except to
travel via the U.K., for which purpose accommodation was secur-
ed on the s.s. "Atlantis". Air passage from London to New York
in conjunction with the passage on the 'Atlantis' was necessary
if Mr. Arthur was to arrive in the States by the end of this
month. In the circumstances, may we presume that it will be
in order for a passage to be arranged for Mr. Arthur by surface
route from India to America direct or via the U.K. subject of
course to the charges being within the prescribed limits, al-
though this would not enable him to reach the States until well
after the end of March.

Yours faithfully,

Subject:- Overseas scholarships - Madras Province-
Passage arrangements.

I was informed in memorandum No. 9057 C2/48-1/EDN dated 11th February 1948, by the Government of Madras that I have been offered admission into the University of Tennessee, U.S.A., and that I should be there not before the 28th March 1948. In one of their memorandums, the Government of Madras have instructed me to hold myself in readiness to sail, as orders concerning the passage would be issued within a very short period.

On 27th February the American Express Company, Bombay intimated me that my passage had been booked to England in C.T. "Atlantis" subject to the acceptance of the Provincial Government. From England, they had arranged an air passage to U.S.A. The non-acceptance of the passage was intimated to me only on the 5th March. But I had made all the preliminary arrangements and I was quite ready to start.

Subsequently the Travel Agents cancelled the passage on C.T. "Atlantis". As per instructions from the Provincial Government I have asked the Travel agents to allot me a 'B' grade passage at a very early date.

In their letter dated 5th March 1948, a copy of which is herewith enclosed for information, Messrs Govan Brothers, New Delhi have asked the Secretary, Government of Madras to confirm that it will be in order if they arrange a passage for me by the Surface route from India to America direct or via the U.K. subject to the charges being within the prescribed limits. But in the memo No. 14473-C2-148-3-EDN dated 5.3.1948 the Government of Madras have communicated, that in future all passage arrangements will be made by the Travel agents in direct consultation with the Government of India, to avoid delays.

Hence I request that the necessary instructions clarifying the point raised in the last para of their letter, may be issued to Messrs. Govan Brothers, Scindia House, Connaught Circus, New Delhi, so that I may be offered a passage at a very early date to enable me to reach the University in time.

It does not seem fair to ask the Scholar to meet the difference in cost nor will it be ~~possible~~ advisable for this Govt. to bear the expense in question. The best course would ~~seem~~ be to ask the Travel Agents to await the definite instructions of the C of G in the matter.
