Sub; Education - Secondary - Municipal High School, Gudiyatham - Enhancement of school fees sanction - requested.
Council resolution No. 104 dated 27-5-48.

10 instalments of school fees in the Municipal High School, Gudiyatham are at present collected at the standard rates fixed in Rule 89(a) of the Madras Educational Rules. The expenditure under Secondary Education has increased considerably from 1-1-47 consequent on the adoption of the revised scales of pay and fixation of pay to teachers according to weightage in service. This increased expenditure has become a drain on the general funds and hence it has become necessary to find out ways and means to augment the resources of the Municipal High School. In order to cover up this additional expenditure the headmaster, Municipal High School submitted proposals when the Budget Estimate for 1948-49 was considered by the Council to levy school fees at increased rates. In the Budget estimate for 1948-49 receipts at the increased rates of fees have been taken credit of under secondary education. The Municipal Council Gudiyatham in its resolution No. 104 dated 27-5-48, copy enclosed, has resolved to increase the rates of school fees as noted in the resolution and to collect the fees at the increased rates from the school year 1948-49.

I therefore request that the Government will be pleased to approve the levy of schools fees at the increased rates in the Municipal High School, Gudiyatham, from the beginning of the school year 1948-49.
